

HE KEPT US OUT OF WAR

1. Why did he not collect the labor liens on the Emerald Mine at Gold Circle, for the common people, as he promised?  
 2. Why did he falsify to the people of Midas?  
 3. Why did he favor the defendants who are Multi-Millionaires of Utah?  
 4. Why were the people who furnished food and material to build the Emerald mill compelled to take less than 50 cents on the dollar in settlement?  
 5. Why did E. E. Cain make a trip to Ogden to consult with the defendants?  
 6. Why did he permit the defendants or owners to operate the property while those labor liens were pending?  
 7. Why did he permit the owners to ship the bullion until those liens were paid?  
 8. Why did he draw up a trust deed to be signed by the defendants whenever convenient?  
 9. Why worded thus and never signed?  
 10. Why did he promise me in his office in Elko three years ago, that he would bring suit immediately and then not do so?  
 11. Before going to Washington, D. C. he promised myself and another claimant that he would assure us all would be settled before he left. Why did he not do so?  
 12. Why did he blame his neglect on his partner?  
 13. Why was I recently approached by a man who offered to deposit in the First National bank of Winnemucca a partial payment on the amount I control?  
 14. Why did E. E. Cain, in his campaign tour, pass within one and one-half miles of this place and not interview?  
 Besides the many labor liens there were other indebtedness. This also in Mr. Cain's hands. One firm received full pay, while the others received 50 cents on the dollar. I would like it explained to the voters of Nevada why some of the laborers settled their account for 50 per cent while two in question received full amount from the defendant.  
 This Emerald affair almost ruined the Town of Midas financially. Four years since those liens were filed and no action taken by Mr. Cain yet.  
 I wish to say to you voters of Nevada, should you elect E. E. Cain to congress, he should take this with him as a reminder of his duplicity to the boys who toiled in the mines to produce the metal which is coined into money to build universities to educate such men as E. E. Cain.  
 MRS. JOHN C. CHARTERS.

'BIG' ROBERTS ANNOUNCES CANDIDACY AND POLICIES

To the Voters of Tonopah:  
 I have been in Tonopah for the past 10 years, and no man in Tonopah is better known than the independent candidate for constable. I have worked in the mines of Tonopah—the Belmont, the Jim Butler, the MacNamara and the West End. My work has always been satisfactory, and I can go to work at any of these properties if they need a man. For the past 18 months, however, I have been leasing at the Midway mine—without much success. It is true, but my efforts at all times is to pay my bills. We have all made mistakes, but when I do make one I have always done my best to right it.  
 I have offered more than any candidate for the same office. I stand for a clean administration, and my office, if I am elected constable, will be devoted to protecting the people

and their property. I stand for an efficient night patrol. I will economize in my office so long as it does not interfere with the protection of people and property. Any man desiring an appointment as deputy must have a good petition from the businessmen, taxpayers and voters of Tonopah, and the ones having the best petitions will be appointed, with the understanding that I will request their resignations at any time that they prove neglectful of their duties. I promise to perform all the duties of the office without partiality or fear.  
 I believe it to be among the duties of my office to help the unemployed to get employment, for in my household canvass I have found women with children, without employment and without means—in one case, a woman with a 6-year-old boy, totally blind.  
 I have been asked what privileges I would allow if I were elected. I said I would permit no more than the law allows me to give, with equal rights to all. The acts of my office

will be towards the support of the law. If my evidence—the truth and the whole truth—convicts, well and good; if it clears, I am happy; but at no time shall my evidence be false in order to secure a conviction. If I am elected, it will be by the people who have confidence in me and who believe that I will live up to the obligations of the office. My office will be the servant of the people and will be used for the protection of the needy.  
 Now, voters, if you believe me to be a man of my word in what I have promised, cast your ballot for me on election day, November 7th, for at this time I need a rest, and above all, I need the job.  
 Adv. It G. A. (BIG) ROBERTS.
