BURNED TO DEATH BY EXPLOSION LAST SUNDAY

A letter received this morning by Mrs. Lenore Sollerder Hanby explained that Raymond Peck, cousin of Mr. Will Hanby, whose death was reported last Monday, was burned to death as the result of an explosion that occurred Sunday afternoon. The unfortunate man was warned as the accident happened but before he could leap aside he was caught in the flame and burned alive.

IDLE WOMEN CLASSED AS SO MANY FLAPPERS

SHIFTLESS SET OF DEPENDENTS WHO SHOULD BE PUT TO WORK

(By Associated Press.) CHICAGO, June 15.—Fifty-five per cent of the women of the United States are "flappers," according to Mrs. Raymond Robins, of the woman's committee of the national council of defense. Her definition of "flappers" is a woman who does not live at home supported by relatives. She hoped to recruit this class into the war service.

(By Associated Press.) YOSEMITE, June 15.—Fire damaged a large wooden building used for a dining room kitchen at El Capitan camp, Yosemite Valley.

FOURTH OF JULY COMMITTEE HAS ASSIGNED THE DIVISION OF WORK

Chairman Harry R. Grier of the Fourth of July committee wishes to announce the following vice-chairmen of the various committees who will form the executive committee and have charge of the handling of the big celebration in Tonopah this year. All vice-chairmen are to appoint their own assistants, announcement of which will be made later. The big show is now rapidly assuming shape and the next week should see all of the large features and most of the details worked out.

The following will be the personnel of the entire general and executive committees this year: Harry R. Grier, general chairman; Miss Alice Dumont, secretary; Chas. F. Wittenberg, treasurer.

Finance—Pat Mooney, chairman. Advertising—H. R. Grier, chairman. Decorating—Ernest Shreve, chairman. Transportation, Wm. DeCourcy, chairman.

Drilling, W. H. Blackburn, chairman. Boxing—Nick Ableman, chairman. Carnival—Frank Cavarough, chairman. Children's Sports—Chas. F. Wittenberg, chairman.

Mardi Gras—Arthur H. Keenan, chairman. Concessions—J. E. Peck, chairman. Patriotic Exercises—R. J. Highland, chairman.

Base Ball—R. Fred Brown, chairman. Music—Ivan C. Arnold, chairman. Children's Free Entertainment—Mrs. J. H. Schwelbe, chairman.

Horse Racing Committee—Harry R. Grier and C. F. Wittenberg, chairman. Dancing—Bud Morris, chairman. This committee will meet at the offices of the T. & T. R. Co. at 8 o'clock tomorrow night to complete all details for holding and carrying to a successful conclusion the two-

day celebration planned for this year. Now that the official specifications for the big jackhammer drilling contest have been published and can be secured by calling upon Chairman Grier a large number of entries is looked for as it is known that at least three men from the Belmont, two or three from the Tonopah Mining company, two from the West End, two from the Extension, one from the Cash Boy, one from the Halifax, five from Manhattan, two from Round Mountain Mining company, and a number from Goldfield have been waiting to secure the terms of the big show so that they could enroll themselves.

Nick Ableman, chairman of the boxing committee, yesterday received word from Frankie Malone that he would leave for Tonopah at once, and that the weight, terms, etc., were all satisfactory. Malone advises that he boxed Billy Alveris in Oakland a week ago and won his 24th straight fight and that he is in fine shape at the present time. Solly Salvatore wires Mr. Ableman as follows: "Will leave Oakland 29th. Everything O. K. Will post forfeit when I arrive for weight and appearance." Tickets were sent each boxer two days ago by the committee.

R. Fred Brown in charge of the baseball game between Sparks and Manhattan has received the following wire from P. R. Court, manager of the S. P. Co. club which states that will leave on Train 23 night of the 3rd and arrive in Tonopah morning of July 4th, ready for the big brush with Manhattan for the state championship.

Hugh Herd, of Manhattan, says his nine with the whole town behind them, will be on hand and ready to tackle the bunch from the northern end of the state when the umpire says "play ball."

(By Associated Press.) SAN FRANCISCO, June 15.—These are days of uncertainty at the Presidio military reservation, where approximately 3000 men are taking a three months' course of intensive training to fit them for commissions in the army. Officers in charge of the instruction have been keeping an eye out as to the fitness of the different men for the various branches of the service and while all of the students have designated the particular work for which he prefers to be assigned, it does not follow that his wishes will be complied with.

A great many more men applied for assignment to the cavalry than can possibly be accommodated, which means that they will go either into the infantry or the field or coast artillery. The Fifteenth Company of Engineers already has been organized and they will do their specialization work for the next two months at the Vancouver barracks. They entrain here on Saturday and will be all ready to begin their rounds of duty on Monday morning. Also they are the first unit in the reserve officers camp, aside from those who already have their commissions, to receive their regular pay.

First of the duties which will fall to the lot of the infantrymen will be rifle practice, which will begin next week over in the government rifle ranges in Marin county, across the bay from San Francisco. The men will go over detachment by detachment, each unit spending about five days in the butts, where the men will be thoroughly instructed in the handling of weapons from all angles. It is expected that many of the national guardsmen, who recently have been attached to the camp, will be selected to act as instructors as they already are well versed in the care and manipulation of firearms as a part of their militia training.

AMUSEMENTS

BUTLER THEATER

The feature at the Butler this evening is the picturization of a story everyone has read—"The Scarlet Letter." Hawthorne's classic, admittedly America's greatest novel, with Stuart Holmes portraying the role of Pastor Dimmesdale. In writing that greatest novel of American literature, "The Passion Play of England," Nathaniel Hawthorne laid his hand upon the familiar combination of the wife, the lover and the husband. Aside from the masterly manner in which Hawthorne has treated his theme, it is unique in this: The problem of the love problem is treated, not during the period of temptation and fall, but after the current of expiation and repentance has set it. The three man characters in this powerful story are the young Puritan minister, who carries the secret of his own lapse from pastoral purity locked up beneath an exterior that commends itself to the reverence of his flock; the softer partner of his guilt standing in the full glare of exposure, and the livid, sinister figure of the injured and retributive husband.

Added to the program is a two-reel Fox comedy, "The Film Spoilers," and Miss Hawkesworth, who will present an Oriental dance known as "The Soul's Journey."

Tomorrow, Mme. Petrova in "The Secret of Eve."

LIBERTY THEATRE

Today: Two big features. Clara Kimball Young in "Hearts Affire." A five reel Brady-made picture. In this play Clara Kimball Young is shown at her best and no doubt will please all her admirers. Miss Young last appeared at the Liberty in "Marriage a la Carte," which was enjoyed by all who saw it, but in "Hearts Affire," Miss Young far surpasses herself in acting and it is claimed that this picture is the best ever screened of this most popular actress.

Here it is—the biggest scream ever produced by any company, "The Nick of Time Baby," the first Mack Sennett Keystone special comedy. Mr. Sennett is now putting out these special comedies and is far surpassing anything ever produced by himself or any other company. Be on hand to thoroughly enjoy yourself tonight.

On Saturday William S. Hart and Margery Wilson in "The Gun-Fighter." This drama, it is understood, contains more powerful situations than has any other recent Hart vehicle and offers this forceful actor in what is declared to be one of his really great roles.

"His Deadly Undertaking," a Triangle comedy. The flag raising ceremonies at Sparks, Nev., which were filmed in that city last Sunday, will be shown at the Liberty next Sunday.

—and why wouldn't they say it? It certainly is the most wonderful soda we have ever seen, and probably the very best soda that can be produced today. That is the reason. First, purity of ingredients, then careful manipulation, then a sanitary fountain and the cleanest and neatest service. That's what makes it good. That should appeal to you, and induce you to meet and treat at our fountain, now and for the balance of the summer. Any flavor you want! all the old-timers, and the newest ones.
