IMPROVING ROAD AT FIVE MILE

The county has taken active steps to restore the roads damaged by the recent cloudbursts in the vicinity of Five Mile which includes part of the Midland Trail over which the relay racers will pass in about a week. The damage was much more extensive than was at first anticipated but in the course of three weeks or less the county commissioners hope to have traffic moving with accustomed regularity. This morning the big White truck left for Five Mile with a camp outfit and six men. The Louisiana Consolidated Mining company is specially interested in this improvement as it is the principal user of the road and expects to add five more trucks to its present large fleet. One bridge is out right on the direct Midland Trail but the repair work will be rushed so that the line will be passable for the coming of the relay drivers. The Louisiana company will share in the cost of the roadwork.

On the Manhattan road the county team is employed with a force of men travelling the roadway from the summit down towards Manhattan and others are spreading gravel over the wash and filling in. This work has been going on for a couple of weeks and another week should see the road in good shape.

BIGGEST BATTLE OF WAR RAGES ON FLANDERS FRONT

GENERAL PETAIN OPENS ATTACK THAT PRESAGES IMPORTANT RESULTS

(By Associated Press.) PARIS, Aug. 1.—The battle of Flanders, which was begun yesterday, is expected to be the biggest of the war. It may last for weeks or even for months.

SUPERINTENDENTS OF MINES CHANGE

Superintendent Cole of the Manhattan White Caps resigned yesterday and was succeeded by O. B. McCraney formerly superintendent of the Zanzibar and White Caps Extension. Mr. McCraney is succeeded by E. J. Haug, for the past two years superintendent of the Yerington Copper mine.

BILYEU IS IN THE HOTEL MANAGEMENT

Owing to an oversight yesterday the name of Charles M. Bilyeu was omitted from the report of the changes in the management of the Mizpah hotel. Charlie, who has been well known for many years as one of the popular cafe men, is also associated with Hickernell and White in the hotel lease.

HOUSE WRECKED BY FLOOD OF OIL

STORAGE TANK COLLAPSES AND INJURES TWO YOUNG CHILDREN

(By Associated Press.) LOS ANGELES, Aug. 1.—An oil storage tank above the home of M. E. Hubbell collapsed while being filled. The contents overflowed into the house, partly wrecking the building and seriously injuring Lorena Hubbell, aged 10, and Una Primer, aged 11. They were caught in the flood and debris.

UNKNOWN MAN FALLS DEAD IN IONE STREET

The cause for Cononer Dunsenath and Deputy Sheriff Timlin leaving so suddenly for Ione yesterday morning was receipt of news that an unknown man had dropped dead there. He was well dressed and was a stranger in the camp. The officials held an inquest at Ione, where the funeral will take place.

DODGE BROTHERS APPOINT AN AGENT

REALIZE BIG POSSIBILITIES IN AUTOMOBILE FIELD OF THRIVING COMMUNITY

Recognition of Tonopah as a thriving community that gives promise of big opportunities in the automobile field, has led Dodge Brothers to establish representatives here, with Tonopah Auto Sales Co. as the newly appointed dealer. Mr. W. J. Hand, director of sales, has just been notified that he now has the exclusive selling rights in this territory.

The remarkable popularity of the Dodge Brothers motor car has caused automobile men all over the country to clamor for sales privileges, but Dodge Brothers policy of quality in the car, requires a painstaking investigation in every instance before a selection is made. In Mr. W. J. Hand, Dodge Brothers have a dealer on whom they believe they may rely for both progressiveness and fair business methods.

An idea of the popularity of Dodge Brothers Motor Car may be gained from the fact that within 28 months after the first car was turned out, the aggregate sales had exceeded \$110,000,000.

This is a record without precedent in the motor car industry. It is regarded as a striking testimonial to the high regard in which the name "Dodge Brothers" was held by the public even before they marketed a motor car bearing this name. Prior to that time Dodge Brothers had built the vital parts for more than a half million other cars, establishing a reputation for thoroughness and mechanical skill.

SKIRTS WON'T SAVE ARMY SLACKERS

WOMEN MAY BE PROSECUTED FOR INVEIGLING CONSCRIPTS INTO MARRIAGE

(Special to the Bonanza.) WASHINGTON, Aug. 1.—Hasty marriages made since July 20, the date of the army draft drawing in an effort to escape conscription through the claim of a dependent wife, will not be considered sufficient excuse for discharge unless the wife is actually dependent on the husband's daily labor.

Prompted by reports from many cities of marriage license bureaus besieged by men included in the first draft call, Provost Marshal General Crowder today ruled that "marriage is not of itself a valid ground for making claim for discharge."

General Crowder declared, women who marry men merely to aid them to be slackers, are liable to prosecution under the draft act. Fears of some officials that delay in obtaining materials and sufficient labor for national army cantonments would postpone the mobilization long past September 1 were dissipated today by an announcement by Secretary Baker that 78 per cent of the cantonment materials are now on the ground and that reports indicate everything will be in readiness, or nearly so, in another month.

COTTON CROP ESTIMATE

(By Associated Press.) WASHINGTON, Aug. 1.—The department of agriculture has estimated that the cotton crop will be 11,949,000 bales of 500 pounds each. California's condition is reported at 94 per cent.

ALLIED SUCCESS

(Continued from page one)

read an attempt to prevent an allied concentration upon the right flank. In diplomatic quarters, however, the Verdun attacks are coupled also with the German advance in Galicia to furnish the stage-setting for the renewal of peace suggestions through the German and Austrian chancellors.

The possibilities of the new offensive produced the suggestion today that if the allied front could be extended to the Dutch frontier, The Netherlands government might join the allies. Recent reports from neutral sources have indicated that the Germans feared some such action by their little neighbor. In that connection it has been noted that numerous small German steamers lying in Dutch waters since the outbreak of the war, have been captured or destroyed recently while attempting to return to Germany and that several divisions of German troops have been reported massed along the Dutch frontier.

Some officers believe that a great part of the German success heretofore has been due to the fact that the allies have been forced to accept the type of warfare which the German high command elected. When the Germans early in the war fell back to the Aisne and dug themselves in, the allies followed suit, and the opportunity for field operations was quickly lost. The game was mapped out as the German staff wished it to be played.

There are officers who believe that with the allies' greater forces and more powerful artillery, they now could be certain of fairly quick success if trench fighting could be abandoned for the shift and strategy of field operations. The Germans, these officers say, also know this, and have no intentions, if they can help, of permitting any change in the battle scheme they have forced upon their enemies.

If severe pressure is exerted on the right flank, therefore the German commanders are expected here to seek relief by an assault or a series of assaults elsewhere along the line. The only answer to such tactics would be to ignore enemy successes of this nature and keep pressing home with every available man or ship the drive at the right flank.

AMUSEMENTS

THE BUTLER THEATER

"Womanhood, the Glory of the Nation," the spectacular eight-part photoplay; made for the purpose of hammering home the terrible results of unpreparedness. The photoplay carries out its mission admirably when it shows how foreign foes force the approaches of New York harbor, takes the city without opposition and invades the entire surrounding country which the invaders occupy for months until whipped into shape to expel them. The battle scenes are beyond description. They must be seen to be appreciated. They are too big, the detail is too minute for the limitations of the English language. The picture does just exactly what it is intended to do, teach preparedness with sledge hammer blows and at the same time give two hours of the most pleasing entertainment. It will be remembered by all what a wonderful picture "The Battle Cry of Peace" was and critics now say that his production, "Womanhood," is four times greater in every respect. Being the most wonderful of many great screen productions of recent date, marvelous in its realism, surprising in its newness, daringly thrilling in the telling of the story. Two great stars, Alice Joyce and Harry Morey, better known motion picture stars than Alice Joyce and Harry Morey could hardly have been chosen for this magnificent film spectacle. Miss Joyce and Mr. Morey have been featured in many great features but this in considered their masterpiece. A special score of music has been secured for this production and also full orchestra to complete the show and make it the biggest success of the season. It might also be added that this is the first time that this production has been shown for less than fifty cents. Matinee 1:30; evening 7:15 and 9:15. Admission, children, 10; balcony, 20; lower floor 25 cents. adv.

PARTING BANQUET GIVEN DETCH BY CITIZENS OF GOLDFIELD

The occasion was seized by his friends in Goldfield to tender him a banquet last night which was attended by over 150 leading boosters. Dr. J. L. McCarthy presided and in response to a call for a speech Mr. Detch explained that he would remain identified with the Goldfield bar and maintain an office in that city.

Wonderful Soda-- That's what they all say

—and why wouldn't they say it? It certainly is the most wonderful soda we have ever seen, and probably the very best soda that can be produced today. That is the reason. First, purity of ingredients, then careful manipulation, then a sanitary fountain and the cleanest and sweetest service. That's what makes it good. That should appeal to you, and induce you to meet and treat at our fountain, now and for the balance of the summer. Any flavor you want! all the old-timers, and the newest ones.
