Soldier Boys Depart To Train For Service

THE HONOR ROLL. ROSS EVANS, ANTONE TEZAK, LAVERNE WHIPPLE, DWIGHT A. BAKER, EDWARD G. NORTH, HENRY ABERSTURI, PIETROVONI GIOVIANNI, JIM SIER, JOHN CANDAK, FRANK E. GROUT, FUFONI EUGENIO, JOHN BENSON, BOZO L. CHIATOVICH, NICK U. VUKASONIVICH, JOHN WM. LUCE, JOHN KUZMA, CHESTER A. PENROSE, ED HUGHES, JOSEPH J. TOGNONI, GIULIERMO GIUSTI, LOUIE BONI, CLARK SCOTT, BARNEY BENSAN, ANTONE SUSTARICH, D. HYATT, DAVID P. BUCHANON, JOSEPH SERVENTI, LOUIS SENALDI, PETER PASICH.

Of the foregoing boys of the third detachment of conscripts, Ross Evans was transferred to Berkeley; Laverne Whipple, Ely; Edward G. North, Los Angeles; Fufoni Eugenio, Auburn, Cal.; John and Barney Benson and John W. Luce, Los Angeles; J. J. Tognoni, Eureka.

The roll of dishonor consists of Sam DuPratt, Yee Soon and Manuel J. Deterra, deserters, the punishment for each of whom may be death.

The third detachment of Nye county's contribution to the national army

departed on train No. 23 yesterday morning for the training camp, one step forward to the battle line. As when the former detachments left, there was a large turnout of citizens and a royal good-bye was given. The only items lacking that were on the former programs were the blowing of the mine whistles and addresses of farewell at the depot.

The recruits were met at the court house and escorted to the train by a procession extending for several blocks. At the head marched Ed Harmer, the old vet who carries the flag for each of the departing squads. The Women's Relief Corps, Getysburg post, had the position of honor. Then came as escorts to the recruits the Tonopah Ambulance regiment, Grand Army of the Republic and Spanish War Veterans, the Young Men's Serbian Society, followed by citizens and school children in autos and afoot, all marching to patriotic tunes played by the Tonopah Military Band.

At the depot the boys were given individual greetings and also cheered collectively. Loud were the cheers as the train moved slowly out of the thronged yards.

Also on board was the Esmeralda detachment, consisting of fourteen men. They had been given a splendid send-off at Goldfield, where \$205 was collected on the platform for pin money. At Tonopah a purse of \$75.80 was also made up.

It was expected to pick up the Mineral county contingent at Thorne, but a breakdown to the auto stage delayed the boys from that county. They, however, proceeded to training quarters today.

MRS. LOUISA IRWIN DIES AT DUCKWATER

PIONEER OF REGION, SHE IS MOURNED BY NEIGHBORS AND FAMILY.

At 3 o'clock in the afternoon of October 2, Mrs. Louisa Irwin died on the Irwin ranch at Duckwater.

She was the sole surviving pioneer of Duckwater. She came to Hamilton, Nev., in April, 1872, from her home in Niles, Mich., where she was born on February 25, 1841, to teach school. She was married to Isaac Irwin in September of that year and moved with him to the large Irwin ranch, where she resided ever since until her death. She was 75 years, 7 months and 7 days old at the time of her death.

During all the time of her residence on the Irwin ranch she was a model wife and mother, and the hospitality of the ranch was always extended to everyone who came and stopped there. She was universally beloved by all who and the good fortune to know her and partake of her hospitality.

Her husband died in 1894 and she was buried by his side on the Irwin ranch on October 3, the funeral services being read by R. A. Dean, the teacher at Duckwater.

Mrs. Irwin is survived by four children, Mrs. Hermina Irving, Mrs. Imogene Vanover, Paul Irwin and Ralph Irwin, as well as by three grandchildren and four great-grandchildren, all of whom live on the Irwin ranch. As one of the kindest of mothers they mourn her loss greatly.

INJURED AT BLAIR. Dr. P. D. McLeod was called to Blair yesterday afternoon to attend James Manfani, who was employed in removing the cable from the Pittsburg Silver Peak mine to the mill. The injured man sustained a fall which lacerated the scalp and he also received body injuries. The doctor reports that there will be no serious results.

BUILD LIBERTY TRUCK. (By Associated Press.) LIMA, Ohio, Oct. 8.—The first liberty motor truck for the army has been completed at a local plant, the product of the greatest truck designers in the country. The combined genius of twelve truck plants and sixty-two automobile factories are said to represent the perfection of the automobile truck developed. It was built with the greatest secrecy, the building being without windows. It had only a skylight and was closely guarded. As an added precaution a duplicate of each part of the truck completed here was sent to North-east New York, where a second machine will be assembled.

AMUSEMENTS

EARLE WILLIAMS TONIGHT.

The chances that moving picture actors take in attaining realistic effects for a play are graphically illustrated in "The Maelstrom," the Vitagraph Blue Ribbon feature, which will be the attraction at the Butler this evening. Earle Williams and Dorothy Kelly are the stars in this piece, but they are also surrounded by an exceptionally strong cast, two members of which are John Robertson and Julia Swayne Gordon. Robertson plays the role of a chief of detectives and Miss Gordon is cast as a woman criminal. In one scene where Robertson enters the house occupied by the thieves, the woman pretends to show him where Williams is held a prisoner in the cellar. She springs a trap door in the floor and tells Robertson to look down. In order that he may better see into the darkened space below, he orders her to light a match. She does so, but while his head is turned she sets fire to the whole box of matches and throws the flaming missile into Robertson's face. Blinded, apparently, he is hurled into the cellar.

This scene is so realistic that spectators involuntarily gasp at it. In the making of it Robertson and Miss Gordon had to rehearse it many times, and it is one of the most thrilling photoplays of the season. In addition to the feature, the latest release of Hearst-Pathé News will be shown. Tomorrow, do not forget that Mme. Petrova, the internationally celebrated emotional actress, will appear in "The Undying Flame."

WEEK-END OUTING. A jolly party, or rather several jolly parties, spent Sunday at Hot Creek. Those enjoying the outing were: Mr. and Mrs. O. H. Perry, Miss Hazel Perry, Mr. and Mrs. R. Davenport, Mr. and Mrs. L. Horton, Miss Barbara Horton, Thomas Horton, Mrs. Isadora, Mr. and Mrs. A. H. Keenan, Mr. and Mrs. S. R. Moore, Miss Helen Moore, Mr. and Mrs. Cullinan and Jack Whitman. A delightful picnic party was enjoyed in the grove. Some of the men brought their "weepons" with them and secured a quantity (?) of game.

Old Fashioned. "He's very old fashioned." "That so?" "Yes. He still shaves his own shoes and spits on the dauter when he does it."—Detroit Free Press.

FACING THE CAMERA. Don't Dress Up and Don't Pose When Having a Picture Taken.

"There are many things I would like to say to the woman who intends having her picture taken," said a famous photographer the other day.

"Many women come to me and say: 'Of course you prefer taking actresses. They must have many advantages over those women who never have time but to give an occasional glance in their mirrors.' This is entirely a mistake. The conscious pose never makes a satisfactory portrait. I would say emphatically to the woman who goes to have her photograph made not to rehearse her pose and facial expression beforehand.

"I always find it difficult to impress on the woman coming to my studio that clothes and jewels are of absolutely no account in a photograph. If a woman comes to be photographed in the clothes she is used to wearing she will feel at ease and therefore look her best.

"One of the curses of our present day civilization is the ever changing question of fashion. How much more civilized were the Japanese, who realized that the kimono was perhaps the most perfect dress for women at all times—only only varied it with different brocades and girdles. The photograph that concerns itself with clothes is soon out of fashion, and no matter how good a likeness of the face has been obtained, the picture is grotesque in a few years because the clothes are passe."
