REFUSE REPORT

WASHINGTON, April 20.—The house refused to accept the special report of the postmaster-general on the amount of literature on public information the committee is sending soldiers in France, because it contained a statement by George Creel, which is said to be "impertinent and disrespectful." The report is in response to the charge of Representative Treadway that Creel's committee is sending "tons of literature to soldiers which is not wanted." Burlison's report contained a statement from Creel declaring that the "baselessness" of the charge could be ascertained by a telephone inquiry.

FLAG TO FLY AT BRYAN AVENUE AND MAIN STREET ARRIVES

At the regular meeting of the Tonopah Boy Scouts of America last night held at the high school the attendance was the largest in the history of the organization. The large flag donated by the Uniform Rank of the K. of P. of Tonopah has arrived and is on exhibition in the window of Lewis' stationery store on Main street. Plans are now under way for the erection of the pole at the intersection of Bryan avenue and Main street and it is expected that the flag will be flying in the next few days. The pole was donated by the Tonopah Extension Mining company and the rope by Mrs. Wheeler. The boys will stand at retreat each night at sun down before the flag.

The first orders were issued today by the drill master of the Tonopah Boy Scouts of America for the appointment of non-commissioned officers. They are as follows: Scout Ogdan Mounhan is hereby appointed Scout sergeant to fill the original vacancy; Scout Thomas Fitzgerald is hereby appointed scout corporal to fill the original vacancy. They will be obeyed and respected accordingly. By order of Drill Master Roy H. Cross, assistant.

In the event that President Wilson declares Friday, April 26, Liberty day and a legal holiday throughout the United States the flag will be raised on that day and all business in Tonopah will be suspended. Permission will first have to be secured from the county commissioners to place the flag pole at the intersection of Main street and Bryan avenue.

FISTIC ENCOUNTER AT THE HOSPITAL

MISS BRYAN, THE MATRON, LOSES HER TEMPER AND SLAPS NURSE

Yesterday noon a lively fistic encounter occurred at the County hospital. This was a bout wherein only the feminine of the species took part, the patients in the hospital acting as referees and corner attendants. The set-to was staged between Miss S. M. Bryan, the matron, and Miss Mabel Redmile, a nurse. Considerable friction has been in evidence at the county sanitarium for some time, and much dissatisfaction has been created by Miss Bryan's supervision as matron over that institution. It is claimed that Miss Bryan, in an angry mood and without cause or provocation, did slap and cause much humiliation to Miss Redmile, the nurse, all of which is said to have been contrary to the statutes of this commonwealth.

R. B. Davis, chairman of the board of county commissioners, upon consultation with W. J. Douglass, commissioner, then and there decided to suspend Miss Bryan from supervision of the hospital pending an investigation by the county commissioners, which board will be in session on May 6.

AMUSEMENTS

HAROLD LOCKWOOD AT THE BUTLER

An unusually fine cast supports Harold Lockwood, the popular Metro star, in "The Avenging Trail," a drama of the timberlands based on Henry Oyen's novel, "Gaston-Olaf," which will be the feature attraction at the Butler this evening. The role of Gaston Olaf is played by Mr. Lockwood and in this he is said to have the most vigorous character he has ever enacted before the camera. His leading woman in this picture is Sally Crute, remembered for her prominent part in several Metro plays. For over thirty years the stage has known Joseph Dalley, who portrays the part of Tom Pine. Mr. Dalley spent most of these thirty years in stock in almost every metropolis in the country and consequently has friends from coast to coast. Beautiful snow scenes abound in this picture which were obtained in the White Mountains in New Hampshire, the outdoor scenes being played with the ground covered with snow from a foot to eighteen inches deep, and with snow flying before the camera, and will present a sight that will delight the eye of the lover of the beauties of nature. This is not all of the program, however, as a Mack Sennett two-reel comedy, "The Kitchen Lady," will be added, which will keep you laughing from the very start to the finish.

Tomorrow Madge Evans in "The Little Duchess" and William Duncan and Carol Holloway in "Vengeance and the Woman." Remember, Dorothy Dalton of "The Flame of the Yukon" fame—she will be here Monday.

"The Kaiser—the Beast of Berlin," is also coming to Tonopah next week.
