YANKEES MADE WAR PRISONERS

ENTIRE BATTALION OF HUNS OVERPOWERS TWO COMPANIES

(By Associated Press)
WITH THE AMERICAN ARMY IN FRANCE, June 26.—A raid Monday morning in which two companies of French and American troops near Badenville were lost prisoners was made by an entire battalion of German troops. The enemy advanced in two columns after a way had been prepared by heavy bombardment of gas shells.

MONTHLY QUOTA FOR THE DRAFT IS FIXED

(By Associated Press)
WASHINGTON, June 26.—Senator Chamberlain announced today that it is proposed to call in August 300,000 drafted men; in September, 150,000; October, 150,000; November, 150,000, and in December, 125,000. These 825,000 are expected to exhaust class 1.

DIVIDEND DECLARED BY TONOPAH MINING

The Tonopah Mining company announces a regular dividend of 7 1/2 cents a share, making a total distribution of \$75,000, to stockholders of record June 29. The disbursement will be on July 20.

OFF GOES ANOTHER BUNCH OF LIBERTY LADS TO FIGHT THE HUN

Marching behind the flags of the allies eleven recruits from Nye county, with three men from other districts, were escorted to the railroad station this morning to entrain for Camp Lewis. The Musicians' Union band was well represented with an almost complete band, the Boy Scouts and the Campfire Girls were there, while the Red Cross was also in line with the Home Guards and a sprinkling of citizens. Although this was one of the largest list of departures the escort was not as numerous as on some other occasions, due in a large measure to the fact that many families have gone out for the summer and the requirements of business which calls for the close attention of the remaining men who could not be spared

from their regular occupations. The fourteen recruits were as fine a lot physically as any of those who preceded them and every man was enthusiastic and eager to get into the running with the expectation of going over the top at an early day.

When the mine whistles turned loose it was to celebrate the departure of the last of class 1 men enumerated by the selective draft. The list in Nye county has been exhausted and any further calls for conscripts must come from the deferred classifications and the reclassified men whose names have been certified back from the adjutant general's office as eligible.

The only change in the list of recruits mentioned in the Bonanza yesterday was the omission of Harold Degan, who was excused from service for the present after a physical examination yesterday. The boy was perfectly willing to go and appeared at the office of the county clerk yesterday to secure his transportation. Then it was noticed that he was limping and was referred back to Dr. Masterson, the examining surgeon, who recommended that he remain at home until he recovers the free use of the limb which was injured recently while Degan was employed at the Union Iron Works, San Francisco. The squad of recruits today went out under the captaincy of Bert Hodges, formerly employed in the machine shops of the Tonopah Mining company, who will be responsible for their transportation.

NYE COUNTY'S PLEDGE

The government has asked Nye county to pledge itself to purchase \$220,000 worth of war savings stamps during the year 1918. Tonopah's quota is \$145,000. All signed pledge cards must be in the office of the council of defense before midnight, Friday, June 28. To date the pledges amount to approximately \$30,000 and number only 320 subscribers. Heretofore Tonopah has met every call of the government with an over-subscription. Are we going to fall now? Our records show 2700 names of subscribers to the Third Liberty loan and Red Cross, therefore, there are 2400 citizens of Tonopah whom we believe are capable in some measure of buying war savings stamps during the next six months. Lack of interest in this drive is shown by the fact that the Tonopah postoffice had sold over \$25,000 worth of war savings stamps prior to the time this drive started and we should have signed pledge cards covering all of these sales as the same will be credited against our quota. When this drive is over we will publish or post a full list of names of subscribers, showing the amounts in each case, of those who have supported the Third Liberty loan, Red Cross and War Savings stamp campaigns. The council of defense asks for as many 100 per cent American volunteers as it is possible to get to assist in the remaining two days of this drive. Those willing to help will please call at the office of the council of defense Friday morning.

AUSTRIANS KEEP UP THEIR FLIGHT WITHOUT A HALT

(By Associated Press)
ITALIAN ARMY HEADQUARTERS (Monday) June 24.—The Duke of Aosta's third army has continued to advance along the Piave front, in the Capo Sile region, clearing positions abandoned by the Austrians, picking up abandoned war material, burying masses of dead and reorganizing the entire defense system, which has been badly cut up during the last few days.

OUR BOYS GIVEN ALSACE SECTOR

(By Associated Press)
WITH THE AMERICAN ARMY IN FRANCE, June 26.—A new sector held by American troops in Alsace is in the region northwest of Gobleweil. This sector is not far from the famous Hartmannswillerkopf, the scene of so much hard fighting in the past. Americans are now holding a considerable front on three different sectors in Alsace.

NYE COUNTY CONSCRIPTS MOVED FROM THE DEFERRED TO CLASS 1

L. E. Glass, clerk of the Nye county board, received the following instructions today from the state adjutant general: "Registrants who have been reclassified according to circular 85 may be inducted to fill any call providing an appeal from classification of local board is not pending before district board registrants in classes other than class 1 may be inducted to fill calls upon their request providing they sign waiver as provided in section 150, S. TROOPS FIGHTING LIKE DEMONS CLEAR BELLEAU WOOD SECTOR IN FACE OF STERN OPPOSITION

(By Associated Press)
PARIS, June 26.—An official report states that American troops carried out a brilliant attack near Belleau Wood last night, capturing 150 prisoners, including one captain.

NO EXTENSION OF THE AGE LIMIT WARNING ISSUED FOR HUN RAIDER

(By Associated Press)
WASHINGTON, June 26.—The shipping operating in area east longitude 49 between the latitude of Cape Race and Bermuda has been warned of enemy activities the navy department announced. No explanation was given, but the report of a German raider in that vicinity was brought to an American port yesterday by incoming steamers.

TURKEY IS RETICENT ABOUT THE TRUTH

(By Associated Press)
WASHINGTON, June 26.—Minister Caldwell, at Teheran, has advised the state department that he has been unable to obtain further information regarding the reported seizure of the American consulate and looting of an American hospital by Turkish troops at Tabriz, Persia.

GOLDFIELD MINERS ASK FOR \$5 A SHIFT

GOLDFIELD, June 26.—A demand for an advance of one dollar a day was made this morning on all local operators. The men ask the adoption of a five-dollar scale and also for an increase in the discount allowed employees at the company store. The Consolidated mill remains running, but all mines of the Consolidated and the several assessment mining companies are closed. The Florence, Red Hill and Silver Pick are running, having conceded the new rate.

KERENSKY COMING

(By Associated Press)
LONDON, June 26.—Alexander Kerensky, former provisional premier of Russia, has arrived in London on his way to America.

It was all one way. The Tonopah boys were too generous to rob their guests of the honors so they let the Reno Elks take yesterday's game of baseball by any old score they wished to register. The turn out of spectators was good considering the intense heat and the fact that there was no shelter from the burning rays of the sun except for those who had their own autos. From the start there was no doubt about the result, as the visiting team was in fine trim after playing steadily for nine days against the best teams in the state. Joe Hutchinson and his wheel came in for their full share of patronage. The novelty of the proceeding and the additional incentive that a man might be a patriot and make a stake through securing a lucky number that paid nearly twenty for one induced the crowd to turn loose and patronize the dealer. Lorenz phase of the program was renewed on Main street after everybody had a chance to freshen up the inner man and later in the night when the dance at the Airdome was in full swing the wheel was transported to that center with the result that several hundred dollars of war savings stamps were disposed of before midnight. The total of the day's business netted the government about \$1500 without any shading of receipts to cover expenses, all of which were defrayed by the visiting Elks. The wheel remained on Main street until after 10:30 when the staff of patriotic assistants, acting as boost-
