JACK BARRIER WILL RUN FOR SHERIFF

John Barrier, whose smiling face has earned the title of "Happy Jack," announces himself as a candidate for the office of sheriff of Nye county on the Democratic ticket. Mr. Barrier is one of the old timers of the county and his administration of the office of county treasurer during the past two years has been one eminently satisfying to the public. After the first of the year 1919 the office of treasurer will be combined with that of county clerk or there would not be any doubt of Mr. Barrier proving an acceptable candidate to succeed himself. As sheriff his knowledge of the county will prove extremely valuable in appraising property and in looking after the interests of the people outside Tonopah.

GERMAN ARTILLERY ACTIVE IN THE NORTH

(By Associated Press)
LONDON, July 27.—German artillery was active last night in the angle between the Somme and Ancre rivers northeast of Amiens. Both British and enemy artillery displayed activity further north in the sector along La Bassee canal.

CANDIDATES MUST NOT USE THE RED CROSS

The following letter has just been received at the local Red Cross headquarters from Chester L. Smith, director of publicity and speaker for the national organization:

The first general election since the entrance of the United States into the war is to take place before very long. The Red Cross is and must be maintained a strictly non-partisan, non-political organization. The reasons for this are so obvious to everyone that they need no elaboration.

Membership in the Red Cross includes so many people and there are so many men of prominence engaged in its work either at home or abroad that it is not at all unlikely that many of them will be candidates for office. No matter how sincerely any Red Cross official or worker may strive to keep separate his Red Cross work from any possible political ambitions he may entertain, he may and probably will be quite unable to prevent his friends from using his connection with the Red Cross in order to gain favor with the voters.

While such an action cannot be controlled, all candidates for office who are sincere well-wishers for the Red Cross, should realize that they should do all in their power to prevent the public from getting the impression that political preference can or should directly or indirectly be affected by Red Cross work either at home or abroad. The test of the Red Cross service to mankind is stamped by the approval of the American people regardless of politics, race or religion. No taint of selfishness or self-seeking can be allowed to creep into the work, endangering and even perhaps destroying its great accomplishment.

Accordingly, the Red Cross war council instructs me to direct that you request all officials of the Red Cross, either in chapter or division headquarters who are in any position of executive authority and who at the same time contemplate candidacy for public office, either to resign in their official capacity from the Red Cross or to refrain from such candidacy. At the same time we ask that you give this statement the broadest publicity and that you use influence of your office to prevent, in so far as is possible, the use of the Red Cross or any of its services, either directly or indirectly in the advancement of or in connection with the political campaigns of any person.

HARRY M'NAMARA FOR THE ASSEMBLY

Harry McNamara has announced himself as a candidate for the assembly on the Republican ticket and is basing his candidacy on the work he accomplished at the last session of the assembly where he established a reputation for starting and finishing legislation of value to the people who elected him. Mr. McNamara was the father of the mine bureau bill which established that department in Nevada which had been going along all these years with the reputation of being one of the greatest mining states in the union without having any official representation at home. He also introduced a bill providing for incorporation of insolvent banks, which applied to the State Bank and Trust company, which would be in effect today were it not for the fact that the matter is tied up in the courts where it has remained for two years. Through the activity of Mr. McNamara an appropriation of \$5000 was secured for the encouragement of rifle clubs and an additional appropriation of \$2500 for the Tonopah school of mines was also obtained through the efforts of the Tonopah member.

WHAT'S WHAT

By L. L. Mudgett
Vol. 2, Tonopah, July 27, 1918, No. 5
Mr. Thos. Lindsay, Food Administrator, City.
My dear Tom:

This high cost of living proposition is getting so fierce that I thought I better arrange to put on the brakes. Now, Tom, I got it figured out that the good people of Nye county are getting stung to the tune of something like \$25,000 monthly and I'll tell you what we want to do: You simply hold a meeting with yourself and the rest of the county commissioners and get together on a proposition to appoint a commission of three men consisting of Tommy Frazier, Charley Ducheneau and Jimmy Blair to investigate this H. C. L. thing and believe me we'll get results. I've had a lot of business dealings with those birds and I'm gonna tell you you can't outfigure any of 'em and another thing it's a cinch they'll be on the side of us poor boobies who have to eat. In order to do this we will want a fund of at least \$1000, because we need a thorough investigation, and we want the commission to go to the various sources of the food supply and trace the evolution of cost-prices from the farm and factory to our dinner plates. The commission can use the offices of the council of defense and we will handle all of their clerical work.

Any time you can spend a dollar of the taxpayer's money and save ten I call it good business.
Yours respectfully,
L.E.E.

TWO DETACHMENTS OF RECRUITS NEEDED

L. E. Glass received notice this morning that Nye county will have to send out eight white men to Camp Fremont on the 8th of August. Men who have deferred classification may waive their rights and enlist so as to go out with this detachment.

Next Thursday, August 1st, seven colored boys from Nye county will be sent to Camp Lewis in compliance with orders from the adjutant general's office. The men are located as follows: James H. Carter, Oakland; Charles E. Adams, Kansas City; Geo. E. Ridenout, Tacoma; Charles Miller, Seattle; Otis Lee Stewart and Thos. Brown, Tonopah. The other member of the party is Horton R. Porter, who is supposed to be in San Francisco.

R. J. HIGHLAND SELLS TONOPAH BUSINESS

The Southern Nevada Abstract company, of which Robert J. Highland is president, has been sold to the Tonopah Banking corporation, the sale becoming effective at once. This step is taken as part of the arrangement of Mr. Highland to join the colors as quickly as he can arrange his business which will be about the middle of next week. Mr. Highland has been active in nearly every public movement affecting the welfare of the camp and his departure will be seriously felt. His company which was organized in 1907 has carried over 75 per cent of the insurance business of Tonopah which was written in the most reliable companies doing business in Nevada.

Mr. Highland was one of the chief organizers of the Nye county chapter of the Red Cross association and in that capacity has been instrumental in bringing together the best workers of the county. Mrs. Highland is spending the summer on the coast where she will remain after Mr. Highland enters the army.

A. S. PUTNEY IS OUT FOR COMMISSIONER

It is two years since the northern end of Nye county was represented in the board of county commissioners and it is due to the desire of the taxpayers in that section that Arthur S. Putney of Manhattan has been induced to allow his name to be used as a candidate for the short term. Mr. Putney made an excellent record in the assembly last term and by his strict attention to public interests satisfied his constituents that he could always be relied on. Mr. Putney is a mining engineer whose services are much in demand by investors. He is also interested in freighting and mining so that he is in a position to bring to the office of county commissioner an experience that will enable him to render good returns to the northern part of the county. Mr. Putney is a Republican who believes in applying business principles to the county administration.

AMUSEMENTS

CHARLIE CHAPLIN AT THE BUTLER TODAY

Charlie Chaplin, the million-dollar comedian, will be seen at the Butler today in one of his funniest two-reel comedies, "The Immigrant." This popular film star is always a big attraction, as the big majority of the public always enjoys a good laugh, and Charlie's pictures are full of them. Kitty Gordon, the internationally famous beauty, will also appear in one of the fastest of morning pictures entitled "The Wasp." Just supposing you were the daughter of a millionaire. And you had hired a new chauffeur who was exceedingly "fresh." And your father wanted you to marry a man you hated, and you decided to run away. And the chauffeur kept getting "fresher" and "fresher." What would you think? What would you do? Grace Culver (Kitty Gordon) took her maid and chauffeur, and drove far, far away. And from this situation develops a most extraordinary train of circumstances involving her father, his big factory and a millionaire from a neighboring city. You'll wonder how it's all going to come out when you see it.

Tomorrow, Carlyle Blackwell and June Elvidge, in "The Social Leper," and Pearl White, in "The House of Hate," Wednesday, Douglas Fairbanks, in "A Modern Musketeer."

TWO POUNDS SUGAR AFTER AUGUST FIRST

H. A. Lemmon, state food administrator, has advised Thomas Lindsay, food controller for this county, that after the first of August the allowance of sugar will be reduced from three to two pounds per capita per month. Grocers have been instructed to scrutinize all orders closely to see that there is no evasion and that the requirements for canning and preserving are complied with.

HARBY R. GRIER FOR JUSTICE OF PEACE

With Harry R. Grier on the Republican ticket as a candidate for the office of justice of the peace in Tonopah township here cannot be any doubt of the result for Harry will command the vote of every patriotic Democrat as well as Republicans. Mr. Grier has been serving as agent of the Tonopah & Tidewater railroad for the past four years and has built up an enviable reputation as a rusler and public spirited citizen.
