BRITISH NEWSPAPERS SPEAK CAUTIOUSLY

(By Associated Press) LONDON, April 25.—Peace conference crisis continues to be the paramount subject of comment by London's morning newspapers. The support they give President Wilson and Italy's views respectively is about evenly divided, but with two or three exceptions, the opinions are expressed cautiously with a manifest desire to show friendliness for both Wilson and Italy and avoid saying anything to hinder speedy restoration of harmony.

FIVE MILLIONS DIED IN INDIA

(By Associated Press) LONDON, April 25.—Almost five million persons died in British India of Spanish influenza and fully a million others are believed to have died in the native states from the same cause, according to a report of the Indian government.

AMERICANS WANT MAKING DANZIG AN OPEN PORT

(By Associated Press) PARIS, April 25.—Reconsideration of Polish claims relative to Danzig has resulted in a decision concerning the future status of that city which goes considerably further toward satisfying Polish demands than has been contemplated.

THOUSAND MILES AIRSHIP LIMIT

(By Associated Press) LONDON, April 25.—British experts seeking to forecast the future possibilities of aircraft, seem to agree that it is the airship of rigid construction, not the airplane, that one must look for the maximum of commercial usefulness.

ITALY ANSWERS WILSON APPEAL

(By Associated Press) PARIS, April 25.—In a statement given out yesterday by Premier Orlando to President Wilson's appeal on the Adriatic question, stress is laid by Orlando upon the question of the propriety of any attempt from outside to set an opposition between the Italian people and their government.

BERLIN IS FOND OF DIVERSION

(By Associated Press) BERLIN, April 25.—German pleasure seekers will be called upon to pay a considerable part of the cost of the war through a special amusement tax which will form an important part of the government's new financial policy.

NEVADA HAS LABOR SHORTAGE

There is a big demand for ranch hands in this section of the country at the present time. There are hardly a day that ranchers are not here looking for men. Crops are now being put in and it is said that at least 200 men can find employment in this section—Winnemucca Star.

RUSH MADE FOR CLAIMS IN THE LUNING DISTRICT

The recent strike made by Ross, Pope and Stake, and the sale of their holdings to the General Mines company, a Reno corporation, for \$400,000, has stimulated mining activity to almost the proportions of a boom in the section to the west of Luning. There has been in the past few days a rush of prospectors and mining men to that section and it is reported that locations have been made for a distance of a mile to a mile and a half in either direction.

HOMESTAKE CALLED TODAY ON SAN FRANCISCO EXCHANGE

The Homestake Divide company of which James McKim is president, was called for the first time in San Francisco this morning opening and holding firm at 25 cents notwithstanding the general slump. Tom Williams took a contract this morning to sink the first 50 feet of the shaft and before that work is finished the hoist and compressor will be on the ground. The management will sink through the caprock before attempting any crosscutting.

P. A. SIMON BUYS THE IMPORTANT PROPERTY

An important mining deal was made this week when P. A. Simon took over the holdings of Paul R. Missimer and W. H. Saunders. The property is located north of the Simon lead mine in the Bell district. The figure paid for the holdings was a considerable size. The property is one of the most valuable in the district and has already developed a big showing of ore of a good grade.

AMERICAN MINISTER QUILTS ROME

(By Associated Press) ROME, April 25.—The Italia says because he was acquainted with President Wilson's views and Italian claims, Thomas Nelson Page, American ambassador to Rome, has offered his resignation.

In February rumors were in circulation that Ambassador Page was to resign. Early in April it was reported from Paris that Page had sent his resignation but there was no official confirmation of this report.

ITALY ANSWERS WILSON APPEAL

(By Associated Press) PARIS, April 25.—In a statement given out yesterday by Premier Orlando to President Wilson's appeal on the Adriatic question, stress is laid by Orlando upon the question of the propriety of any attempt from outside to set an opposition between the Italian people and their government.

NEVADA RAND SHIPS TWO CARS OF SILVER-GOLD ORE

Superintendent William H. Bray has completed preparations for active mining at the Nevada Rand mine in Mineral county and has shipped two cars of silver-gold ore. The first car has been sampled at the Mammoth smelter, Reno, Calif., and assayed for a basis of \$42 per ton. About 60 per cent of the values are in silver and 40 per cent gold, says the Nevada Mining Press.

GERMANS KEEP UP THEIR WAR PROPAGANDA

(By Associated Press) KRETFELD, Germany, March 28.—Belgian military authorities at this point of occupied Belgium, recently freed the German market of a Kretefeld department of six 10,000 marks for selling to German civilians a set of tin soldiers in German "field gray" uniforms overlooking toy soldiers representing troops of the allies.

AUTO BREAKS THROUGH SNOW FROM WESTWOOD

SUSANVILLE, Cal., April 25.—The first automobile to cross the summit between Westwood and Susanville this season was piloted by three youths, Fletcher L. Walker, Jr., Arthur Jensen and Ernie Parrie. The boys made the trip in a light car stripped down to little besides the engine and wheels.

QUARTZ MILL AT ELKO MINE STOLEN

When M. Sholl, president of the White May Mines company, operating near Carlin, Elko county, returned to his mine after an absence of a few days he found that about the only thing left was the tunnel, drifts and ore exposed. The entire quartz mill together with all tools and equipment had been carried away. There wasn't a vestige of anything left in the line of machinery.
