I. W. W. WILL NOT APPEAL CASE

Averill Decision Stands As Bar To Order In the State of Nevada

COAL MINERS RECEDE FROM 5 DAY WEEK

WASHINGTON, Nov. 21.—Bituminous coal operators served what was practically an ultimatum on the coal miners representatives here today, telling that their offer of yesterday of 15 cents per ton and 20 per cent a day wage increase was the utmost they would give. Miners' morning conference failed to reach a conclusion.

SURPRISE FOR THE STATE IN DISPOSING OF LABOR OUTLAWS

The I. W. W. members against whom the restraining order issued by Judge Averill was directed, will not appeal the case to the state supreme court, according to a communication received by Homer Mooney, of counsel for the state in this case. Mr. Scanlon, representing the I. W. W., as attorney, at first advised Mr. Mooney that the case would be appealed, but later gave notice to the contrary.

ARROWHEAD ORE BODIES OCCUR IN THE RHYOLITE

In the reports of activities at Arrowhead yesterday an inadvertence caused it to be stated that the winze was dropped from the 175-foot level when it should have read 190-foot level.

The Arrowhead Cons. Mines company has erected very substantial camps and is about to resume operations at the 75-foot shaft which has a 25-foot drift running in a westerly direction from which point a winze has been sunk for twelve feet which shows a well defined vein 2 feet wide carrying a small percentage of silver sulphides.

The Martin-Kennedy group, now known as the Arrowhead Silver Signal Mines company is devoting considerable attention to surface prospecting prior to arriving at a decision for a shaft location.

Arrowhead Bonanza will continue further surface exploration prior to commencing underground operations. A program of exploration and development is now being arranged in connection with the Arrowhead Anses Mines company.

Capt. Ralph Meyer says: "The geological conditions of the district in brief consist of rhyolite, andesite and dacite flows and rhyolite intrusive dikes. The orebodies seem to occur

SHIPYARDS STRIKE IS A FAILURE

SHIPYARDS STRIKE IS A FAILURE. The I. W. W. members against whom the restraining order issued by Judge Averill was directed, will not appeal the case to the state supreme court, according to a communication received by Homer Mooney, of counsel for the state in this case.

CARRY TREATY INTO EXECUTION

LONDON, Nov. 21.—Andrew Bonar Law, government leader in the house of commons, said today, "Inability of the United States representatives to deposit President Wilson's ratification of the German treaty at the same time those of other powers are filed, will not prevent the remaining allied and associated powers from proceeding to carry the treaty into effect."

CATTLE GOING TO THE WEST

MINA, Nev., Nov. 21.—Although Mina is usually looked upon as a mining center, the fact that it has other claims on the attention of the public is evidenced by the fact that within the last three days, the Southern Pacific railroad has moved seventy-five carloads of sheep from Laws to Mina, and fifty carloads of cattle from Mina to Laws. These shipments are said to be the largest business of this kind in Mineral county for several years past.

SILVER DIVIDE CUTS LEDGE ON THE HANGING WALL

Silver Divide has cut the ledge and is now in twenty-five feet and making ten feet a day. The outlook is said to be very promising and President J. L. Joseph said this morning that he was satisfied with the prospect. The crosscut entered the ledge on the hanging wall.

WAR TIME POWER TO FIX PRICE

WASHINGTON, Nov. 21.—In an effort to meet the situation resulting from the present acute shortage of sugar, President Wilson today revived the war-time power of the federal government over the nation's food supply. In a proclamation the president transferred to Attorney General Palmer the broad authority exercised by Food Administrator Hoover during the war. While it is Palmer's present intention to exercise this authority only so far as sugar is concerned, he is prepared to use it to meet any similar situation affecting other food supplies.

The first act of the department of justice, it is understood, will be the establishment of a price of 12 cents a pound wholesale for all sugar except the Louisiana crop, the price of which already has been fixed at 17 cents. This increase of price is said to be necessary to prevent famine during the early part of next year. Sharp curtailment of sugar consumption by candy and soft drink manufacturers also will be ordered.

MINE RESCUE CLASS PASSES

Mine Rescue Car No. 1, which has been for its permanent station, will remain here another week in order to train another class of men from Divide mines, instead of leaving for Goldfield. Owing to the absence of track in the Divide district the crew of the car leave by auto every morning for the Tonopah Divide mine, taking with them their entire underground equipment. During the week that the car has been in Tonopah it has occupied a position on the siding at the Mizpah shaft, but visitors are invited to call any time between the hours of 8:30 a. m. and 7:30 p. m. at the siding.

The crew attached to the car are: E. D. Gardner, engineer in charge; Rodney E. Cox, foreman; John Casey, miner; Otis Hart, clerk, and a cook.
