AMUSEMENTS

CANNIBAL PICTURE AT THE BUTLER TODAY

A motion picture that has no scenario! Such is "Shipwrecked Among Cannibals," which will be shown at the Butler today in six thrilling reels. Not one of the cast had a minute's direction. Two American cameramen, who were shipwrecked on the coast of Dutch New Guinea, took the scenes as they went along. The results are far more thrilling than if they had used a manufactured plot. What scenario writer or director could write a story as strange as the daily habits of these weird people, whose women disguise themselves for the sake of beauty? In the midst of a tropical storm that almost wrecked their apparatus, these men stood bravely by their camera and while the lightning struck near them and tall palms crashed at their feet, cranked out hundreds of feet of film the like of which never had been equaled. One night they hid themselves in the nearby bushes while the Kia Kia Head Hunters danced upon the moonlit sands in a religious ceremony. It would have meant death by torture, had a rustling leaf betrayed the two white men, but fate was on their side and they were able to take and bring back to America the strangest picture of adventure ever shown. "Shipwrecked Among Cannibals" is not a dry educational picture. It is the actual photographic record of a true and thrilling adventure. Added to the program will be a Prima natural-colored film, "Trout." Tomorrow Robert Warwick and Babe Danvers in "The Fourteenth Man" coming "On With the Dance" watch for announcement.

ROUND MOUNTAIN RALLY TONIGHT

Please see complete list of the Republican rally in Round Mountain this evening. The people of that town have prepared to entertain a record-breaking crowd and are gathering materials for the biggest bonfire that was ever kindled in southern Nevada. It will be built in the center of the camp and will be lighted before the meeting.
 Attorney Hugh Henry Brown of this city will be the principal speaker of the evening and will be followed by a number of the candidates who are planning to attend later sessions will be enjoyed.
 Invitations have been sent to every voter in Smoky Valley, Mustang Valley, Belmont and Manhattan. Among those who will attend from here are H. H. Giles, Mr. and Mrs. W. B. Evans, Mrs. Lida Gilbert, H. H. Davis, Frank B. Miller, Harry McNamara, Ruth Averis, Warren Arnold, W. B. Gibson, Mr. and Mrs. J. G. Thompson, Miss M. E. Shields, Miss Phillips, Mrs. H. H. Brown, Fred Nicola, Stephen Clark, Mrs. Sullivan, Mr. and Mrs. Ray Perry, Red- Ray and W. A. Ray.
 Music for the occasion will be furnished by Bill Young's famous band and orchestra.

THOMPSON FOR DIST. ATTORNEY

J. G. Thompson, the Republican candidate for district attorney, has been engaged in the practice of law in southern Nevada for a number of years and has been connected with some of the most important cases tried in the courts. During the war Mr. Thompson gave up his practice and entered the government service during the eastern states on the interests of the Red Cross, Liberty Loan and other patriotic work. He returned to this city about a year ago and again took up the active practice of law.
 Mr. Thompson has made a household name of Tonopah and the county and from the enthusiasm with which his candidacy has been received, his friends predict his election on November 2.

Massachusetts Adopts New Boxing Regulations

(By Associated Press)
 BOSTON, Mass., Oct. 28.—Boxing is on a new basis in Massachusetts. For the first time in a quarter century professional matches are open to public participation under legal sanction, and it is no longer necessary for a man who wishes to see a bout to first join a club over the meetings of which referees have been the moderators and boxers the only members who had the floor. The familiar announcement in introducing fighters that "both are members of this club" is heard no more.
 The new order of things is the result of a law establishing a state boxing commission, and stipulating some of the conditions under which the sport must be conducted. These provide for 16-round bouts, ten rounds of three minutes each to be conducted by clubs licensed by the commission under bonds of \$5,000. Decisions are given by a referee and two judges, licensed by the commission.
 The members of the board, four days after their appointment, laid down supplementary regulations under which each judge is required to write and sign his decision and the referee decides if they disagree. Under the commission's rules there can be no draw.
 Every person connected with a bout must be licensed—physician, referee, judge, timekeeper, boxer, manager, trainer or second. The physician is required to examine the contestants three hours before the bout and to certify in writing that each boxer is physically fit. Licenses bear a photograph of the boxers, with the idea of preventing impersonations.
 Referees and judges are assigned by the commission to authorize bouts and their identity to promoters, boxers or spectators is not known until they take their place at the ringside. This is a further check against fraudulent collusion. Under the law the commissioners have authority similar to that of city councils to require the testimony of witnesses on all matters within their jurisdiction.
 Women, who have seen bouts in this city previously only in male disguise, are now allowed equal privileges with male followers of the sport, and at the first of the bouts under the new law femininity was sprinkled throughout the arena. Gambling has been prohibited and seconds ordered to desist from objectionable tactics in support of their principals.

WILSON HOPES FOR SUCCESS

(By Associated Press)
 WASHINGTON, D. C., Oct. 29.—President Wilson today wrote Governor Cox expressing his confidence in the Democratic presidential nominee. The president expressed the hope that under Cox's leadership "we will carry the policy of the national government forward along the path of liberal legislation and humane reform until the whole world again sees an illustration of wholesome strength of democracy and the happy fruit of what the founders of the republic proposed when they set this great government up."
 The president said he had followed Cox's course throughout the campaign with admiration and expressed the belief that the governor would receive the emphatic endorsement of the voters.
