## YOUTH IS HELD FOR MURDER OF DOUBLE

(By Associated Press)  
WARSAW, Ind., March 17.—Feeling here is at a high pitch as the result of the authorities' charge that Leroy Lovett was murdered by his friend and "double," Virgil Decker, who is being held in jail. A heavy guard has been posted about the jail.

Curious persons came from miles around late last night and stood about the building, hoping to get a glimpse of the youth.

The authorities charge a plot to collect heavy insurance carried by Decker, but the latter stoutly maintains his innocence. Decker's 16-year-old brother, Arthur, is held as a witness.

## MOTOR LORRIES BOMBED DURING DUBLIN RIOTING

(By Associated Press)  
DUBLIN, March 17.—A number of soldiers riding in a motor lorry were proceeding along a street in the north side of the city last evening when a bomb was thrown at the machine. The soldiers returned the fire, wounding two persons.

Another lorry was bombed and fired upon from windows of houses along Camden street. For the first time since the disorders broke out in Ireland, identification discs were given to the troops last night.

## MILLER MAY BE SUCCESSOR OF ROLAND MORRIS

(By Associated Press)  
WASHINGTON, D. C., March 17.—Hansford S. Miller, consul general at Seoul, Korea, is understood to be among those under consideration for the appointment of ambassador to Japan to succeed Roland S. Morris, who conducted the negotiations here with the Japanese ambassador resulting from the adoption of the California anti-alien land law.

Miller has been in the diplomatic service since 1906, when he became secretary and interpreter to the embassy at Tokio.

## FLYCASTERS WILL MEET AT PORTLAND

(By Associated Press)  
PORTLAND, Ore., March 17.—The international fly and bait casting championship tournament which will be held here September 3 to 5, will be the biggest event of its kind ever held, in number of events and prizes, according to officers of the Multnomah Anglers' club, who have arrangements in charge.

There will be 11 events with at least 15 prizes for each event. Contests will be held at the Sellwood pool in Portland, which has been declared by casters as one of the best in the country.

Entries already made with Jack Herman, secretary of the Multnomah Anglers' club, include many of the best known casters in the country. A total entry list of 150 is expected, according to Herman.

## ANDREW BONAR LAW QUILTS CABINET JOB

(By Associated Press)  
LONDON, March 17.—Andrew Bonar Law, lord of the privy seal, has resigned from the British cabinet. His health is given as the reason.

Mr. Bonar Law also retired from government leadership in the house of commons.

## REFUSAL TO LET TROOPS PARADE IS APPROVED

(By Associated Press)  
WASHINGTON, D. C., March 17.—The action of army and navy officers in refusing to permit American troops to participate in the Evacuation day parade at Boston, of which Irish freedom advocates had charge, was formally approved by President Harding after a conference with Secretary Hughes and Secretary Weeks.

## FARMERS CONSIDER MARKETING METHODS

(By Associated Press)  
CHICAGO, March 17.—Farmers' organizations of the United States today are officially considering the most extensive co-operative marketing plans in the history of the country.

Two well developed projects for handling grain already have been worked out and are now being presented to farmers. If adopted, they will go into effect this summer. Efforts are being made to unite the two farm groups concerned on a single system.

The final ratification meeting for the broader of the plans, which includes the handling of all grain, is set for April 6 here. The other organization, which concerns itself only with wheat, is already signing up members.

The prime movers in the plans are the American Farm Bureau Federation and the Wheat Growers' association of America. Both organizations are developments of the last few years.

## NEVEN TRIAL NEARING END

(By Associated Press)  
RENO, Nev., March 17.—The case of the state against James H. Neven, accused of the murder of Mrs. Etta Hanna, divorced wife of the late David Keith, Utah multimillionaire mining man, is expected to go to the jury tonight or tomorrow morning. The state today began introduction of rebuttal testimony in an effort to impeach the statements of the defendant and his witnesses.

## EDUCATORS INVITED TO PAN-PACIFIC UNION

(By Associated Press)  
HONOLULU, T. H., March 17.—One educator each from Samoa, Tonga, Tahiti and New Zealand is to be invited by the Pan-Pacific union to take part in the Pan-Pacific educational conference which will be held in Honolulu next August. The invitations to the delegates from the South Sea islands are being sent out at the instance of the Hawaiian committee of the union.

Educators from all the countries in and bordering the Pacific are expected to attend the conference in August, invitations to which are under the supervision of the state department at Washington. Matters of common educational interest will be discussed at the conference, such as subjects of common scientific interest which were debated at the Pan-Pacific Scientific congress in Honolulu last year.

## APPOINTMENT OF SPRY IS APPROVED

(By Associated Press)  
WASHINGTON, D. C., March 17.—A recess appointment as commissioner of the general land office was given by President Harding to William S. Spry, former governor of Utah.

## DRUGGISTS MAY DRAW WHISKEY FROM BOND

(By Associated Press)  
WASHINGTON, D. C., March 17.—The ban prohibiting the withdrawal of whiskey from bonded warehouses as it affects retail druggists, will be lifted April 1, under an order issued by Prohibition Commissioner Kramer. The modification of the order stopping withdrawals was not extended to wholesale liquor dealers.

Coincidentally, Kramer announced that wholesale dealers must go out of business about May 15. He said also that plans of the bureau provided for the completion of regulations based on former Attorney General Palmer's opinion as to wholesalers to be effective about the same date.

## BOLSHEVISTS LAUNCH HEAVY ATTACK TODAY

(By Associated Press)  
STOCKHOLM, March 17.—The bolsheviks launched a general attack against Kronstadt at 5 o'clock this morning and notwithstanding the heavy fire of the revolutionary forces succeeded in penetrating Kronstadt, according to refugees in Terioki, Finland, says a dispatch from the latter city timed at noon today.

## CONS. VIRGINIA MAKES RECORD

The Consolidated Virginia mine made a record ore production last week, the largest for a seven-day period since the early days, says the Virginia Chronicle. The mill run, consisting of 771 tons of ore, averaging \$27.46 per ton, and having a gross value of over \$21,000. The greater part of the week's output came from the 2250-foot level stop located in the northeast drift north of the new winze, where 532 tons of ore were produced averaging \$29.40 per ton, and having a gross value of \$15,640. The total shipments for the week consisted of 874 tons, of which 771 tons were milled. Elsewhere in the mine operations continued on the various levels, and with conditions remaining of a very favorable character at all points.

## COSTA RICA CONGRESS REPUDIATES GRANTS

(By Associated Press)  
WASHINGTON, D. C., March 17.—The Costa Rican congress has repudiated the large oil and other concessions granted in June, 1918, to Amory & Sons, through an arrangement entered into between the Costa Rican minister of foreign affairs and the British minister, according to advices received today by the state department here.

## JAP SHIP FIRMS LAY OFF 1000 MEN

(By Associated Press)  
TOKIO, March 17.—Owing to the depression in the shipbuilding industry, the Osaka Iron works has dismissed 1000 out of its 4500 employees and has discontinued the extra allowance of 10 per cent to the remaining employees.

## SOVIETS WILL USE PLANES FOR MAIL

(By Associated Press)  
LONDON, March 17.—A wireless message from Moscow says that "now that the red army has been placed on a peace footing it has been decided to use the whole of the aviation service for postal requirements."

## BOMBARDMENT OF KRONSTADT BY BOLSHEVIKI

(By Associated Press)  
COPENHAGEN, March 17.—Bolshevik batteries on Karelian headland have opened a strong fire upon Kronstadt, says a Helsingfors dispatch to the Berlingske Tidende.

The bombardment caused four extensive fires along the coast toward Petrograd. Warships at Kronstadt participated in the bombardment, the correspondent adds.

## RELATIONS WITH MEX. OPPOSED BY OIL MEN

(By Associated Press)  
GALVESTON, Texas, March 17.—Declaring the Obregon government had failed to protect the life and property of Americans, members of the Association of Producers of Petroleum last night went on record as against recognition of the southern republic until "absolute assurances of protection for American interests is forthcoming."

## ASK REVIEW OF DEBS CASE

(By Associated Press)  
WASHINGTON, D. C., March 17.—President Harding has asked Attorney General Dougherty to review the case of Eugene V. Debs, Socialist presidential candidate in 1920. He is now serving a sentence under the espionage act in Atlanta penitentiary.

## GIANT DIVIDE IS INSPECTED

About 40 mining men and business people of Tonopah today were invited to examine the promising showing in the crosscut on the 450-foot level of the Giant Divide, and all who went underground returned to town highly pleased with the showing on the 15-foot ledge at the end of the crosscut. The management will continue the crosscut through the ledge matter and then start drifting both ways on the ledge, which so far has no footwall. The ledge formation is similar to that of the Tonopah Divide and the Divide Extension ore. Assays are being made from the face and along the 15 feet of vein matter and the returns will not be known until to-morrow.

This large ledge will make into a body of high grade ore, as all low-grade ledges in the Divide district have done. Watch the Giant develop into a producer.

## EXPECTED JURY WILL GET HAMON CASE TODAY

(By Associated Press)  
ARDMORE, Okla., March 17.—The prospect that the case of Clara Smith Hamon, who is charged with the murder of Jake L. Hamon, would reach the jury by 5 o'clock today, was indicated at noon by both the state and defense counsel.

Arguing for the defense, Joe Ben Champion, twin brother of the presiding judge, characterized the defendant as an "innocent country girl who Hamon had educated on the pretext that she was to be his stenographer, but in reality that he might lure her to yield to his physical brutality. Dramatically he declared that could the grave open, Jake Hamon would admit he was more to blame than the girl.

## SEEK SEAMAN FOR SETTING FIRE TO SHIPS

(By Associated Press)  
SAN FRANCISCO, Cal., March 17.—The police here were given the name of a discharged seaman of the Alaska Godfish company, who is suspected of setting fire yesterday to three vessels of the company's fleet in Redwood slough. The man is said by the company to be in this city. The damage to the three vessels is approximately \$25,000.

## ST. PATRICK'S DANCE TONIGHT

The ladies and ladies will hold forth at the Airline tonight, the occasion being the St. Patrick's ball, and the committee which has charge of the affair has left nothing undone to make it the gala event of the season. Excellent music has been secured and everyone will be on hand when the first number is announced. This is no jitney dance, but a good, old-fashioned and up-to-the-minute affair. Light refreshments will be served.

## LEGISLATURE ENDS SESSION TONIGHT

The curtain will fall upon the thirtieth session of the Nevada legislature tonight at midnight and its acts—some good and some bad, but more good than bad—will pass into history. Much good would have been accomplished if the "Old Women's Snuff Chewing engine" and the "Old Ladies' Moral Society," all from the moral city of Reno, had kept away from Carson and had not used up the taxpayers' money by lobbying for the close of this or that redlight district, or making it a felony to chew gum upon or alongside the highways or byways. That "grand and glorious feeling" will not prevail tonight when the gavel of both houses drop for the last time.

## VOTE CONFIDENCE IN GOVERNMENT

(By Associated Press)  
PARIS, March 17.—The chamber of deputies voted confidence in the government and Premier Briand at the end of the debate on reparations decisions reached at London. The vote was 489 to 67.

## TYPHOID FEVER CLAIMS JAPANESE PROFESSOR

(By Associated Press)  
TOKIO, March 17.—Dr. Tsunokita Miyake, professor of the Imperial university and an authority on entomology, died here of typhoid fever.

## HAGENBARTH'S APPOINTMENT IS EXPECTED

(By Associated Press)  
WASHINGTON, D. C., March 17.—The appointment of Frank Hagenbarth, of Salt Lake City, Utah, who is president of the National Wool Growers' association, as a member of the interstate commerce commission, is expected to result from the action of western senators and representatives in requesting President Harding to name a western man.

## ILLINOIS DISMISSES BASE BALL HEARINGS

(By Associated Press)  
CHICAGO, March 17.—The state today dropped its case against all the former Chicago White Sox baseball players indicted for the alleged throwing of the 1919 world's series except "Chick" Gandil. The action was taken after Judge Dever refused to grant a continuance of more than 60 days.

Immediately after this action had been taken, State's Attorney Crowe announced that an attempt would be made to gather new evidence and have new indictments brought against the men.

## FRED ROWE DIED TODAY

At 1:20 p. m. today, Fred Rowe, the well known miner, who had been an inmate of the Mine Operators' hospital for some time, passed from this life to the great beyond. The deceased arrived in Tonopah the latter part of 1901, coming here from Grass Valley, California. He had been employed in the various mines of this district until about a year ago, when ill health caused him to cease active work, and he went to Grass Valley to recuperate his health. Tuberculosis was the cause of his demise.

Mr. Rowe had made many friends during his residence in Tonopah and was classed as one of our foremost citizens, and his death will be keenly felt by all his acquaintances. He was born in Cornwall, England, 53 years ago and came to America in his boyhood. He leaves to mourn his passing a wife, four daughters and a son, all of whom were at his bedside when his spirit took its flight. The daughters are Mrs. Violet Burgess, Mrs. Dan Ambuda, and the Misses Ethel, Dorothy and May Rowe, and the son is Fred Rowe. The sympathy of the community is extended to the sorrowing family.

The funeral will be conducted by the Loyal Order of Moose, of which he was a member. The time of burial has not been set, and notice of the same will appear in tomorrow's Bonanza.

## NIPPON RUNNERS WILL COME TO U. S.

(By Associated Press)  
TOKIO, March 17.—Kiyoji Ikuta, a student of Waseda university, and Rinjiro Deguchi, of Meiji university, two well known marathon runners of Japan, are planning to cross the American continent by foot. The two runners are leaving Yokohama tomorrow by the steamer Korea Maru for the United States.

According to the plan the two boys will start from San Francisco on April 14. They expect to reach New York about July 20, covering an average of about 30 miles each day.

## 2 BURNED TO DEATH IN FIRE AT EL CENTRO

(By Associated Press)  
EL CENTRO, Cal., March 17.—Two men, patients at the Imperial county hospital here, were burned to death in a fire which destroyed the tent house where they were confined for infraction of the hospital rules.

The authorities advanced the theory that the patients themselves had set fire to the tent house with the expectation that they would be released and their former privileges restored. The fire was not discovered, however, until the tent house had been completely destroyed, as it had been surrounded by a steel cage which made it impossible for the men to escape.

## FISH LAKE OIL MAN BACK FROM LOS ANGELES

Uvalde Burns, the Texas oil man, associated with Taylor, Foster & Richardson in promoting the Fish Lake Merger company, came in from Los Angeles this morning with enthusiasm undiminished.

Within two hours after the arrival of Mr. Burns the order was on the wire to start the loading of the drilling outfit.

"Engineers will be on the ground within the next few days," said Mr. Burns, "to select the site for spudding the well. It is our purpose to rush the work with all possible speed. We want the good will of all the citizens of Tonopah and Nevada, and besides we want their help—in other words, we want them to become associated with us in proving to the world that oil exists in Fish Lake and a flowing well is the final outcome. Let's all go together."

## N. Y. CENTRAL ASKS BOARD FOR WAGE CUT

(By Associated Press)  
NEW YORK, March 17.—The New York Central railroad, whose wage revision proposals have been rejected by unskilled labor, has forwarded a petition to the railroad labor board at Chicago, asking that tribunal to make the proposed reductions effective tentatively on April 1.

The optimist is an individual who gets out his mending kit when he finds his plans are all broken up.
