AMUSEMENTS

GRACE DARLING AT THE BUTLER TODAY

"The Discarded Woman" will be shown at the Butler today after a most successful run at one of the big Broadway theatres, New York, where it proved one of the most sensational drawing cards of the year.

The story deals in a big broad way with a phase of life that is all too common in its everyday happening, that of man discarding the woman who has placed her confidence in some man and made every sacrifice for him, only to be put aside as a thing until when he tires of her.

Most women who have suffered at the hands of some brute go through life sorrowing, but not so with Grace Darling, the beautiful star who plays the title role in "The Discarded Woman." She retrieves her loss - but how?

The other attraction on today's bill is Bobby Vernon, Vera Steadman, Helen Darling and the Foibles Girls in a two-reel Christie comedy entitled, "A Home-pan Hero."

Tomorrow, George Walsh in "Dynamite Allen" a picture that is packed with thrilling and sensational situations.

Coming, Cecil B. DeMille's big special production, "Forbidden Fruit" and Halifax Mining companies, was an arrival on today's train from San Francisco.

MR. and MRS. FRANK MEYERS were passengers today for Winnemucca, where they are called as witnesses in a civil case in the district court of Humboldt county.

C. A. BROTHERTON, attendant at the Nevada Hospital for Mental Diseases at Reno, arrived today, and will accompany Fred Carter to that institution, Carter having been declared insane by a commission.

HORACE V. WINCHELL, the noted mining geologist and past president of the American Institute of Mining Engineers, who has been in Tonopah for the past 10 days making underground surveys in one of the leading properties in Tonopah left for the coast this morning.

NOLTING IS GIVEN PHILIPPINE JOB

(By Associated Press)
WASHINGTON, D. C., April 5.—William T. Nolting, of California, was today appointed by President Harding as auditor for the Philippines.

TONOPAH PEOPLE VISIT HORNSILVER

Four of Tonopah's representative citizens made an auto trip to Hornsilver yesterday and on their return last night almost perished from the cold wind and snow blowing upon them. The party consisted of H. R. Grier, Mark Braushaw, H. C. King and C. J. Burke.

DEDICATE BRIDGE

The highway bridge over the Virgin river near Bunkerville, Clark county, has been dedicated. The people of Clark county made it a gala day and exercises were held. The bridge is open for public travel.

OPENS TONIGHT

Visit Butler's Soft Drink Parlor. We serve soft drinks, candies, cigars, tobacco, fruit and tumbles. Located at intersection of Main and Florence avenue, next door to Chiatovich & Beko's old stand.

The old adage that "half a loaf is better than none" does not seem to be in very good favor these days.

NOTICE TO WATER CUSTOMERS

All persons having gardens or lawns and desiring to take advantage of the special rate authorized by the Public Service Commission should make application to the Water Company in writing on or before April 24.

The rate is applicable between April 24 and October 24.

NO INQUEST WAS HELD FOR BARLOW

Sheriff Thomas and Judge Cuddy, who went to Beatty yesterday to inquire into the cause of death of James Barlow, returned last evening. Barlow killed himself by sending a bullet from a .22 calibre rifle into his head and then falling into a reservoir, making sure that death would ensue if the bullet failed to do its work. No inquest was held, as the suicide had written a note telling of his intentions and leaving instructions as to the disposition of his remains and money.

WAITING FOR PRICES

Eastern Nevada exchanges state the wool men of that section are up in the air concerning the price of wool for the recent clip. No buyers have yet put in an appearance and the question of price is all a guess.

STUDEBAKER AGENT LEAVES FOR RENO

Roy C. Craig, local agent for the Studebaker automobile, will leave for Reno tomorrow, where he will take delivery of two cars for Tonopah people. Craig is demonstrating the true worth of the Studebaker car and has several prospective buyers for this noted and much-talked-of automobile. These cars can be seen at the Auto Supply Company garage and a demonstration will be made at any time after Mr. Craig's return from Reno.

MANY LEAVE ELY

Many men and families are leaving Ely. The company will endeavor to find positions for old employees with families. It is believed that all who are footloose will be out of the camp in the next 30 days.

VISITING ELKS

Big initiation and installation of officers of Tonopah lodge will be held Tuesday, April 6th, 8 p. m. You are cordially invited.

NEVADA PEOPLE ARE ALWAYS READY TO TAKE A CHANCE

but they object to betting on a horserace to be run next year. THEY WANT ACTION. That's why they are betting their money on

FISH LAKE MERGER OIL COMPANY

We have guaranteed them action or all bets off. Rome was not built in a day and it takes a little time to erect an 84-foot derrick, set up the big drill and establish a camp, but we are doing this as fast as it is humanly possible.

We are the pioneer company in the field, we have the most promising ground in the field, we have a big standard drill complete with two of the best drillers in the country to run it, and we propose to be the first to bring in the oil.

And remember this --- the stock of the first company to bring in oil will go higher than those that come in later -- ask any old time oil man who has been through an oil boom if this is not true.
