It was a superb contest and despite the fact that the visitors put up a speedy game, it was a hotly fought for their lives. The features of the game yesterday were the slugging of the locals and the twirling of both pitchers. Each struck out 13 men. Johnson caught a tight game for Tonopah and nothing got past him. It was the strongest lineup that Tonopah has had this season. O'Neil allowed but three hits, while Tonopah poured out 14 safe ones.
