HARDING WILSON LETTERS DIFFERENT.

When the President Harding was elected to the White House, the "New Deal" was a term which was used to describe the policy of the new administration. It was a term which was used to describe the policy of the new administration. It was a term which was used to describe the policy of the new administration.

Lois Wilson.

Lois Wilson, a well-known screen star, entered the moving picture field after winning a beauty contest conducted by an Alabama newspaper. She has steadily climbed until today she is playing leading roles in some of the most popular pictures. She is the typical sweet, home-loving type. Before going into pictures she was a school teacher.

"What's in a Name?"

By MILDRED MARSHALL

Take a look at your name. It may mean more than you think. It may mean more than you think.

NATALIE.

NATALIE is another holy name, originally coming from the Latin title of "Our Lady." The word Natalie has furnished the title of the feast to all the Romance portions of Europe.

France made the word Noel from it, meaning Christmas, and soon Noel became a Christian name there. In Italy it appeared as Natale, Spain and Portugal used the name Natalia. There is a feast celebrated on the 8th of September by the Greek church in the festival day of St. Natalia, the devoted wife who attended her husband, St. Adrian, in his martyrdom. He is the same Adrian whose relics lived the Netherlands and whose name is now celebrated in the West where his wife, Natalia, was long neglected. The feast, however, reversed the arrangement and Natalia is popular there, while her husband is forgotten. Natalia was one of the favored Greek Christian names. Russia adopted her and, adding the usual consonants of its language, calls her Natalia, Nataschenka, and Natasch. The first of the three names is extremely popular there today, or until the Bolsheviks came into power and withdrew the attention of etymologists from the study of feminine names.

France is said to have secured Natalie from Russia, though there is record of a Natalie at Cambrai in 1212. England preferred Natalie to any of the other forms, rejecting Natalia as too Latin in its influence. Whether American Natalies are representative of the English, or taken direct from France, is a matter of personal preference.

The pearl of purity is Natalie's talismanic gem. It promises good fortune for its wearer and makes her gentle, kind, and lovable. Thursday is her lucky day and 4 her lucky number.

A THIRD CHOICE.

WHEN by two evils I am faced, I shall not choose the less, But sit me down and wait, out haste, Or any undue press. Just sit there tight until the light Shall lead me to the Road to Right, Assured that though the wait be long, That light will come to rout the wrong. (Copyright)

MILLION FAMILIES MAY LEAVE ENGLAND

(By Associated Press) SYDNEY, Sept 28.—A body known as the "Million Farms Committee" has been formed in Sydney for the purpose of furthering Sir Joseph Carruther's scheme to settle 1,000,000 families from Great Britain on available fertile lands in Australia.

THE GIRL ON THE JOB

How to Succeed—How to Get Ahead—How to Make Good

By JESSIE ROBERTS

TRAINING SALESWOMEN

IT WAS a thriving little store in a small village in New England. I had some hints to get, and she was a real help in finding something, though the stock was necessarily limited. But she had taste and a sense of color and she was interested.

I found that she had graduated this year from high school, and came into the store to earn money during the summer, and that she meant to go to the city and try for the position of saleswoman in one of the big department stores. She asked me when I thought of her success.

I advised her to go to the highest class store of the kind she wished to work for.

"There is a lot of talk with your competitors regarding the store and only applying for the job that is best open to you. When you are ignorant and untrained, but for the job is the better when you have the same qualifications and when you know your possibilities."

There are splendid opportunities for saleswomen everywhere. It is one of the most successful and most profitable vocations. But it is a difficult one with much responsibility and great responsibility and great responsibility. It is a difficult one with much responsibility and great responsibility.

THE DAILY BONANZA

FAMOUS SPRING MAY PASS OUT OF EXISTENCE

(By Associated Press) GETTYSBURG, Pa., Sept 28.—Springer's spring, at which union and confederate soldiers drank together during a lull in the fighting at the close of the second day of the battle of Gettysburg July 2, 1863, may pass out of existence. Typhoid fever germs have been found in the water and the state department of health has condemned it.

The spring is one of the historic spots of the famous battlefield. Here soldiers of the contending armies met, drank together and filled their canteens with water for their wounded comrades when darkness stopped the fighting that had raged steadily throughout the day.
