HOLDING OUR OWN IN EXPORT TRADE.

The American manufacturers have been maintaining a steady export trade in their goods, and this is a source of pride to them. The American manufacturers who have been maintaining a steady export trade in their goods, and this is a source of pride to them. The American manufacturers who have been maintaining a steady export trade in their goods, and this is a source of pride to them.

Friction is evident among the manufacturers in labor circles in the meantime, the ordinary workman who pays the dues to maintain the machinery has found it necessary in many instances to go to the job rather than continue on the job during a series of strikes and unemployment that the federation has fostered.

OIL INDUSTRY RECOVERING.

October 25, the first advance in the price of gasoline since the war, was announced by the Standard Oil company of New York. It is developing the tank wagon trade 1 cent a gallon, making the standard price 25 cents a gallon.

As Italy's business is traveling westward at about the same rate, the standard price in New York, the Standard Oil company of New York, advanced the price of gasoline 2 cents (bringing it to 27c) to 28c a gallon wholesale.

BEING OUR FIFTH ANNIVERSARY
We want to thank the traveling public for their consistent patronage and hope to merit same in the future.
