MANHATTAN FIRE IS TO BE INVESTIGATED

That the fire of yesterday morning at Manhattan, which swept away the greater part of the business section of the town, as well as a number of residences, was of incendiary origin is now generally believed. It has been ascertained that the blaze had its origin in the Kettlehut building occupied by "Slim" Harris as a soft drink emporium, and coupled with the fact that there had not been a fire in the stove for the past four years, and that the electric wires had been disconnected, there is every reason to believe that some arsonist was plying his trade.

LITTLE BOY LOSES HIS PET TERRIER

Anyone who would like to do a good deed for a little boy can do so, providing they know the whereabouts of a fox terrier about 1 1/2 years old who answers to the name of "Bingo." The dog belongs to the young son of Joseph McDermott, Minn. business man, and he disappeared last Tuesday. "Bingo" frequents the young son of Joseph McDermott on trips with his car or truck.

SPANISH BELT MINE RESUMES OPERATIONS

The mill at the Consolidated Spanish Belt Mining company was brought into commission today after an enforced close down of several weeks which was occasioned by the heavy snowstorms of the past. Everything about the premises is in first class condition and activity will manifest itself from this time forward at the seat of operations.

Stock Exchange Closes On Monday and Tuesday

There will be no session of the San Francisco stock exchange either Monday or Tuesday. The brokers on the coast, as well as in Tonopah, will take a vacation, and it is believed that the suspension of business for a short time will redound to the best interest of the mining business. The usual call will be made on next Wednesday.

AMUSEMENTS

"A WIDE OPEN TOWN" WILL BE SHOWN AT BUTLER TODAY

Conway Tearle, in "A Wide Open Town," will be the attraction at the Butler today. Mr. Tearle has developed a big following throughout the entire country through his work in the kind of photoplays of which "A Wide Open Town" is a splendid example. It is a rapidly moving story of the development of a youngster born in the most unmapy environments which point him through exciting incidents until he is made a worthy member of society by his love for a beautiful girl. It is an action picture full of adventure, thrills and romance. The story is of a gentleman gambler, enterprisingly told, beautifully staged and realistically enacted.

Added to the program, a Toonerville two-reel comedy, "The Skipper Strikes It Rich." Tomorrow, Max Linder, the French comedian, in his latest comedy-drama "Seven Years Bad Luck," and Ruth Roland, in "White Eagle."

Monday Gloria Swanson, in "Her Husband's Trademark."

SCHOOL NOTES

The eighth grade took their lunch up to Mr. Brougher yesterday and measured the tanks. They will compute their capacity and as they are exceedingly brilliant workers in this line, they expect their answers to compare exactly with that of the official figures.

The eighth grade is also this week completing the 172 drills in the Palmer method book of writing. They will send their work to the A. M. Palmer company in hopes of being rewarded with diplomas. A few of the high school students are also trying for diplomas, but as all their work must be done outside of school hours, it is hard for them to progress with the final tests coming on.

An assembly was held Thursday, during which it was asked if any of the boys would volunteer to usher at the Butler Friday. No one volunteered so a couple of the Sophomore girls offered to do the ushering.

Yesterday afternoon the high school and eighth grade gathered in the gym to listen to Dr. Clark, president of the University of Nevada who spoke on the advantages of a college education. He said that out of the 400-odd pupils that attended the university last year, 24 represented the Tonopah school and it is expected that Tonopah will be represented by even a greater number next year.

At the sound of the fire alarm next week, the pupils of the school will march out for the "fire drill." Certain pupils will be assigned certain tasks and it is hoped the assignments will be conducted in an orderly manner. The pupils will remain in their ranks after they have marched out unless told otherwise.

Don't forget the dance to be given at Eagles hall Saturday night. Five-piece orchestra with "Bill" Logan manipulating the violin, and "Dutch" Helmick at the ivories. You're going, of course. M26-2t
