BABE RUTH ORDERED FIRED THREE DAYS

CHICAGO, Ill., June 20.—Babe Ruth, of the New York Americans, received his third layoff of the season today when President Ben Johnson, of the American league, suspended him for arguments in yesterday's game at Cleveland with Umpire Doherty. He was suspended for three days.

MILLING PLANT AT CANDELARIA ABOUT FINISHED

Treatment of Ore Will Probably Start Some Time During Coming Month

Manuel Engineer E. W. Kautz of Candelaria reports that the 100-ton cyanide plant will be ready for operation in July with construction progress proceeding rapidly. All the machinery in the course of the plant except the electric drive motors has been installed. The last of the heavy equipment is arriving at the mill site. Sulphur tanks are being installed. Electric transmission line (treatment) is all on the ground.

Underground work is now being pushed rapidly to prepare the big mines for steady mill production. Timbering is being repaired and ore chutes and pockets are being installed. Track and compressed air pipe lines are being laid in the main haulage ways. A force of men is building the surface tramway that will convey ore from the Lucky Hill mine to the main ore passes, whence it goes to the mill bins by gravity.

C. A. Bennett, until recently superintendent of Rochester Silver Corporation properties, who has established an excellent record for operating efficiency, has been made general mine superintendent for the Candelaria company. J. A. Burgess, the eminent geologist, is now completing the mapping of the geology of the Candelaria mines. He is devoting particular attention to the Northern Belle section.

LIBERAL USE PAINT IS USED BY TOWN

All the fire hydrants in Tonopah are being given coats of paint, the top and lower being yellow and the center red. This action was decided upon that the fire department might more easily spot the hydrants in case of an alarm of fire being turned in.

The city hall front has also been given a coat of paint, yellow being the predominant color. This work has been performed by the firemen during their spare moments, and adds greatly to the appearance of the premises.

ANN MARTIN IS NOT CANDIDATE THIS YEAR

LONDON, June 20.—Miss Anne Martin, twice candidate for United States senator from Nevada, declined at a dinner in the Lyceum club last evening to be not to enter the present Nevada race. Lady Rhonda, unsuccessful contestant for a seat in the house of lords, presided at the dinner.

FAST AUTOMOBILE TRIP FROM SOUTHERN CITY

Mr. and Mrs. James Rumsey, accompanied by Mrs. A. M. Hallihan, arrived in Tonopah this afternoon from Van Nuys, Calif., having left there upon receipt of word that Mrs. Ed Prout had died. They will leave here Thursday morning with other relatives of the family who will accompany the remains to Reno where interment will take place. The journey from Los Angeles to Tonopah was made in 23 hours despite the fact that three punctures occurred.

POSTPONEMENT SHIP SUBSIDY BILL APPROVED

Clarding Abandons Proposed Trip to Alaska Owing Great Press of Business

BONUS BILL IS SIDETRACKED

Thirty Thousand Germans and Austrians Will Get Return of Property Soon

WASHINGTON, D. C., June 20.—President Harding has given "informal sanction" to republican name-leaders for the postponement of the ship subsidy for consideration for approximately one month. It was said at the White house today.

The president's tentative projected trip to Alaska this summer has been abandoned. It was announced at the White house today. The president said he regretted greatly but he saw no possibility of leaving Washington under prevailing conditions of public business.

The president is considering the matter of decreasing second class postal rates it was said today at the White house.

Efforts to get the soldier bonus bill before the senate failed, the senate adopting 51 to 22 the motion by Watson of Indiana to table the bill by vote of Massachusetts to displace the tariff bill with the bonus measure. Legislation is being prepared with the president's sanction, to return to approximately 10,000 German and Austrian property taken over during the war by the alien property custodian in amounts of \$19,000 or less.

FATHER OF TONOPAH VISITING DISTRICT

James L. "Jim" Butler, father of Tonopah, was in town yesterday and received a royal greeting from his legion of friends. Mr. Butler now makes his home on a ranch at Big Pine. This is the first time that Mr. Butler has paid Tonopah a visit in several years. He is looking hale and hearty and noted with pleasure the great mining activity that is manifesting itself in this section.

Mrs. Butler who has been ill at Sacramento, and who is now convalescent, may permit Mr. Butler remaining in Tonopah until after the Fourth of July celebration and in this even he will be the guest of honor at the natal day entertainment.

DEAL FOR MUSCLE SHOALS ATTACKED

WASHINGTON, D. C., June 20.—Henry Ford's offer to purchase or lease the government power in the Muscle Shoals project, was today attacked in a report to the house, prepared by Representative Kerns of Ohio, and signed by several other republican members of the house military committee. The report announced the signers were determined to tell the "people the real facts about Muscle Shoals and the so-called Ford offer."

BODY TAKEN FROM THE QUARTET MINE

LAS VEGAS, Nev., June 20.—The body of Charles M. White was found huddled in the bottom of a shaft at the Quartet mine at Searchlight, Nev., and brought to the surface, being the second body recovered from the mine in which fire was discovered last Friday. The body, covered with 500 feet of cable was badly burned and fell from the 600 to the 500 level.

JULY FOURTH ENTERTAINMENT IS COMPLETED

Program Will Be of High Patriotic Order and Many Visitors are Assured

The Fourth of July celebration to be held in Tonopah this year will prove one of the best entertainments ever staged in southern Nevada and it is evident that this town will be the mecca for a great array of visitors who will join with our citizens in observing the natal day of our country in a manner befitting the occasion.

The program as tentatively arranged yesterday by the entertainment committee will keep everybody busy from early morning until late at night, and is varied in the extreme, assuring entertainment for old and young and middle-aged. As arranged the program is as follows:

- 9:00 a. m.—Free movies for the children and mothers.
- 11:00 a. m.—Grand prize parade. Open to all.
- 11:45 a. m.—A patriotic address. Speaker to be selected.
- 12:30 p. m.—Children's games on Main street.
- 1:30 p. m.—Toss of war under direction of E. M. Kirchen.
- 1:50 p. m.—Musking contest to continue to finish.
- 1:30 p. m.—Horse racing. Open to all ages.
- 2:30 p. m.—Ball game opens at Victor park ground.
- 7:00 p. m.—Mardi gras parade with prizes.

Outside towns will be represented at the celebration, the executive committee having selected the following aides:

MEXICO CITY STRIKE LOSES ITS IMPACT

Striking Employees of Tramway Company Agree to Return to Their Work

CONDITIONS AGAIN NORMAL

President Obregon Intervened and Quickly Brought Order Out of Chaos

MEXICO CITY, June 20.—An agreement between the striking employees and the Mexico City Tramway company has been reached following intervention by President Obregon and immediate resumption of street car service is expected. Telephone workers have gradually returned to work as well as bakers, and the movement which has crippled the capital for several days, has lost impetus.

GREAT SEIZURE OF BOOZE MADE NEAR MONTEREY

Fifteen Automobiles Captured After Securing Liquor from a Small Steamer

MONTEREY, June 20.—Fifteen automobiles loaded with liquor and eight men in charge were captured today by revenue officers near Point Lobos, after a fight in which 100 shots were fired. None of the revenue men were injured. The captured men are being taken to San Francisco. The liquor was landed from a small steamer which had been hovering off the coast during the night. The steamer put out to sea immediately after landing its cargo. Revenue officers of San Francisco have been notified and it is thought a coast guard cutter will be sent in pursuit.

STARTS ASSESSMENT WORK ON PROPERTY

John Manion, who is interested in a tungsten property at McKay City, 41 miles north of Tonopah, accompanied by his wife and Walter Fuller, left this morning for that place. STRIKE ALMOST CERTAIN, SAY LABOR LEADERS

If Referendum So Declares Men Will Be Called Out By First of July

CHICAGO, Ill., June 20.—Formal reply to the communication of the leaders of the ten railway unions who informed the railroad labor board that a railroad strike will be authorized if the present referendum favors the suspension of work is being prepared by the board. It was learned today in the meantime union headquarters are spending up the strike vote.

TONOPAH EXTENSION SENDS OUT BULLION

The Tonopah Extension Mining company made its semi-monthly shipment of bullion yesterday evening the first 15 days of June, which was well within keeping of previous shipments. The shipment consisted of 22 bars, weighing 60,400 ounces and having a value of \$68,000. The production will no doubt be increased from time to time in view of the fact that great reserves of ore are now exposed on the lower level of the Victor shaft workings.

PAINTER DISAPPEARS AND FRIENDS WORRIED

Much concern is felt over the mysterious disappearance of Fred Adams, who was employed as a painter for the last several weeks by Joseph Davidson. Adams was engaged to paint the steps of the Miller theater last Saturday night, following the last show and after placing his paint and brushes in the office, and asking that the door be left unlocked departed up town. His father did not see him until Sunday morning. He remarked at that time he thought he would leave town and when asked where he was going stated he was going to walk out but had not decided what direction he would go.

Adams was a splendid workman according to Mr. Davidson, and was a steady going fellow. He came here from Ely where he had resided a long time. He was a former service man and was gassed during the war. No trace of the man has been discovered since early Sunday morning.

SOUTHERN PACIFIC DISSOLUTION MYTH

SAN FRANCISCO, Calif., June 20.—Separation of the Southern Pacific and Central Pacific systems under the recent antitrust decision of the United States supreme court "would be a mere makeshift," President Spruille of the Southern Pacific said today in commenting on the situation.

It was the expressed fear of the Union Pacific that the Central Pacific would fall into unfriendly hands and that the good relations of the Union and Southern Pacific systems would be jeopardized through the necessity of the latter system to affiliate with the Rock Island or some other line, was also answered by Spruille with the statement that his company desires nothing more than the maintenance of the present merger and relations.

BOMBARDMENT SUN YAT SEN NOW SERIOUS

Jacob Gould Schurman Appeals Rear Admiral Strauss to Rush Protection

GUNBOATS LIKELY PROCEED

Protest Has Been Made to Sun Yat Sen Against Indiscriminate Firing

PEKING, June 20.—Three American buildings in Canton were struck by shells during Sunday's bombardment of the city by the gunboats of Sun Yat Sen. South China leader, who has been trying vainly to reorganize his stronghold. Jacob Gould Schurman, American minister, has repeatedly asked Rear Admiral Strauss to rush protection to Canton and American gunboats are expected to proceed there.

Word that Americans in Canton were endangered was received at the American mission from the American consul at Canton. The extent of the damage to American property was not stated. The consul had protested to Sun Yat Sen against indiscriminate firing along the Bund and the unhampered way on the water front.

POSSE IN SEARCH OF AUTO BANDIT

Yuba and Butte counties have a posse in the field near Marysville hunting for a man with a revolver who last night compelled Christian Haines to drive him from Doolans, 12 miles east of Marysville, to the Seven Mile house near Marysville, where Haines' car was out of gasoline. Then the man compelled Herman Schwab, who approached to reconstitute his machine. The bandit then jumped into the car and drove away. The car, after pursuit, was wrecked in a ditch between Dravills and Marysville and the bandit escaped.
