

GOLDFIELD BOY NOW FULL-FLEDGED LAWYER

Byron Alan, graduate of the Goldfield high school and the University of Michigan, was one of 95 embryo lawyers to be admitted to practice in California following examinations in San Francisco on Friday. The young lawyers were welcomed to the profession by William Howard Taft, chief justice of the United States supreme court, who was in the Bay city to attend the convention of the American Bar association. The ex-aminations this year were memorable because of the presence of the legal fraternity in the United States, Byron Alan is the son of Mrs. J. S. Alan of Goldfield. Following his graduation from the high school there he attended the University of Michigan for six years, obtaining exceptionally thorough training for his profession. One of the best students ever turned out of the Goldfield high, he is considered to have exceptional natural ability in law, and those who have watched his career to date predict for him a brilliant career.

The Andersons have been residents of Tonopah since 1913.
