HORSE RACING WITH RUSSIANS GROWS POPULAR

Reminds One of Days When Tea Drinking Was Great Fad in That Country

MOSCOW, Sept. 13.—Horse racing in Russia nearly as popular in the old days as tea drinking, is slowly growing back.

There are so many race followers in Russia that keep during the world war it went on about as usual. Not until the revolution came when the country was almost turned inside out.

The government conducts the sport, the commercial system of betting, the concessions at the tracks, and everything in general, and the army helps to keep things going in orderly fashion.

All the profits of the government announced at the beginning, as to ward a fund for the relief of suffering in the famine districts.

The track itself is as good as ever, but the black-jack grandstand is all sun down at the back like so much of Russia.

The women as a rule are fairly well dressed, as fashions go today in Russia. But none are fat—only a few are even plump.

The millinery has a suggestion of smartness at a distance. There are still some Parisian styles in Moscow, copied from the books on modes.

With the aid of the light summer evenings up here in the north the races, which are made up of 18 or 20 events, begin at 4 or 5 o'clock, and often it is nearly 9 before the last contest has been run off.

NEEDLES SCENE MUCH DISORDER RESULT STRIKE

NEEDLES, Calif., Sept. 14.—Reports that Sheriff Shay has sent to Sacramento regarding martial law and troops resulted in assertions of strike leaders that such action was unnecessary, as the town is absolutely quiet and the anti-strike injunction is being obeyed to the letter.

LOS ANGELES, Sept. 14.—W. P. Brewer of the Santa Fe said no disturbances were reported from Needles. He added, however, he believed quiet was due to the presence of deputies.

LOS ANGELES, Sept. 14.—Arnold L. Phillips, husband of Clara Phillips, the hammer murderess, will be required to testify for the prosecution on Monday, it was announced by Doran Rumors.

INDIANAPOLIS, Sept. 14.—Comptroller Crissinger, addressing the bankers' association, in answering queries that the United States failed to do its share in the world war, said we sent \$22,000,000,000 abroad in the last eight years and that this is the proper time to refer to the banks' participation in sustaining the stabilizing of business of the world.

DIVORCE IS GRANTED In the district court yesterday Nancy Lee Franklin was granted an absolute divorce from Charles William Franklin upon the ground of non-support.

W. WING, CHINESE, ASKS VERDICT AGAINST PAPER Suit for damages has been filed in the district court of Washoe county and the summons was served yesterday on behalf of H. Wing, Chinese, against the Reno Evening Gazette company for the publication of a news article on April 5, 1922, in which the police were credited with saying that Wing had served a term in state's prison and was a leader of the Chinese underworld.
