NEVADA LEGISLATURE. SEVENTH SESSION.

Senate—Ninth Day.

CARSON CITY, January 12, 1875. MORNING SESSION.

Senate met pursuant to adjournment, President pro tem. Stevenson, in the chair.

Roll call—23 members present.

MOTIONS AND RESOLUTIONS.

By Davenport, of Lyon:

That all papers in contested election cases, now laid temporarily on the table, be taken up and referred to the Committee on Elections.

By Thompson, of Washoe:

Instructing our Senators and Representatives to repair to the National Capitol without further delay, and instructing the Secretary of State to forward to said representatives a copy of this resolution.

Mr. McClinton had no objection to voting for the resolution, but did not see how the resolution could reach them, as their whereabouts were at present unknown.

Thompson said part of them were in Carson, part in Virginia, and the other part in San Francisco, and that as we needed some one at Washington to represent the State, if these gentlemen could not spare the time to go to the Capital they should resign and let some one else go.

Varian opposed the resolution on the grounds that Senator Jones was now on the way to Washington and was only detained by important business.

Thompson sympathized with Senator Jones, and thought his name should be omitted.

Edwards moved an indefinite postponement. Carried by 15 ayes, 10 noes.

By Thompson, of Washoe:

Appointing a committee of 3 to ascertain the number of rooms in the Capitol that could be obtained for committee purposes. Carried.

Thompson, Garrard, and Chubbuck, were appointed as such committee.

MESSAGES FROM THE ASSEMBLY.

Assembly Joint Resolution No. 2, relative to the apportionment of the representation of the State, restricting the number of Senators to 16 and Assemblymen to 32, and appointing a committee of three Senators and four Assemblymen to make such appointment on the basis of the returns of 1870. Said committee is to be appointed by the presiding officers of each House. Adopted—29 to 5.

INTRODUCTION OF BILLS.

By Mr. Cohen, of Elko: An Act amending Civil Practice Act, requiring immediate return of summons of parties in civil suits. Referred to Judiciary Committee.

By Mr. Cohen, of Elko: A bill relative to 3-card monte, thieves, confidence games, etc. Referred to Judiciary Committee.

REPORTS.

Reports of the State Treasurer, Surveyor-General and State Controller were received and appropriately referred to.

The hour of 12 having arrived, the time required by Congress to ballot for United States Senator, Mr. McClinton moved that the Secretary be ordered to read the Act in relation thereto. After the reading of which Mr. Edwards of Ormsby nominated Mr. Wm. Sharon, saying that he was the choice of the people; his interests were identified with those of the State and people, and that in serving one he would be but serving the other.

Senator Walter, of Nye, seconded the nomination with a feeling of pride and gratification, and complimented the Republican party and the people at large on their excellent choice of one so competent and faithful as Mr. Sharon would prove himself to be.

Mr. Ross, Independent, of Washoe, arose, and said he wished to make a motion in reference to the election of a United States Senator, which he believed to be in order at this time. He said the constitution of the State required a person to be a citizen of the State he offered to represent, before being elected to such a position, and accordingly offered a resolution, in effect, instructing the Judiciary Committee to ascertain whether or not Mr. Sharon is a citizen of this State.

Mr. McClinton moved that the resolution be indefinitely postponed.

Mr. Thompson thought the matter should be definitely settled, and hoped it would be at once, and had no objection to the matter being referred.

Mr. Ross said we did not wish to go to the expense of contesting the matter at Washington, but would do it here.

Mr. Lockwood, of Ormsby, said the cry had been raised during the campaign and used for electioneering purposes, and that if the matter were referred it would be to those men who were elected by the people on the very issue of voting for Mr. Sharon.

The resolution was indefinitely postponed by a vote of 16 to 9.

Mr. Cassidy, of Eureka, then placed in nomination the Hon. H. K. Mitchell.

Mr. Cohn, of Elko, seconded the nomination, saying that Mr. Mitchell was a gentleman of high culture; at the head of the legal profession, fully identified with the interests of the people; a true man, and a faithful exponent of the principles of the party to which he belonged.

Mr. Ross, Independent, of Washoe, then nominated Hon. T. P. Hawley, Chief Justice of Nevada. The nomination was not seconded.

President (pro tem.) Stevenson, then arose and spoke from the President's stand, as follows: "It has been my ambition for years to place in nomination a warm friend for the honorable position of U. S. Senator. I say this in no disparagement of the gentlemen for whom I shall vote, for I know he respects the men who value and stand by their friends. But my friend DeLong is not a candidate here to-day. The wishes of the Republican party have been fairly made known, and the person for whom I shall vote has received the endorsement of the party as expressed at the last election. He needs no eulogy at my hands. He has earned a reputation among the business men of our country second to none. His word is his bond. The people have spoken, and his friends have faith in his fidelity of purpose, and believe he will faithfully represent its interests of the people of Nevada. Having a personal acquaintance of years, I can pledge you, in the name of the people of the county I have the honor in part to represent, William Sharon for U. S. Senator."

The nominations were declared closed; the roll call ordered with the following result:

Sharon—17. Mitchell—7. Hawley—1.

The result being declared, the Senate adjourned on motion of Mr. Cassidy.

ASSEMBLY.

The Assembly met at 11 a. m., Speaker Dorey in the Chair. Roll called—quorum present.

REPORTS OF STANDING COMMITTEES.

From Committee on Ways and Means: Adversely on proposed amendment to law fixing number and salaries of officers and attaches of the Legislature.

Committee on Public Morals: Favorably on bill prohibiting the playing of three-card monte and other thieving games.

Mr. Jones of the Committee on Elections asked further time to report on the Churchill contested case. Granted.

Mr. Wren of Eureka, introduced a resolution that the Assembly proceed to vote for U. S. Senator at 12 m. Adopted.

Mr. Beck, Independent of Washoe, introduced the following resolution:

Resolved, That it is the sense of this House that the Legislature has the right to regulate the fares and freights of railroads in this State. Adopted.

Senate concurrent resolution relative to citizenship was received and read.

NOTICES OF BILLS.

By Tunc of Esmeralda: Bill establishing the standard of weights and measures.

By Penrod of Elko: Legalizing Elko county bonds, issued for construction of the University building.

The bill amending the law creating the office of State Printer, by increasing the usual number of copies ordered printed, was read a second time and referred to the Printing Committee.

INTRODUCTION OF BILLS.

By E. R. Smith of Storey: Bill requiring railroads in this State to fence their roads within 6 months, under penalty of paying owners of animals for damages sustained.

By Johnson of Douglas: Bill granting right of way to J. R. Johnson and John B. Bradley to construct a street railroad from Carson City to the Warm Springs Hotel. Rules suspended, read a second time, and referred to the Committee on Corporations.

A recess was then taken until 11:15.

AFTER RECESS.

Nichols of Douglas, nominated William Sharon, saying he was a fit and proper person to represent the State in our National Council; that the trust was great but that Mr. Sharon would do honor to the State in that capacity; that the attention of the Pacific Coast, in fact, of the entire Republic, was now fixed upon this body to see that it maintained the fair fame of Nevada—one of the stars in the great constellation in this Republic; that Mr. Sharon had advanced the interest of our commonwealth more than any other man in the State. He called upon the Republicans to stand firm to their trust.

Mr. Wren of Eureka seconded the nomination and said: Mr. Sharon is one of our oldest residents, thoroughly identified with our interests and conversant with our wants; a tried business man; a man of industrious and correct habits. He cannot fail to fairly represent our interests at the National Capital. Mr. Sharon is a man who would

seek an honorable name among the Nations representatives, and would make an efficient representative.

Van Hagan of Lincoln then placed in nomination the Hon. Henry K. Mitchell. It was seconded by Dow of Elko, who said Mr. Mitchell was absolutely and unqualifiedly a citizen of the State; that he had pride enough for the State to select one of her own citizens for that honorable position, and not resort to California for one to fill it; that Mr. Mitchell had been long and favorably known in this State; that he was possessed of high legal ability and social qualities, which have endeared him to the hearts of all who know him; and that during the dark and stormy days of this Republic, Mr. Mitchell avoided the extremes of both North and South and asked only that the Constitution should be the guide for both. [These remarks were received with loud applause.]

Mr. Wren then asked if Mr. Sharon was not also a citizen of the State?

Mr. Dow replied that he defied proof; and that it was only three months ago, since the marriage of Mr. Sharon's daughter in San Francisco, at his palatial residence on Sutter street.

Mr. Wren replied, defying Mr. Dow to show that Mr. Sharon was not a citizen; contending that Mr. Sharon had once been a bona fide resident of Nevada, and that he had never lost his domicile therein, and had never declared his intention to reside elsewhere.

Mr. Beck (Independent) of Washoe, then spoke at length, to about the same effect as Mr. Dow of Elko, and read a clause from the Constitution relative to citizenship and qualifications.

Mr. Hagan of Washoe, also made a few remarks to the same effect.

Mr. Dow moved to adjourn, calling for the ayes and noes, which was lost by 18 to 30.

Mr. Beck of Washoe, introduced a resolution requesting the Judiciary Committee to ascertain and report upon the residence of Mr. Sharon.

Mr. Franks of Elko, said this opposition was only gotten up for delay and buncombe. [Applause.]

The resolution was lost by a vote 18 to 32.

Hogan of Washoe, then nominated Thos. P. Hawley. Seconded by Mr. Alt of Washoe.

The nominations were then declared closed, the roll call ordered with the following result:

Sharon—32. Mitchell—14. Hawley—3.

Mr. McGee of Nye, Democrat, was absent on leave.

Mr. Dow then read a telegram from Mr. Mitchell, thanking the Democracy for the complimentary vote.

On motion of Mr. Wren the House resolved to go into Joint Convention tomorrow at 12 m. to canvass the vote of both Houses for U. S. Senator.

On motion of Mr. Nichols the House adjourned.

WHERE there are so many distinguished fellow men constantly close at hand as there are now in Carson, it is not to be expected that we keep up with unabated rigor that delightful, immemorial custom so dear to the reporter's heart, the "Personal" item. Just as, during great convulsions of nature or nations, as during devastating floods and in a time of war we break in upon our regular custom of attending to the barber shop or going to church, so when we are in the midst of the throes of a commotion like unto the Senatorial election now about to be consummated, and when the voice of the Alkalied Solon is heard awakening the echoes where dwells the ghosts of the voices of the mighty dead &c., &c., &c., what can John Doe expect? What business has he with a "personal notice," we'd like to know. He won't get one, anyhow.

A NOTHER set in yesterday about noon, and great was the change in the weather. There will be much blowing of noses and other signs of "colds" exhibited to-day.
