IN MEMORIAM.

Mrs. Purmih Chase, whose funeral takes place to-day at 2 o'clock from the Presbyterian Church, was well known in Western Nevada, having been a resident of Virginia City in the earliest days of the town's existence.

Here lies the soulless clod; The sun eternal breaks; She now immortal wakes - Wakes with her God.

COL. SELLERS.

John Raymond is not quite a lily—he is more like a century plant or the eucalyptus—but it would be painting the lily to waste any time here praising his delightful impersonation of "Col. Sellers."

OUR soldier boys have been getting a new iron target made at the railroad shops. Get ready for the spring campaign, we suspect.

THE FUNERAL which took place in our little city yesterday was that of a Mexican woman, whose sad traillies perished with her.

G. W. GREEN will find a message at the Western Union Telegraph office.

MOTIONS AND RESOLUTIONS.

By Martin: Resolved, That the heartfelt thanks of the State of Nevada be and are hereby tendered by their Representatives in the Legislature to the Hon. A. A. Sargent, who so earnestly and ably advocated in the United States Senate the passage of the anti-Chinese bill; and to whose eminent ability and eloquence in a great measure is due the passage of said Act, to which the people of the entire Pacific Coast look for relief from the hordes of barbarous serfs, whose insidious progress has endangered the morals and retarded the industrial and manufacturing interests of the West; and that the Governor be directed to transmit a copy of the foregoing to the Hon. A. A. Sargent.

Mr. Cassidy moved to amend so as to include "all others who co-operated with him in either House."

Amendment agreed to and resolution adopted by unanimous vote.

Stone moved the reconsideration of the vote whereby Senate bill 105—the repeal of the Drummer Law—was refused engrossment. Carried.

Cassidy moved that the vote by which the Homestead bill passed be reconsidered. Carried.

Stone moved that Senate bill 66, relative to public schools be taken from the table. Carried.

MESSAGES FROM THE ASSEMBLY.

Transmitting several bills upon which action has been taken in that body and duly reported.

BILLS INTRODUCED.

By Cassidy, without notice—To detect and punish incendiarism. Referred to Judiciary Committee and ordered printed.

Harlow's Assembly bill 84—To amend the Act concerning vagrants. Referred to Committee on Public Morals.

Stewart, from Committee on Education, reported, out of order, Assembly bill 21, favorably, with amendments, relative to Public schools.

On motion of Stewart the bill was taken up for consideration and the amendments adopted.

On motion of Cassidy recess was taken until 2 P. M.

AFTERNOON SESSION.

Reconvened at 2 P. M. President presiding.

Martin presented a report from the Committee on Engrossment that several bills so ordered were correctly engrossed.

Special order of the day, viz: the Governor's veto of Senate bill 3, relative to the construction of a railroad in Elko County, taken up for consideration. His Excellency's objection was that the bill was unconstitutional in its provisions.

Boardman believed in sustaining the veto on the ground that the bill provided for special legislation, which he thought the State ought to deny to all corporations at once and for all time.

Stone was in favor of the bill and did not think it unconstitutional.

Cassidy thought that the question of unconstitutionality was a hair-splitting one at best. He claimed that practically it was not unconstitutional.

Farrell stated that the Act did not incorporate but only gave them the liberty to incorporate under the existing statute.

Meder stated that the Act by which the V. and T. R. R. was incorporated was passed over the Governor's veto.

The veto was sustained by a vote of yeas 13, nays 11.

GENERAL FILE.

Hanna's Assembly bill—Relative to the employment of Chinese labor on public works. Amended so as to effect all corporations.

Mr. Westerfield moved it be made the special order for Saturday at 1 P. M. Lost.

Amendment adopted by vote of yeas 15, nays 7.

Powning moved to recommit to committee of one for the purpose of inserting the following preamble:

Whereas, The Republican party has always been the friend of free labor and has done more to check and prevent the immigration of Chinese to this country and prevent servile labor from competing with white labor, through Senator Sargent than any other political party in the United States.

Seconded by Farrell. The chair ignored the motion and no action was taken by the Senate.

Smith's (of Eureka) Assembly bill—To regulate the measurement of charcoal.

On motion of Cassidy recommitted to Committee on Ways and Means.

Stewart's Senate bill 108—To prevent the spread of contagious diseases by disinterment of human remains. Considered engrossed and passed by vote of yeas 21, nays 2.

Cassidy's Senate bill 109—To prohibit the Controller from issuing his warrants in certain cases. [Provides against the payment of salaries of clerks appointed by Boards connected with the State Government, except such clerkships as are created by law with salaries fixed thereto.] Considered engrossed and passed by unanimous vote. Adjourned at 3:32 P. M.

Assembly—Forty-Third Day.

Convened at 11 A. M. Speaker Gaston in the chair.

Prayer by Rev. Mr. McLain.

REPORTS OF COMMITTEES.

By Allen, from Judiciary Committee—Unfavorably Assembly bill 65, to amend the Civil Practice Act; also, unfavorably Assembly bill 98, to amend Civil Practice Act.

By Smith (of Eureka)—Favorably the Elko Indian War Claims bill.

By Morrison and Crawford—a majority from Humboldt Delegation—Unfavorably on the passage of the J. F. Able relief bill, and from Melarkey as a minority in favor of its passage.

MOTIONS AND RESOLUTIONS.

Allen of Lincoln moved to take up his resolution which proposed to fix the time of daily meeting at 10 o'clock A. M. hereafter which was laid over under the rules. Adopted.

By Speaker Gaston—WHEREAS telegraphic dispatches from Washington intimate that the President will veto the Chinese anti-immigration bill; and whereas such veto would prove a great calamity to the Pacific States and Territories, therefore,

Resolved, That the President be telegraphed by the Legislature through the Governor requesting him not to oppose the bill in order that it may become a protection to the people of this Pacific Coast against the burdens of this great and overshadowing evil. Passed unanimously.

By Shakespeare—By the Senate and Assembly jointly that the thanks of the people be extended to the Senators and Members of Congress who voted, for their action on the bill which proposes to prevent to a certain extent Chinese immigration to this country, and that the Governor be instructed to transmit a copy of the resolution to each member who voted for the same, passed unanimously.

By Mayhugh—A joint resolution requesting Congress to propose an amendment to the United States Constitution, providing for the election of U. S. Senators by the people direct instead of by the Legislature. Referred to Committee on Federal Relations. Recessed for one hour.

AFTERNOON SESSION.

Reconvened at 1 P. M., the Speaker in the Chair.

NOTICE OF BILLS.

By Mayhugh—To regulate the rates of fares and freights on railroads.

BILLS INTRODUCED.

By Mayhugh—To provide for the election of a Warden for the States Prison by the people in 1880. Referred to Committee on State Institutions.

Senate bill 80, to allow aliens to acquire property in this State, except the Chinese. Referred to Judiciary Committee.

Senate resolution, thanking Hon. A. A. Sargent and the others for the passage of the anti-Chinese bill. Passed.

Senate bill 108, relative to the will of John Larcombe. Referred to Judiciary Committee.

Substitute for Senate bill 10, to authorize the issue of bonds for building of Court House in Eureka County. Referred to Eureka Delegation.

Senate bill in relation to special taxes. [Fixes a lien on all property for school taxes.] Referred to Judiciary Committee.

GENERAL FILE.

Senate bill to provide for indebtedness of White Pine County. Passed.

Senate bill to provide for erection of guide boards on public highways. Passed.

Allen's (of Lincoln) Assembly bill 25, amendatory of the gambling law. [Reduces the license in small towns \$100 per quarter.]

Smith of Lyon opposed the bill because it enlarged the facilities for gambling.

Beard said that the bill should be entitled a bill for relief of gamblers and to secure the impecuniosity of the boys who honestly earned their money.

Allen (of Lincoln) stated that he was in favor of a bill prohibiting gaming entirely, but as that could not be done he believed it would be well to regulate the evil. Faro was no worse than gambling in mining stocks. He had lost a thousand dollars that way once, and wished it had been lost at Faro, for then he would have had some fun. The bill was lost by a vote of 26 to 17.

Mayhugh's Assembly bill 24, to amend the State Land law so as to allow a second applicant to secure a patent from the State on lands donated to it by the United States in cases where, after a published notice, the first locator of or applicant for the land fails to comply with the law, was passed.

Assembly bill No. 70, to abolish the office of County Superintendent of public schools was passed.

Assembly bill 72, to pay the funeral expenses of the funeral of R. L. Wash, late member, was passed.

Assembly bill No. 73, relative to the burial of the dead in incorporated towns and cities. Passed.

Lane's Assembly bill 2, to amend the lien law so as to give the wood chopper a lien on cut wood for services rendered, was passed.

Patton's Assembly bill 8, to amend the lien law, was passed.

Prisk's Assembly bill 120, to amend the Civil Practice Act. Passed.

Allen's Assembly bill 65, to amend the Civil Practice Act. Indefinitely postponed. Adjourned.

ANOTHER WONDERFUL CURE

EFFECTED BY CALIFORNIA ELASTIC TRUSS!

CALIFORNIA ELASTIC TRUSS COMPANY. W. J. HORNE, Proprietor. Dear Sir: I feel that I owe it to you and to humanity to write the fact that I have been SUBSTANTIALLY CURED of a bad case of Rupture of thirty years' standing, by one of your incomparable Trusses, which I purchased from you three months ago. I cannot describe the suffering, both physically and mentally, that I have undergone during that period; and now I feel like a new being. I have worn all kinds of Trusses, both Steel and Elastic, and never received any permanent relief until I tried yours. Its simplicity of construction, and facility with which it can be adjusted, and the ease and perfect freedom to the motions of the body with which it can be worn without causing any irritation, are its chief merits, and it is a perfect supporter. I have not had any sign of a return of the rupture since the first day I put it on, and feel that I am perfectly CURED. It is invaluable, and the fact should be known to the world. You can refer any one to me on the subject of their merits. I am, truly yours, ALFRED J. BURKE, Chief Mail Clerk S. F. Daily Evening Post, San Francisco, July 20, 1878.

A Physician's 15 Years' Experience. COLUMBIA, Tuolumne Co., July 16, 1878.

W. J. HORNE, Esq.—Dear Sir: For some time past have been used in my practice the California Elastic Truss, with entire satisfaction in most cases of complicated hernia of both sexes. During a practice of forty five years I have found no truss that would, with the same ease and certainty, retain the required adjustment, the pressure being always under the immediate control of the patient. The simplicity and ease of application is of itself a guarantee to every experienced physician. I have the honor to remit by mail the amount due, knowing that I contribute to the alleviation of afflicted humanity. Yours, truly, J. P. THIBBETS, M. D.

Send for Illustrated Catalogue and Price List—Giving Full Information and Rules for Measuring. N. B.—The California Elastic Truss is not for sale by any Druggist in Carson City. They prefer to sell Eastern truss, on which they can make a large profit. Send direct to the CALIFORNIA ELASTIC TRUSS COMPANY my 18 730 Market street San Francisco
