STATE PRISON NOTES.—Edward Malim, the defaulting clerk of Drexler and Company, is employed as inside gate keeper at the State Prison. He devotes all of his spare time to reading; and his conduct is said to be excellent. His wife visits him every Saturday and spends the greater part of the day with him.

AN INVENTION.—Mr. J. B. Harnstead, machinist at the Mint, has just received a patent from Washington, on an improvement in nozzles for hardening dies.

SETTLE UP!—The saloon keepers are going to organize themselves into a protective association, for the purpose of collecting bills due them by parties who have recently joined the Temperance Order.

A FREE SWIM.—Messrs. Butts and George, on Sunday, invited all the boys at the Orphans' Home to visit the Springs and take a swim.

"NICK OF THE WOODS."

The Carson Opera House contained a large audience last evening to witness the play of "Nick of the Woods," the players being a company of Carson ladies and gentlemen, who kindly gave their services on this occasion for the benefit of Curry Engine Company, No. 2.

Made up, as the cast was, of non-professionals, the more rigid laws of criticism were suspended, and all short-comings were overlooked in the praiseworthy object of the performance, as well as in the generous spirit that prompted the amateurs to appear before the footlights.

THE GAME LAW.—The game law goes into effect on the 1st of September, and there is a heavy penalty attached for the killing of any game, or the purchase of any game from Indians, during the month of September by law.

POOR LUCK.—The five tramps arrested by Officer Searns, named respectively, William Olin, George Knouse, George Peterson, Henry Olin, and Charles Richardson, were brought up before Judge Cary yesterday, and found guilty of vagrancy.

IN MOURNING.—Sam Davis, of the Chronicle, was in the city on Sunday, with one of his optics delicately dead in mourning. He tried to teach Harry M. Ward how to spar.

CARSON MINT COINAGE.—The coinage operations of the Carson Mint during the month of March, were as follows: Double eagles \$38,700; standard silver dollars \$86,000. Total \$124,700.

DR. D. BANKS MCKENZIE went to Virginia yesterday to make an estimate of how much wickedness he will have to correct when he starts in to reform the citizens of that place.

GOING TO BODIE.—R. B. McMahon goes to Bodie this morning to perfect the sale of a mine in which he has a one-quarter interest.

BULLION.—The southern stage brought in five bars of bullion, consigned to Wells, Fargo & Company, yesterday afternoon.

WHO IS HE, AND WHAT IS HIS PLAY?

Yesterday a man claiming to be J. B. Kenyon, the proprietor of a third interest in the Chicago Journal of Commerce, was in the city, and visited several of our heaviest business men, with a view, he said, to learn something regarding the prosperity and future prospects of Carson.

CHEAP AND GOOD GROCERIES.

S. Reinstein will now conduct the popular grocery house formerly known as Reinstein & Gibson's. The new firm will perpetuate the excellent reputation that that house has worthily earned by its fair and liberal dealings.

TRAMPS.—A day or two since Constable Stern arrested five young men, none of whom were over 23 years of age, and charged them with vagrancy.

DEPARTURES.—The following passengers went south on the stage Sunday morning: A. Hopkins and wife, J. Haines, J. Roos, R. Dennis, W. Brainin, L. Mattie, C. Taylor, J. Cohn and wife, M. Collins, C. F. Singletary, E. Britt.

OBTAINING MONEY UNDER FALSE PRETEXTS.—A man named F. W. King was arrested in Virginia, by Constable Stern, for having obtained money under false pretenses from a hotel keeper in this city.

WILL RUSTICATE.—R. M. Huston, one of the suspended Mint employes, will go to California in a few days, to rusticate until full operations are resumed in the Mint.

THE suspension of forty-eight employes of the Mint will take at least \$7,000 per month out of the tills of our local traders.

TRANSFER OF THE SPRINGS.—The transfer of the Warm Springs property to the State government, will be made to-day.

MR. D. W. EARL, of the large forwarding and commission firm of D. W. Earl & Co., was in the city on Sunday.

SUPREME COURT.—The constitutionality of the Penalty Bill, was argued and taken under advisement yesterday.

ABOUT sixty employes of the Virginia and Truckee Railroad were suspended from duty yesterday.

ANOTHER WONDERFUL CURE

EFFECTED BY CALIFORNIA ELASTIC TRUSS!

CALIFORNIA ELASTIC TRUSS COMPANY.—W. J. HORNE, Proprietor.—Dear Sir: I feel that I owe it to you and to humanity to write the fact that I have been SUFFERING TERRIBLY CURED of a bad case of Rupture of thirty years' standing, by one of your incomparable Trusses, which I purchased from you three months ago. I cannot describe the suffering, both physically and mentally, that I have undergone during that period; and now I feel like a new being. I have worn all kinds of Trusses, both Steel and Elastic, and never received any permanent relief until I tried yours. Its simplicity of construction, and facility with which it can be adjusted, and the ease and perfect freedom to the motions of the body with which it can be worn without causing any irritation, are its chief merits, and it is a perfect supporter. I have not had any sign of a return of the rupture since the first day I put it on, and feel that I am perfectly CURED. It is invaluable, and the fact should be known to the world. You can refer any one to me on the subject of their merits. I am, truly yours, ALFRED J. BIERK, Chief Mail Clerk S. F. Daily Evening Post, San Francisco, July 20, 1878.

A Physician's 45 Years' Experience.

California, Tuolumne Co., July 16, 1878.

W. J. HORNE, Esq.—Dear Sir: For some time past, I have used in my practice the California Elastic Truss, with entire satisfaction in most cases of complicated hernia of both sexes. During a practice of forty five years I have found no truss that would, with the same ease and certainty, retain the required adjustment, the pressure being always under the immediate control of the patient. The simplicity and ease of application is itself a guarantee to every experienced physician. I have the honor to refer by mail the amount due, knowing that I contribute to the alleviation of afflicted humanity. Yours, truly,

J. P. THIBTS, M. D.

Send for Illustrated Catalogue and Price List giving Full Information and Rules for Wearing.

N. B.—The California Elastic Truss is not for sale by any Druggist in Carson City. They prefer to sell Eastern trash, on which they can make a large profit. Send direct to the
