Potter, San Francisco; Mrs. M. C. Blinn, San Francisco; A. H. Dixon, New York; P. O. Burns, San Francisco; E. B. Shaw, San Francisco; C. F. Reynolds, Alameda; Jas. Cowan, Bodie; A. B. Boles, Carson Valley; Jas. Tobson, Reno; Mrs. A. E. Pollard, Virginia, John Langer, Virginia.

GOOD SHOOTING.—Harry Dougan, a young man pretty well known in Carson, Reno and Virginia City, has been shot in Silver Cliff, Colorado, by Frank Black. The wound will probably prove fatal.

ARRIVALS.—The following persons arrived on the southern stage yesterday morning: Matt Shap, Miss H. Case, R. F. Brooks, J. Rowan, J. Cowan, Mrs. Morrison.

THE KINDERGARTEN.

Last evening there was a meeting of the citizens of Carson at Arlington Hall to take action upon the closing of the Kindergarten school. Quite a large number were present, principally those who were the fathers of young children, or hoped to be. The action of the Trustees in closing the school was discussed with considerable animation, and all agreed that it was an ill-advised step which should be reconsidered as once.

THE TRAMP CRUSHER.—The "devil" of the APPEAL office has just completed an ingenious contrivance for the special benefit of the printer tramps who come in from Bodie. He calls it the "Tramp Crusher," and no machine ever invented is likely to give more profound satisfaction.

"Go up stairs and get a good sleep and then come and stick type in the morning. Just tell the landlady to give you a bed and charge it to the APPEAL office."

DE YOUNG MEETS A STRANGER.—Charley De Young while coming back from the East recently, was in a section in the sleeping car with D. B. Nye, the well known whiskey drummer. It was just this side of Palisade.

WASTE PAPER.—Circulars have been received in Carson from Sherman, together with blanks, etc. The circulars contain a well-executed likeness of the great financial reformer. No one takes the slightest stock in Sherman in this section.

BRIEF MENTION.

The second suit of the Savings Bank vs. McTarnahan is still on trial.

There is an uncalled for message at the telegraph office for William Farrington.

Judge King has decided in the Duff divorce case that neither party is entitled to a legal separation.

A pocket book containing a small sum of money and a bunch of keys was found yesterday. The owner can have it by calling at this office.

Numbers of Carson people went up to Virginia City last night to the Entre Nous reception. The snubbing Carson received there last year seems to have been forgotten.

Few people realize how much a carrier suffers who serves a morning paper in such weather as this. Yet there are men mean enough to tell him to "call again" when he attempts to collect at the end of the week.

Thomas Martin, E. Dudley and C. Vorhees three tramps of pronounced proclivities for doing nothing, were tried before Justice Cary yesterday on the charge of vagrancy and found guilty. They were sentenced to twenty days each.

Yesterday afternoon it was reported that Denis Kearney was dead. This intelligence in a great measure compensated for the terrible weather which visited Carson. Last evening the newscaster that the report was unfounded and the despondency was universal.

As the executive committee had neglected to furnish programmes at the Reciprocal Ball on Thursday night the dances went by numbers. A young man who walked up to a girl and said, "How are you fixed for the thirteen fourteen, fifteen?" was thrashed on the spot by the young lady's brother and put out by the floor committee.

THE UNION SHAFT ACCIDENT.—At 10 o'clock on Thursday night there was an accident at the Union shaft which will delay the pumping for several weeks. The new pumping engine was started up and on the sixth stroke the balance bobs went to pieces.

CHINESE BILLIARD SHARPS.—Two well dressed Chinamen made a sensation yesterday by stepping into the Ormsby House and playing a game of billiards. The celestial ivory shovers were evidently above the ordinary grade of Mongols and their game was excellent.

AN UNFAIR CONTEST.—The opinions of Judges Leonard, Hawley and Beatty in the Pritchard case occupy five columns of mixture type in the Enterprise. Leonard opens the ball with three columns, Hawley dissents from Leonard's opinion in one column, and Beatty concurs with it in another column.

THE "GEM" PUZZLE SET TO MUSIC.—The confounded 13 15 14 puzzle has been set to music. It is for sale at Fox's. In playing the tune one has to pick out the bars from the different portions of the composition, and it takes a mighty smart musician to get the last bar in the right place.

DIED.—A private despatch received by Mr. A. Helm from Miss Emily Walters, contains the sad intelligence of the death of her father at Fairfield, California, at 10:30 o'clock yesterday morning.

A BLACK DAY.—For an April day yesterday was a dead failure. About half past 2 o'clock in the morning a rain storm set in followed by snow. All day the heavens were hung in black sufficient to have quite appeased the appetite of Lady Ann for funeral surroundings.

The blustering March with all its blasts and blows Has ceased to reign; But April with its fogs and hails and snows Is here again.

DEPARTURES.—The following passengers departed per southern stage yesterday morning: Joseph Williams and wife, F. Madden, D. McAllister, A. J. Roahdy, E. McCann, M. H. Morris, A. P. Johnson, F. Silva, J. Silva, one Chinaman.

Without showing the condition of our teeth. Every laugh exposes them. In order not to be ashamed of them let us use that standard dentifrice, SOZODONT, which is sure to keep them white and spotless.

MUSICAL.—Miss Lizzie Davis, of Virginia City, teacher of the violin, comes to Carson every Monday and remains until Wednesday.

A DRY GOODS DREAM.—A woman who goes into M. Cohn's emporium drifts off into a dream of rare and beautiful feminine finery.

ATTENTION!—The greatest wonder yet discovered in medicine is Mrs. Dr. Howe's celebrated rheumatism, neuralgia and toothache cures.

PROFESSOR LANGER'S MUSIC CLASS.—Prof. Langer, the well known leader of Piper's Orchestra, has started a music class in Carson.
