FOREIGN NEWS.

VIENNA, May 5.—Little progress has been made toward adjusting the grievances which caused the bakers' assistants here to go on a strike. Last night thousands of strikers engaged in rioting in the assembly rooms. Furniture was destroyed and windows broken. The rioters then threw up barricades in the street to enable them to resist the police, who had summoned to quell the disturbance, and who had a difficult time in subduing the infuriated mob. Simultaneously with this outbreak a demonstration was made at another point in the city by 400 more strikers, who attacked the building occupied by the Bakers' Association, the doors and windows of which they broke. Both parties of rioters were finally dispersed.

PLYMOUTH, Eng., May 5.—An explosion occurred today in the government powder magazine, situated on Priddy's Yard, in Portsmouth harbor. The building was completely demolished, and it is reported that nine persons were killed and a number injured.

NOT THE PENIANS. A later telegram says: The explosion was caused by the accidental ignition of some powder during the filling of a quantity of shells. Only two persons were killed outright. Five, however, are so badly injured that they are in a dying condition.

DUBLIN, May 5.—Fitzharris will be tried by a special jury, as accessory to the murder of Burke, and for the murder of O'Connell. An entirely new jury panel will be summoned. Under the "special jury" system, the prisoner is deprived of the right of challenge, while the Crown has unlimited privilege to continue to challenge peremptorily until a satisfactory panel is obtained. By this plan the speedy conviction of the prisoner is assured.

ST. PETERSBURG, May 5.—The authorities of Moscow have been invested with power to arrest a number of persons who have been acting suspiciously in that city, and to detain them until the coronation of the Czar has taken place. Much ill feeling exists in some regiments of the army, owing to the fact that rewards are being offered to the men to induce them to denounce any of their comrades who are known to be Nihilists.

What the great restorative, Hostetter's Stomach Bitters, will do, must be gathered from what it has done. It has effected radical cures in thousands of cases of dyspepsia, bilious disorders, intermittent fever, nervous affections, general debility, constipation, sick head ache, mental despondency, and the peculiar complaints and disabilities to which the feeble are so subject. For sale by all druggists and dealers generally.

A Common-sense Remedy. SALICYLICA No More Rheumatism, Gout or Neuralgia. Immediate Relief Warranted. Permanent Cure Guaranteed.

Five years established and never known to fail in a single case, acute or chronic. Refer to all prominent physicians and druggists for the standing of Salicylica. SECRET: THE ONLY DISSOLVER OF THE POISONOUS URIC ACID WHICH EXISTS IN THE BLOOD OF RHEUMATIC AND GOUTY PATIENTS. Salicylica is known as a common-sense remedy, because it strikes directly at the cause of Rheumatism, Gout and Neuralgia, while so many so-called specifics and supposed panaceas only treat locally the effects. It has been conceded by eminent scientists that outward applications, such as rubbing with oils, ointments, liniments, and soothing lotions will not eradicate these diseases, which are the result of the poisoning of the blood with Uric Acid. Salicylica works with marvelous effect on this acid, and so removes the disorder. It is now extensively used by all celebrated physicians of America and Europe. Highest Medical Academy of Paris reports 85 per cent cures in three days.

REMEMBER! That Salicylica is a certain cure for Rheumatism, Gout and Neuralgia. The most intense pains are subdued almost instantly. Give a trial. Relief guaranteed or money refunded. Thousands of testimonials sent on application. \$1 a box—Six Boxes for \$5. Sent free by mail on receipt of the money. ASK YOUR DRUGGIST FOR IT. But do not be deluded into taking imitations or substitutes, or something recommended as "just as good." Insist on the genuine with the name of WASHBURN & CO. on each box, which is guaranteed chemically pure under our signature, an indispensable requisite to insure success in the treatment. Take no other, or send us. Washburn & Co. Proprietors, 257 Broadway, corner Reade st., New York.
