This Association is the largest, oldest and most successful Mutual Insurance Association in California and the majority of its members are in and near San Francisco where it is best known. It now confines its Agencies to the Pacific Coast. The wisdom of this act is shown by the strenuous efforts made by the Eastern companies for California business, recognizing as they do, the necessity of equalizing the extra death rate elsewhere caused by climatic conditions. "An insurance company that reaches too far is liable to disasters common to the merchant who spreads his business over all Creation."

Less speedily fatal, but not less certain so, is the vitiation of the blood of which the first symptoms are Pimples, Siles, Boils, and Cutaneous Eruptions. ### SCROFULA

Is a foul corruption in the blood that rots out all the machinery of life. Nothing will eradicate it from the system and prevent its transmission to offspring but AYER'S SARSAPARILLA. This preparation is also the only one that will cleanse the blood of Mercurial poison and the taint of Contagious Diseases. Impoverished blood is productive of
