This Association is the largest, oldest and most successful Mutual Insurance Association in California and the majority of its members are in and near San Francisco where it is best known. It now confines its Agencies to the Pacific Coast. The wisdom of this act is shown by the strenuous efforts made by the Eastern companies for California business, recognizing as they do, the necessity of equalizing the extra death rate elsewhere caused by climatic conditions. "An insurance company that reaches to the West is liable to disasters common to the merchant who spreads his business over all Creation."

AYER'S SARSAPARILLA has demonstrated its power of cure for all diseases of the blood.

The Harpener's Story.

New Bedford, June 1, 1887.

DR. J. C. AYER & Co.—Twenty years ago I was a harpener in the North Pacific, when five others of the crew and myself were laid up with scurvy. Our bodies were bloated, gums swollen and bleeding, teeth loose, purple blotches all over us, and our heads so much rotted. Take it by all means we were pretty badly off. All our line-joints were accidentally destroyed, but the captain had a couple dozen bottles of AYER'S SARSAPARILLA and gave us that. We recovered on it quicker than I have ever seen men brought about by any other treatment. I received from your Almanac of your Sarsaparilla being good for scurvy, I thought you ought to know of this, and so send you the facts.

Respectfully yours, RALPH V. WINGATE.

The Trooper's Experience.

Mass., Boston, S. April 17, 1887.

DR. J. C. AYER & Co.—Gentlemen: I was much afflicted by scurvy in the great year of your Sarsaparilla. We have been stationed here for over two years, during which time we had to live in tents. Being under canvas for such a time brought on what is called in this country "veldt-scurvy." I had thought for some time I was advised to take your Sarsaparilla, two bottles of which made me some disappear rapidly, and I am now quite well.

Yours truly, T. K. BONES.

Trooper, Cape Mounted Riflemen.

CONSUMPTION,

which is Scrophulous Disease of the Lungs, is promptly and certainly arrested and cured by this God-given remedy, if taken before the last stages of the disease are reached. From its wonderful power over this terrible fatal disease, when first advised of this celebrated remedy to the public, Dr. Pierce thought seriously of calling it his "Consumption Cure," but abandoned that name as too limited for a medicine which, from its wonderful combination of tonic, or strengthening, alterative, or blood-purifying, bilious, pectoral, and nutritive properties, is unequalled, not only as a remedy for consumption of the lungs, but for all
