

PUZZLED DEMOCRATS.

With all the talk about the "dead thing" which the New York Democrats are having in New York, the party leaders who know how to scent danger ahead say that they fear the party is going to lose the State this Fall in consequence of the United Labor party running a State ticket.

Through Democratic members of the Legislature and Democratic leaders from New York, attempts are being made to introduce into the ranks of the United Labor party in New York a large number of active Democratic politicians of the lower grade.

The news from all parts of the world is of the most sensational character. Canada has just had a big earthquake and there is no longer any doubt of an active volcano in Arizona belching forth lava rocks and cinders.

At Los Angeles a girl sixteen years of age comes into Court and swears that her father has frequently outraged her with her mother's consent.

At Pittsburg a man named Herman killed his nineteen year old daughter, beat his wife fatally and then cut his throat because of religious differences in the family.

Clarke the defaulting clerk of Ellen & Co., Truckee threatens, if brought back to Truckee to implicate his late employer in one of the greatest crimes of the century.

A photographer in Boston has been arrested for taking immoral pictures and among his effects are some of the leading society ladies of the Hub, photograph nude.

A lot of New York jury bribers in the Sharp trial have been arrested for embezzlement.

There are also several sensational reports by telegraph of high society divorce cases, too filthy to print. All in all the devil seems to have been quite busy during the week.

Steamboat Springs.

The charge made by the Virginia Report that the Chronicle pronounced Steamboat Springs materially affected by the earthquake because the Springs did not advertise, is unfair to the Chronicle.

It was reported here that the Springs were almost dry, and reputable citizens who had visited them so stated.

It is now said that they are flowing as well as ever. We hope such to be the fact, as a loss of any of the hot springs of Nevada is a loss to the State.

It is a too common occurrence for one newspaper to charge another with a bad motive because frequently in chronicling news the toes of a non-advertiser are trodden upon.

It is ridiculous to suppose that a newspaper has nothing to do but to injure those who do not patronize it. There is no law to compel a man to advertise who does not feel able to, and who does not consider it to his business advantage.

The pure wine law will be a splendid thing for California wines. Under this law it will be no easy matter to ring in adulterated wines and this will give California a big prestage.

ROYAL GEORGE, JR.

WILL STAND FOR THE SEASON

BENTON'S LIVERY STABLES, CARSON CITY.

This horse is a chestnut, 15 1/2 hands high, weighs 1,100 in road condition, was sired by Royal George, he by Warrior, son of Tippoo, dam by Harris' Hambletonian; Tippoo by Ogden's Messenger, Ogden's Messenger by imported Messenger. Harri' Hambletonian was sired by Bishop's Hambletonian, dam, Munson mare, by imported Messenger.

It is now conceded that if there is ever a horse that will trot in two minutes, it will be one that has the blood of these two great strains, Boston and Messenger.
