

THE ASYLUM REPORT.

The report of the Asylum Commission has been made fully exonerating Dr. Bishop of the charges made against him.

The charges were very grave and if they were untrue the parties making them ought to be made to sweat for such work.

If Dr. Dawson has made false charges maliciously the proper course is an arrest and trial for defamation of character.

Work for Assessors.

Under the Act of the Legislature creating a State Bureau of Immigration, it is the duty of County Assessors to furnish the Bureau with certain statistical information.

Said Bureau will require of each County Assessor in the State, from time to time, such information and statistics as will aid in carrying out the provisions of the Act.

The Road to Los Angeles.

There are pretty good prospects that the C & C. Road will be extended to Los Angeles. From a cattle standpoint the great benefit to be derived from having direct communication with Los Angeles cannot as yet be adequately determined.

Happening to look back yesterday to the newspaper files of 1870 we found an elaborate discussion of a plan of sewerage for San Francisco.

The APPEAL unintentionally stated that the Asylum Board would refuse to entertain any more charges against Dr. Bishop.

Tennyson takes a back seat as a Queen's jubilee ode writer when Algerion Charles Swineburn gets on deck.

ROYAL GEORGE, Jr.

WILL STAND FOR THE SEASON

BENTON'S LIVERY STABLES, CARSON CITY.

This horse is a chestnut, 15 1/2 hands high, weighs 1,100 in road condition, was sired by Royal George, he by Warrior, son of Tippon, dam by Harris' Hambletonian.

It is now conceded that if there is ever a horse that will trot in two minutes, it will be one that has the blood of these two great strains, Boston and Messenger.

Anyone having doubts of the breeding of Royal George, Junior, can have his record proven by calling on his owner, J. M. BENTON, Carson City, Nev.
