**She was Surprised.**

Husband (reading): "Here is a very interesting article from Japan on the Mikado."

Wife: "Dear me! has the Mikado craze really penetrated to Japan? It is quite astonishing."

She was more surprised when she heard that Oleovich Bros. are selling 12lbs. granulated sugar for \$1 00. In lace flouncings, laces, parasols and ladies wear of every description Oleovich Bros. take the lead. Groceries, shoes and furnishing goods are also always kept in stock at Oleovich Bros.

**Bringing Gladness**

To millions, pleasing their palates and cleansing their systems, arousing their Livers, Kidneys, Stomachs, and Bowels to a healthy activity. Such is the mission of the famous California liquid fruit remedy, Syrup of Figs. For sale by Geo. C. Thaxter, agent.

**Queen Bess.**

Yesterday's Enterprise says: Mrs. D. P. Bowers has lost none of her powers of impersonation. Last night as Queen Elizabeth, she moved an audience accustomed to seeing the highest talent. The support was good, especially the Essex of E. J. Buckley. When Elizabeth was giving way to anger or hesitating between love and authority defied, the audience forget that it was watching a play and felt that the woman and Queen was really before it. The portrayal of the conflict between desperate resolve and the hesitation of unsatisfied longing, was superb, and Mrs. Bowers is deservedly classed among the artists of highest excellence.

**Girls Bathing.**

"Bob, did you ever see a lot of girls in swimming?"

"No, never—did you?"

"Yes, and such a look I never expect to see again. They beat mermaids out of sight."

"I expect so, but where did you obtain your knowledge?"

"Such a dainty display of hosiery of all colors, laces, and fine underclothes, embroidered chemises and—"

"Hold on Bill I know where you can see all these things in five minutes. Just go down and inspect the new stock of the Hofer Bros. on Main Street."

**A Center Shot.**

A few days ago a Carson gentleman called on his supposed sweetheart and found her five year old sister in the room whom he took upon his knee and kissed.

"Don't you know Mamie if you kiss the gentlemen a great big moustache will grow over your mouth?"

"Aint none on your mouth and you kiss Mr. —"

"There go out now and play in the garden Mamie." Exit child, and soon afterwards the gentleman caller who didn't have any moustache.

**A Circus Without Posters.**

Saturday a rancher from Carson Valley was around town looking for the manager of the Circus, whereupon he was told there was no circus in town, he then wanted to know what all of those fancy painted wagons and mowers were doing down town. He was told by Mr. Tyrrell that they were E. B. Rail's wagons, Buckeye mowers and rakes and that he was almost giving them away to get them off his hands before laying was over. There are now a few mowers and rakes that can be bought cheap.

**The Infant Terrible.**

A Carson boy of four rushed into his father's house the other day with: "Say, come out and see the beer spurt." The father rushed out and saw that the youngster had turned the faucet of a new keg of beer just left from Klein's and set on end. The froth had spurted clear across the street, and plastered itself all over the dresses of some ladies who were out making calls.

**Syrup of Figs**

is Nature's true laxative. It is the most easily taken, and the most effective remedy known to cleanse the system when Bilious or Costive; to dispel Headaches, Colds, and Fevers; to Cure Habitual Constipation, Indigestion, Piles, etc. Manufactured only by the California Fig Syrup Company, San Francisco, Cal. For sale by George C. Thaxter, agent Carson.

**Those Dreadful Taxes.**

A great hue and cry is made by editorial writers about the taxes.

Most of these men pay no taxes at all, not even a poll tax if they can help it and the total taxation of the United States is less than \$7 per capita a year.

A man who is not willing to pay \$7 a year to keep the Government of his country running in good shape had better go to England and live.

**'84 And '88.**

Said Cleveland to Thurman, 1884, "You are somewhat too old to come in at my door;"

Said Cleveland to Thurman, 1888, "Will you please help me pack this additional weight?"

—Governor Stevenson will be home about the 20th inst.
