PLATFORM & RESOLUTIONS.

The Republicans of the State of Nevada in convention assembled again express their loyalty to the principles of the Republican party, who have made the country so great and prosperous during the last quarter of a century.

Resolved: That the question of a sufficient supply of a circulating medium to maintain a permanent range of the price of labor and property is the most important political question awaiting solution by the American people.

Resolved: That a diminishing quantity of money reduces the price of labor and property, increases the obligation of contract, enriches the creditor, impoverishes the debtor, and paralyzes industry and enterprise.

Resolved: That the present financial system of the United States, which increases or diminishes the circulating medium at the pleasure of the manipulators of the national banks without regard to the increase of population or the wants of the people, and which requires gold alone as the standard of value, and places in the hands of the Treasury Department all the revenue of the Government to speculate with in bonds and loan to national banks without interest, is subversive of the rights of the people, oppressive, unjust, and should be repudiated.

Resolved: That a financial policy whereby both gold and silver shall form the basis of circulation, whether the money used by the people be coin, or in certificates receivable in gold, or both, as convenience may require, is imperatively demanded.

Resolved: That the attempt to substitute National bank notes, costing the Government millions of dollars annually, for free silver, costing nothing, is an outrage upon the people; that the money ring or trust, which has usurped the sovereign power of the Government to issue money, and which has fraudulently demonstrated silver and seized the revenues of the Government for private speculation, should be the moral enemy of the people and destroyed by respect for the Constitution and Law. We demand that this ring or trust be destroyed and equal rights restored to all people.

Resolved: That we charge that President Cleveland is the willing tool or agent of a powerful money ring which fattens the subsidies of the Government, makes us on silver, issues its paper currency at the expense of the Government, borrows the revenues raised by taxation to use them with at the payment of interest, contracts the currency to enhance the value of bonds, and enriches the moneyers while it depresses the price of labor and property.

Resolved: That we favor the nomination of no man for President who is pecuniarily interested in National banks or the bonded indebtedness of the United States, but we demand a candidate who is free to do justice to all the people of the country—the poor as well as the rich.

Resolved: That the trickery of the President and his advisers by which they prevented a vote in the House of Representatives on the Bank silver amendment to the Bond purchasing bill, equals the violation of the secret and fraudulent annihilation of silver in 1872.

Resolved: That we are in favor of the protection of home industry, and that the laborers of this country have a right to all the work required to supply the people of the United States, and that we are in favor of high wages in this country and to that end will protect the wage-workers competition with the cheap labor of other lands.

Resolved: That the policy of the Government should be inaugurated and established by the people through their representatives in both Houses of Congress, and not by the President or the money trust, of which he, either as agent or tool, is most active in defending.

Resolved: That we charge President Cleveland with violating every promise he made in favor of civil service reform, with crippling the

EAGLE MARKET.

Beef, Lamb, Mutton, Veal, Sausage, Etc.

My facilities for purchasing good beef are second to none in the State, and customer can always be assured of the best in the market.

This market was the first in this city to introduce the cold storage process, by which meats can be kept for weeks in the hottest weather. Our cold storage room is the largest and most perfect in the State.

mail services, with refusing to sign the necessary bill for the improvement of rivers and harbors, with using the power of his administration to prevent appropriations for a navy and coast defenses, with attempting to destroy the protective tariff, with courtting the good will of other nations at the expense of the citizens of the United States, and with joining the foreign bondholders to demote silver and destroy the industries of our country, and for the reduction of wages of the Mint employes at Carson, for closing the Carson Mint, when it was not only self-sustaining but a source of revenue to the Government, for its contemptuous veto of pension bills for the relief of disabled soldiers and sailors, and for failing to construct the Government building at Carson as required.

We are in favor of the absolute exclusion of Chinese, and the restriction of immigration by which the present overcharged condition of the labor market is made worse, and also favor legislation by which a restriction of our naturalization and land laws may be accomplished.

We demand, in behalf of our various industries, the retention of the duties on lead, borax, soda, hides and leather, and to restore the tariff of 1867 on wool.

Resolved: That we recognize the right of labor to organize for its lawful protection.

We favor liberal appropriations by Congress for hydrographical and topographical surveys in this State to find out the waste waters may be preserved for the purpose of irrigation.

We endorse the wise and conservative administration of Governor C. C. Stevenson, and we heartily commend the able efforts of Senators Stewart and Jones and Representative Woodburn in behalf of the interests of the people of this State.

We favor the granting to Nevada of all Government land within the State for the purpose of providing means for irrigation and other improvements.

We favor the reduction of the Treasury surplus by the payment of pensions to Union soldiers, their widows and orphans, the improvement of rivers and harbors, the building of defenses for our sea-coast, the creation of public buildings, the creation of a navy, the purchase of bonds and the repeal of the Federal revenue laws taxing tobacco.

It is the duty of the State to maintain free non-sectarian schools in the rural and sparsely settled districts as well as in towns and thickly settled sections and that such a division of the school money should be made as will furnish the means of education to all children in the State.

We are in favor of re-opening the Carson Mint for coinage and raising the wages of its employes to the standard paid by the last Republican administration.

We demand the restoration of the mail service in this State to the efficiency maintained by the last Republican Administration, and favor the payment of fair wages to all postal employees.

Ayer's Hair Vigor keeps the hair soft and pliant, imparts to it the lustre and freshness of youth, causes it to grow luxuriantly, eradicates Dandruff, cures all scalp diseases, and in the most cleanly of all hair preparations.

AYER'S Hair Vigor has given me perfect satisfaction. I was nearly bald for six years, during which time I used many hair preparations, but without success. Indeed, what little hair I had was growing thinner, until I tried Ayer's Hair Vigor. I used two bottles of the Vigor, and my hair is now well covered with a new growth of hair. —Julian B. Chapel, Peabody, Mass.

HAIR that has become weak, gray, thin and faded, may have new life and color restored to it by the use of Ayer's Hair Vigor. My hair was thin, faded, and dry, and fell out in large quantities. Ayer's Hair Vigor stopped the falling, and restored my hair to its original color. As a dressing for the hair, this preparation has no equal. —Mary N. Hammond, Stillwater, Minn.

YOUTH and beauty, in the vigorous appearance of the hair, may be preserved for an indefinite period by the use of Ayer's Hair Vigor. A disease of the scalp caused my hair to become harsh and dry, and to fall out freely. Nothing I tried seemed to do me any good until I commenced using Ayer's Hair Vigor. Three bottles of this preparation restored my hair to its healthy condition, and it is now soft and pliant. My scalp is cured, and it is also free from dandruff. —Mrs. E. K. Foss, Milwaukee, Wis.
