

FOR PRESIDENT. BENJAMIN HARRISON OF INDIANA. FOR VICE PRESIDENT. LEVI P. MORTON OF NEW YORK.

BLOOD AND BUCKLEYISM.

We have never shown a disposition to hold to account the Democratic party or its managers for the results of Republican wrong-doing. Therefore, when we charge, as we now do, after careful investigation, that the unfortunate and disgraceful scene in the rooms of the Republican Committee of San Francisco, last Thursday evening, was the bloody work of Democratic ruffianism, we are actuated solely by a determination to place the responsibility where it belongs.

A Big Profit.

A man writes from New York to W. H. Mills of the California State Board of Trade, saying that one great drawback to the sale of California land is the tremendous prices charged for California fruit in New York.

anything else, as people argue that fruit sold at such high figures must cost a great deal to raise.

This gang of Italian bandits in New York is hurting the Coast worse than anything else—hurting us as much as the Chinese with their cheap labor.

AROUNDING DEMONSTRATION.

Bartine and Murphy at Pioche—Bouffres and Brass Bands—Bartine Completely Eclipses Cassidy.

Pioche, Nev., Sept. 28.—Immense bonfires illumined the waving banners in the streets of Pioche last night, while stirring strains of music came from the local brass band in honor of Bartine and Murphy.

Judge Murphy followed in a few brief, well-chosen words in favor of the National ticket. Both made a splendid impression.

A new idea in tri-cycling has been invented by an Englishman who has been traveling with his wife through France on a machine fitted with a bamboo mast on which a sail can be hoisted.

Syrup of Figs

Is Nature's true laxative. It is the most easily taken, and the most effective remedy known to cleanse the system when bilious or costive; to dispel headaches, colds, and fevers; to cure habitual constipation, indigestion, piles, etc.

Advice to Mothers.

Mrs. Winslow's Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays the pain, cures wind colic, and is the best remedy for diarrhoea.

It is the painful duty of the newspapers to record frequent deaths of brakemen who are killed in the snow sheds. Those structures are so low that the men, in the discharge of their duty, are knocked from the trains and killed.

When symptoms of malaria appear, in any form, take Ayer's Malaria Cure.

It will prevent a development of the germs of disease and eradicate them from the system. A cure is warranted in every instance.

When the system is debilitated by disease, it should be strengthened and renewed with Ayer's Sarsaparilla. This medicine invariably proves itself worthy of all that can be said in its favor.
