

WHAT AILS YOU?

Do you feel dull, listless, low-spirited, ill-humored, and generally miserable, both physically and mentally; experience a sense of fullness or bloating after eating, or of "grogginess" or emptiness of stomach in the morning, indigestion, bitter or bad taste in mouth, frequent yawning, dizziness, frequent headaches, blurred or double vision, "floating specks" before the eyes, nervous prostration, or exhaustion, irritability, loss of temper, hot flashes, alternating with chilly sensations, sharp, biting, transient pains here and there, cold feet, circumscribed rashes, white-flashes, or discolored and irregularly shaped, constant, indefinable feeling of dread, or of impending calamity?

If you have all, or any considerable number of these symptoms, you are suffering from that most common of American ailments—Bilious Dyspepsia, or Torpid Liver, associated with Dyspepsia or Indigestion. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what stage it has reached, Dr. Pierce's Golden Medical Discovery will subvert it, if taken according to directions for a reasonable length of time. If not cured, complications multiply and consumption of the lungs, skin diseases, Torpid Bowels, Rheumatism, Kidney Disease, or other grave ailments are quite liable to set in and, sooner or later, induce a fatal termination.

Dr. Pierce's Golden Medical Discovery acts powerfully upon the Liver, and through that great blood-making organ, cleanses the system of all blood poisons and impurities, from whatever cause arising. It is equally efficacious in acting upon the kidneys, and in clearing away their disease. As a cathartic, it is a safe and healthy remedy, and its action is gentle, cleansing, strengthening, and healing. It promotes healthy and regular bowels, thereby building up the system and strength. In malarial districts, this wonderful medicine has gained great celebrity in curing Fever and Ague, Chills, and other ailments, and kindred diseases.

Dr. Pierce's Golden Medical Discovery CURES ALL HUMORS,

From a common Blotch, or Eruption, to the worst Scrofula, Salt-rheum, "Eversore," Scaly or Eczema Skin, in short, all diseases caused by the blood, are cured by this powerful, purifying, and invigorating medicine. Great Eating Ulcers rapidly heal under its benign influence. Especially has it manifested its potency in curing Tetter, Eczema, Erysipelas, Boils, Carbuncles, Sore Eyes, Scrofulous Sores and Swellings, Itchy and Itching, Itchy Swellings, Gout, or Gravel, Nephritis, and Enlarged Glands. Send ten cents in stamps for a large Treatise, with colored plates, on Skin Diseases, or the same amount for a Treatise on Scrofulous Affections.

"FOR THE BLOOD IS THE LIFE"

Thoroughly cleanse it by using Dr. Pierce's Golden Medical Discovery, and good digestion, a fair skin, buoyant spirits, vital strength and bodily health will be established.

CONSUMPTION,

which is Scrofula of the Lungs, is arrested and cured by this remedy, if taken in the earlier stages of the disease. From its marvellous power over this terrible fatal disease, when first offering this new world-famous remedy to the public, Dr. Pierce thought seriously of calling it his "Consumption Cure," but abandoned that name as too restrictive for a medicine which, from its wonderful combination of herbs, its strengthening, alterative, or blood-purifying, anti-bilious, pectoral, and nutritive properties, is unequalled, not only as a remedy for Consumption, but for all Chronic Diseases of the

LIVER, BLOOD AND LUNGS.

For Weak Lungs, Softening of Blood, Shortness of Breath, Chronic Nasal Catarrh, Bronchitis, Asthma, Severe Coughs, and kindred affections, it is an efficient remedy.

Sold by Druggists, at \$1.00, or Six Bottles for \$5.00.

THE MARCH OF PROGRESS! OUR LATEST IMPROVEMENTS!

"Competition is the Life of Trade," and if you have not seen our latest improved goods you cannot imagine how lively trade is, or how hard our competitors have to work to keep within sight of us. Ask your retailer for the JAMES MEANS' \$3 SHOE, or the JAMES MEANS' \$4 SHOE according to your needs. Positively none genuine unless having our name and price stamped plainly on the soles. Your retailer will supply you with shoes so stamped if you do not insist, some retailers will coax you into buying inferior shoes upon which they make a larger profit.

Such has been the recent progress in our branch of industry that we are now able to affirm that the James Means' \$3 Shoe is in every respect equal to the shoes which only a few years ago were retailing at eight or ten dollars. If you will try on a pair you will be convinced that we do not exaggerate. Ours are the only \$3 and \$4 shoes, and those who initiate our system of business are unable to compete with us in quality of factory products. In our lines we are the largest manufacturers in the United States.

One of our traveling salesmen who is now visiting the shoe retailers of the Pacific Coast and Rocky Mountain Region writes from there as follows: "I am more than satisfied with the results of my trip. I have thus far succeeded in placing our full line in the hands of a No. 1 dealer in every point I have visited." He goes on to say, "This is a splendid region for us to sell shoes in, because most of the retailers are charging their customers at retail about double the prices which the shoes have cost at wholesale. The consequence is that the people who wear shoes are paying six or seven dollars a pair for shoes which are not worth as much as our JAMES MEANS' \$3 and \$4 SHOES. Our shoes with their very low retail prices stamped on the soles of every pair are breaking down the high prices which have hitherto ruled in the retail markets here, and when a retailer puts a full line of goods in his stock they at once begin to go off like hot cakes, so great is the demand for them."

Now, kind reader, just stop and consider what the above signifies so far as you are concerned. It assures you that if you keep on buying shoes bearing no manufacturer's name or fixed retail price stamped on the soles, you cannot tell what you are getting and your retailer is probably making you pay double what your shoes have cost him. Now, can you afford to do this while we are protecting you by stamping our name and the fixed retail price upon the soles of our shoes before they leave our factory so that you cannot be made to pay more for your shoes than they are worth?

Shoes from our celebrated factory are sold by wide-awake retailers in all parts of the country. We will place them easily within your reach in any State or Territory if you will invest one cent in a postal card and write to us. **JAMES MEANS & CO., 41 Lincoln St., Boston, Mass.** dec 18
