

MAN AND WOMAN.

San Francisco is convulsed over the proposition as to whether the term "gentleman" is better than man, or "lady" better than woman.

President Harrison was alluded to all through the campaign as "a strong man," but John Doe Tompkins, the party who ran the ice cream parlors, was always alluded to in the papers as "an affable gentleman."

No one thought of calling the insignificant Tompkins a man, because he had not become one, but he was a gentleman, because he knew how to treat his lady guests with courtesy and see them out of the door with a bow and smile.

Gladstone and John Bright are alluded to as "men." Lincoln, Grant, et al, as "men whom the nation reveres." Who would have spoken of these men as "elegant gentlemen?"

Ward McAllister, the New York leader of society, is mentioned as a gentleman, because he can appear well in a drawing room and leads the german to perfection, but he is never seen in places where "men" congregate.

There is nothing in the lives, characters or make-ups of such people that "gives the world assurance of a man."

So it is with the word "woman." Charlotte Cushman, George Elliott, Mrs. Hemans, Alice Cary, Scott Siddons, will be spoken of as "great women" as long as the language they helped to enrich and give force to shall exist, but they will never be spoken of as "great ladies" because the word "woman" means so much more than "lady."

The girls who sell ribbons over the counters of the stores in San Francisco are very anxious to be called ladies, but their little minds never aspire to be ranked among the notable "women" of the world.

Such an idea is beyond the horizon of their thoughts. To sum the question up, females with brains, genius and capacity above their kind can be alluded to as "women" but when the female does not especially amount to much and can dress well, one must be very particular and give her the title of lady.

The ones who are not quite sure that they have a right to the title are the ones who make the biggest outcry when they don't get it.

Let every man try also to be a gentleman and every woman a lady and let no one lose sight of the fact that the good old Anglo Saxon terms of man and woman are fit to be applied to kings and queens, and generally are.

MONK TIMBER SUITS.—Last week Secretary Noble requested that civil and criminal suits be instituted against Gillo Coverazio and A. Mastratter of Eureka county, Nevada, for unlawful cutting of timber in this State.

SPECIAL TIMBER AGENT Snodgrass reports to the Interior Department that these cut from unsurveyed non-mineral public lands in Eureka county about 750 cords of wood, of which about 350 cords have been burned into charcoal. The value of the wood is given at \$2.50 per cord, and the charcoal is valued at 12 cents per bushel. The agent reports the trespass as willful.

CAN SUCH THINGS BE.—The Chronicle, speaking of the glove fight says:

The fight was witnessed by a number of prominent residents, who were apparently the most devout worshippers at the various churches yesterday and seated nearest the altar.

ARTHUR McEwen has resigned from the management of the San Francisco Examiner, and will locate in New York. His retirement from the Examiner will be a loss to Pacific Coast journalism.

The Examiner proprietors can never quite replace a writer of his peculiar and original characteristics.

I am breeding all of my Gibraltar fillies to him. He is very speedy, and has shown quarters in 25 seconds and half in 1:15. He has got a record of 2:40, but if he had not hit one of his ankles, and had to be stopped in his work, would have got a record in 2:25 or 2:26.

TRIUMPH.

TRIUMPH is a beautiful bay; stands 15 1/2 and weighs over 1,200 and is the finest looking a man ever saw. He took the first premium for 3 year-old stallions at the State Fair of 1888. TRIUMPH will make the Season the same as Gibraltar and Alpha. Terms, \$20 for the season; \$30 to insure.

PEDIGREE.

Triumph by Prompter, Prompter by Wilson's Blue Bull, the sire of more horses with records from 2:15 to 2:30 than any horse that ever lived. Mel. E. Clement, Secretary of the Missouri Trotting and Racing Horse Breeder Association in writing to Dr. Hicks, of Sacramento, owner of Prompter, says that he would rather breed to Prompter than any Stallion that is alive to-day. Triumph's dam is the celebrated St. Clair mare, Lady Brighton, owned by Mr. M. Toomy of Sacramento. His dam is now over 20 years old and can trot in 2:40 any day in the week. Senator Stanford in his catalogue of 1887 was breeding to 25 St. Clair blood mares and the most of his horses that have made the best records for 3 and 4 year-olds are out of St. Clair mares, namely: Fred Coakley-dam by St. Clair, two year old record 2:23 1/2; Boule, dam by St. Clair, 2 year old record 2:24 1/2; 3 year old record 2:19 1/2; Manzanita, dam by St. Clair, 4 year old record 2:16 fastest on record.

I have got 400 acres of pasture land enclosed and mares sent in care of me on the cars will be taken to the Ranch and bred, and good care taken of them. Pasture, Two dollars per month, or will keep them up for \$20 per month as I have over 100 fine box stables. Accidents and escapes at owner's risk. There is a fine race track on the Ranch and I will race horses to train or colts to break at reasonable rates. Also have a few Gibraltar colts to sell. If you want a good colt I can sell you one cheap. Positively no business allowed on the premises.
