THE CENTENNIAL BANQUET.

The centennial anniversary of the inauguration of Washington promises to be run by a set in New York known generally as "the four hundred."

Exactly what the status of the crowd is, no one knows, except that they have formed a set, and look down loftily on those underneath who do not happen to belong to the circle.

Very few of "the 400" have ever distinguished themselves in anything except by inheriting large fortunes from their Dutch ancestors who traded tobacco and peddled vegetables on Manhattan Island over a century ago.

Some of the ancestors of this precious crowd were dodging the clutches of the law most of their lives, and a good many came from that sturdy, adventurous stock of pirates who swarmed over the ocean in the good old days when the scuttling of merchantmen and the cutting of throats was the regular thing.

None of the wines to be swigged at this banquet are the product of the American grape, and in this age of home protection and honest American manhood, the whole affair, as far as New York is concerned, is something which it would be a disgrace for any self-respecting American to attend.

A FEARLESS JOURNALIST.

It is definitely settled that Arthur McEwen will leave the Examiner and take up his residence in New York. McEwen has always ranked not only as a brilliant journalist, but a perfectly honest and fearless one, and his lance was always set for the shams and humbugs that infest the path of every paper wherever it is published.

The American Idea.

Speaking of the influx of foreigners the S. F. Chronicle says:

"What is to be done to check this flood which is continually pouring in upon us? We can with all propriety, shut out paupers and criminals and all who are intrinsically undesirable, but what can we do to keep out the men and women who might be desirable if we needed to increase our population by immigration? Every one who comes here must make the struggle for existence so much the keener for our own people, and it is time to consider whether, in justice to our native-born population, we should not restrict the immigration of aliens simply because they are aliens and because we do not want them. How this can be done is a matter of study. The first thing to do is to determine that we want it done."

To which the Enterprise makes the following suggestions:

The remedy is very simple. It is only necessary that our politicians recover from the fear of offending the foreign vote, repeal the naturalization and land laws by which strangers can come and rule us and take our property, and place a poll tax on immigrants.

A doctor has gravely informed the New York Academy of Medicine that not only are ordinary water filters pasture grounds for swarms of harmful bacteria, but the different mineral waters known to commerce team with animal life of dangerous types. The doctor's own favorite beverage was not specified.

There is a preacher in Oregon who refuses to eat. He is thought to be in training for a call to some Nevada pastorate.

TRIUMPH.

TRIUMPH is a beautiful bay; stands 15.3 and weighs over 1,200 and is the finest looker a man ever saw. He took the first premium for 3-year-old stallions at the State Fair of 1888. TRIUMPH will make the Season the same as Gibraltar and Alpha. Terms, \$20 for the season; \$30 to insure.

PEDIGREE. Triumph by Prompter, Prompter by Wilson's Blue Bull, the sire of more horses with records from 2 15 to 2 30 than any horse that ever lived. McL. E. Clement, Secretary of the Missouri Trotting and Racing Horse Breeder Association in writing to Dr. Hicks, of Sacramento, owner of Prompter, says that he would rather breed to Prompter than any Stallion that is alive to-day. Triumph's dam is the celebrated St. Clair mare, Lady Brighton, owned by Mr. M. Toomy of Sacramento. His dam is now over 20 years old and can trot in 2 40 any day in the week. Senator Stanford in his catalogue of 1887 was breeding to St. Clair brood mares and the most of his horses that have made the best records for 2-3 and year-olds are out of St. Clair mares, namely: Fred Crocker dam by St. Clair, two year-old record 2 25 1/2; Bonito, dam by St. Clair, 2 year old record 2 24 1/2, 3 year old record 2 18 1/2; Manzanita, dam by St. Clair, 4 year old record 2 16 fastest on record.

I have got 400 acres of pasture land enclosed and mares sent in care of me on the cars will be taken to the Ranch and bred and good care taken of them. Pasture, Two dollars per month, or will keep them up for \$20 per month as I have over 100 fine box stalls. Accidents and escapes at owner's risk. There is a fine race track on the Ranch and I will take horses to train or colts to break at reasonable rates. I also have a few Gibraltar colts to sell. If you want a good colt I can sell you one cheap. Positively no shooting allowed on the premises.

ADDRESS, JOHN P. SWEENEY, Prop'r, CARSON CITY, NEV
