ROYAL BAKING POWDER
Absolutely Pure.

This powder never varies. A marvel of purity, strength and wholesomeness. More economical than the ordinary kinds, and cannot be sold in competition with the multitude of low cost, short-weight, adulterated or spurious powders. Sold only in cans. **ROYAL BAKING POWDER CO., 106 Wall Street New York.**

What on Earth

Is the reason people will not, cannot, or do not see any difference in cheap nostrils put up by Cheap John houses or irresponsible parties at enormous profits, rather than take a medicine of world wide reputation and one that is giving universal satisfaction at equal price? No medicine in the world is giving such unparalleled satisfaction for purifying the blood as **BEGGS' BLOOD PURIFIER & BLOOD MAKER**, and every bottle that does not do its work, will cost you nothing. **W. H. Chedic, Druggist.**

How Can Parents

allow their children to cough and strain and cough and calmly say: "Oh! its only a little cold," and keep giving them cheap and dangerous medicines, until they are down with lung fever or consumption, when they can be so easily relieved by **BEGGS' CHERRY COUGH SYRUP**? It has no superior and few equals. **W. H. Chedic, Druggist.**

CHASE & SANBORN.

Advice to Mothers.

Mrs. Winslow's Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays the pain, cures wind colic, and is the best remedy for diarrhoea. **Twenty five cents a bottle.**

Not a fit, but an expression of delight. "About a week ago," says a Los Angeles, Cal., druggist, "a Chinaman came in with a lame shoulder. I sold him a bottle of Chamberlain's Pain Balm and guaranteed that it would cure him. He came in again last night, and as soon as he got inside the door, began to swing his arms over his head like an Indian club swinger. I thought the blamed fool had a fit, but he finally stopped long enough to say: 'Medicine velly fine, velly free; ally same make me feel pleasy good.'" Chamberlain's Pain Balm is without an equal for sprains, rheumatism, aches, pains or lame back. For sale by G. C. Thaxter.

Nevada's Wool.

Not content with appropriating Nevada silver and Nevada productions generally, California is taking all the credit in the Eastern States for the excellence of Nevada's wool product which is proving to be as good as any grown in the world. It has been the custom heretofore to ship it to San Francisco, from whence it goes to Boston and Philadelphia labeled "California clip" and is so put upon the market. It works something like the coast delegation to a national convention. The are all swallowed by the California contingent if they will stand it. Nevada has many advantages not possessed by California and she should not allow herself to be completely suppressed. It is not considered good form for the candle to be always covered by the bushel.—Reno Gazette.

SOCIAL GOSSIP.—Pandora, in the Four Hundred column of the Examiner has the following.

I hear from Reno that Mrs. Bessie Hooker, who is staying there, is determined to fight her case to the bitter end, and has retained the services of Messrs. Garber & Bishop. According to the present outlook this promises to be one of the most sensational divorce cases in the social history of the State.

CARSON GUARD BALL.—Some people think that when they get of a certain age they must eschew dancing. This is an error. There are times when everybody ought to dance, or at least buy a ticket. On the 30th of the month, the Carson Guards give a grand ball at Armory Hall, and as we before remarked, if you do not dance, at least purchase a ticket. It will be an enjoyable affair.

Cough! and Cough! and Cough!!
What in the world is the reason you will cough and keep coughing and still keep trying inferior medicines when **BEGGS' CHERRY COUGH SYRUP** will positively relieve your cough at once? This is no advertising scheme, but an actual fact, and we guarantee it. **W. H. Chedic, Druggist.**

Thaxter.

The San Francisco papers are making war on the frauds who pose as seers and revelators, and the police are assisting in the work. Scores of these humbugs have skipped out of San Francisco of late, to seek fresh fields for their work.

For a time it looked as if the experimental station of the State University was in danger for lack of funds, but Senator Stewart has straightened it all out.

"SWEET HOME."

"There is no place like home" runs the old song, and we know how true it is.

Go where we will—encounter men in whatever circumstances we may—we shall be apt to find that a reference to their homes will immediately secure their attention, and will give you favor in their eyes.

The impressions made in the home are lasting. A mother's words never pass from the mind. A father's counsel remains fresh so long as life lasts. The last benediction of parental love and solicitude—with what tenacity it clings to the memory when almost all else has gone.

How important, therefore, that the home be maintained intact as long as possible—a haven of loving counsel, of peace and joy to the growing children. How sad when death invades, when the fire goes out on the hearth-stone and the family is scattered. What the children lose by the death of a parent only those realize who have grown up without that love and advice which a parent alone can bestow.

No doubt, tens of thousands of parents have found premature graves, who might have lived years of usefulness, had they but known what was sapping their strength, and slowly but surely pushing them into the grave.

There are tens of thousands of parents to-day in agony of mind through fear of death from kidney disease, who do not know they are doctoring only symptoms—such as wakefulness, nervousness, a splendid feeling one day and an all-gone one another, dropsy, weak heart action, pneumonia, neuralgia, fickle appetite, etc., while the real trouble is poisoned blood caused by diseased kidneys. Unless purified with Warner's Safe Cure they will just as surely die, as though poisoned with arsenic.

If you are suffering as described, and have been for any length of time, you are, unless you get relief right speedily, stricken with death, whether you know it or not.

Doctors publicly admit that they cannot cure advanced kidney disease; they are too bigoted to use Warner's Safe Cure because it is an advertised remedy; consequently, unless you use your own good judgment, secure and use Warner's Safe Cure, a specific, which has proved itself in tens of thousands of cases to be all it is represented, your home, through your death, will be broken up and your loved ones deprived of that which money cannot purchase or friends supply.

Already too many loving parents, noble, kind and true, have gone down to premature graves through ignorance of their condition, and the bigotry of physicians. It is time to cry a halt, and we beg of you, for the love you bear your home and the duty you owe yourself, to give this matter your careful and conscientious consideration.
