

The treatment of many thousands of cases of chronic weakness and distressing ailments peculiar to females, at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., has afforded a vast experience in wisely adapting and thoroughly testing remedies for the cure of women's peculiar ailments.

Dr. Pierce's Favorite Prescription is the outgrowth, or result, of the most valuable experience. Thousands of testimonials, received from patients and from physicians who have tested it in the more aggravated and obstinate cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect specific for women's peculiar ailments.

As a powerful invigorating tonic it imparts strength to the whole system, and to the womb and its appendages in particular. For overworked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shopgirls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nerve tonic, "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is a legitimate medical cure, carefully compounded by an eminent and skillful physician, and adapted to women's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial.

"Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhoea, excessive flowing, painful menstruation, uterine suppurations, prolapsus, or falling of the womb, weak back, "female weakness," retroversion, retroversion, bearing-down sensation, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "internal heat."

As a regulator and promoter of functional action, at that critical period of life known as "girlhood to womanhood," "Favorite Prescription" is a perfectly safe remedy, producing only good results, and valuable in its effects for these disorders and derangements, and to that later and most critical period known as "The Change of Life."

"Favorite Prescription," when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Tablets (Little Liver Pills), cures Liver, Kidney and Bladder diseases. Their combined use also removes blood poisons, and obviates cancerous and scrofulous humors in the system.

"Favorite Prescription" is the only medicine for women sold by druggists, under a positive guarantee from the manufacturers, that it will cure every case of every kind, or money will be refunded. This guarantee has been printed on the bottle wrapper, and faithfully carried out for many years.
