How Can Parents

allow their children to cough and strain and cough and finally say: "Oh! it's only a little cold." and keep giving them cheap and dangerous medicines, until they are down with lung fever or consumption, when they can be so easily relieved by BEGG'S CHERRY COUGH SYRUP. It has no superior and few equals. W. H. Chedick, Druggist.

What on Earth

Is the reason people will not, cannot, or do not see any difference in cheap nos. trons put up by Cheap John houses or irresponsible parties at enormous profits, rather than take a medicine of world wide reputation and one that is giving universal satisfaction at equal price? No medicine in the world is giving such unparalleled satisfaction for purifying the blood as BEGG'S BLOOD PURIFIER & BLOOD MAKER, and every bottle that does not do its work, will cost you nothing. W. H. Chedick, Druggist.

Attest:—
 Wm. Hy. Doane, Clerk.

A man has been serving as a juror for thirty days in Alameda county California. After drawing his pay for services, he applied to the Judge and asked to be admitted to citizenship. To say that that Judge was astonished is drawing it mild. It is probable he will hereafter lean somewhat toward the American Party in politics.

Advice to Mothers.

CHINESE WHITE CAPS.—

Yesterday, Frank Lee and young Coombs were in the rear of Doc. Benton's livery stable looking toward China town when they saw two Chinamen leading another toward the Joss House. The Chinaman who was being carried or forced along was crying, yelling and fighting to get away. The boys thought there must be something wrong and ran to the scene and rescued the frightened man from the large crowd of Mongolians which had gathered around. The rescued man, after reaching town, said the proposition was to lock him up in the Joss House until night and then cut off his head. Officer Stern captured one of the Chinamen who was leading this man to his death. The Chinese say that it is the work of the Chinaman Num.

 LATER—Mrs. Wallace is safe at Cresson, Penn.

Bough and Cough! and Cough!
 What in the world is the reason you will cough and keep coughing and still keep trying inferior medicines when BEGG'S CHERRY COUGH SYRUP will positively relieve your cough at once? This is no advertising scheme, but an actual fact, and we guarantee it. W. H. Chedick, Druggist.

 My facilities for purchasing good meat are second to none in the State, and customers can always be assured of the best in the market.
