ROYAL BAKING POWDER
 Absolutely Pure.

This powder never varies. A marvel of purity, strength and wholesomeness. More economical than the ordinary kind, and cannot be sold in competition with the multitude of low cost, short-weight, adulterated imitations. Sold only in cans. ROYAL BAKING POWDER CO., 116 W. 30th Street New York.

Croup can always be prevented by giving Chamberlain's Cough Remedy as soon as the child becomes hoarse. It is pleasant and safe to take and perfectly reliable. Price, 50 cents per bottle. For sale by G. C. Thaxter.

How Can Parents allow their children to cough and strain and cough and calmly say: "Oh! it's only a little cold," and keep giving them cheap and dangerous medicines, until they are down with lung fever or consumption, when they can be so easily relieved by BEGG'S CHERRY COUGH SYRUP? It has no superior and few equals. W. H. Chedic, Druggist.

What on Earth is the reason people will not, cannot, or do not see any difference in cheap nos trumps put up by Cheap John houses or irresponsible parties at enormous profits, rather than take a medicine of world wide reputation and one that is giving universal satisfaction at equal price? No medicine in the world is giving such unparalleled satisfaction for purifying the blood as BEGG'S BLOOD PURIFIER & BLOOD MAKER, and every bottle that does not do its work, will cost you nothing. W. H. Chedic, Druggist.

THE LALIES' LAUNDRING MACHINE.—Patented in the United States and Canada. The first Laundry Machine ever invented for family use having a Stationary Tub-rest, Patent Washer with Automatic Adjustment, a High Pressure Hard Rubber Wringer, Folding Clothes-rack, all combined in one patent, hence has one royalty. Sold only by parties owning territory. Manufactured by George & Tweedale, Constantine, Michigan. Doc. Benton, Sole Agent. a16*

The best hay yard in town for big and small teams to put up at is John Carney's.

Charley Sharp, formerly of the Ormsby House, is reported to have the consumption.

The ball on the tower of the Public Building has been gilded and put in place. It looks rich.

M. Cohn has one of the biggest dry goods stores in the State and keeps the latest styles of goods.

R. S. Miner, Esq. and T. B. Rickey left for Antelope Valley and Bridgeport yesterday afternoon.

Mr. C. L. Bigelow, yesterday measured the ground of the State Printing office for the new fence.

The streets are now sprinkled nights for fear of a scarcity of water this Summer. Good idea.

A two story brick building will shortly be erected between Hofer Bros. dry good store and Schneider's bakery.

Don't forget to buy some of Eli Barkley's fresh French candies while it is fresh, also hot roasted peanuts.

Frank Jellerson of Glenbrook is getting up a big 4th of July celebration. His ad and programme will appear to-morrow.

Geo. T. Davis' grocery store is the largest in the State. He carries the largest stock of goods and sells cheap. See his ad.

Governor Stevenson, Treasurer Tufty and Controller Hallock went over to Reno yesterday to examine the State Insane Asylum affairs.

The Geological surveying party have started out. Part of it went to Markleville and the balance to Carson Valley and along the Carson river.

Dick Mills caught a 7 1/2 pound trout at the Mexican Dam last Sunday, but it got away. Dick will give him another rattle next Sunday.

In the District Court yesterday, before Judge Rising, Guiseppe Bruni, the Italian murderer pleaded not guilty. His trial is set for June 24th.

The APPEAL office is dry as a powder house. A little of Jake Klein's beer would sprinkle the editorial room down in fine style. First call of the season.

For quick and neat job printing go to the MORNING APPEAL job office, it has all the latest designs of type and a steam press. Work done quick and cheap.

Jesse Bright says there is surely an error in the surveying of the new race track, for he walked around it yesterday and it is two miles in place of one.

There are lots of fish caught now along Carson street, and camping parties are daily made up. This hot weather makes people feel like going to the mountains.

The Bellevue Hotel at the lake which has been attached, is not closed. It is reported here that Mr. Kaiser has gone to Placerville to have the property released.

Will Cowan and Harry Summers are doing good work selling tickets for the Red Men's picnic, which takes place here next Sunday. All who are able should buy a ticket, for it promises to be the biggest picnic held here for years. Reno and Virginia will be well represented and a good time is promised.

Dempsey and the Marine will fight under the auspices of the California Athletic Club for a purse of \$5000 on August 27th.

The reporter of the APPEAL made a mistake the other day in giving the name of the gentleman who caught the trout in the city reservoir. It should have been Close instead of Tight.

As a watch maker, Charlie Friend of this city has no superior. He keeps a fine line of jewelry, also all kinds of domestic and imported cigars, pipes, chewing and smoking tobacco.

A Southern writer, who doubtless knows a good card when he sees it, has written a new drama, to which he has given the seductive name of "Poker." He evidently hopes to make a good draw.

The "rose tea" to be given by the young ladies of the Episcopal Church is something novel in the way of entertainment. It will take place June 12th. The price of admission will be 50 cents.

Tibbets was acquitted by the U. S. Circuit Court jury for the shooting of Derby at Mud Lake night before last. It stood 11 for acquittal and one for conviction. The Court has adjourned until Monday.

C. H. E. Hardin, a prominent candidate for Congress before the Democratic Convention last year, came up from San Francisco yesterday morning and went out to Mason Valley to view his herds and lands.

Since the stabbing and killing of an Italian by a fellow countryman in this city a little over a week ago, there is a great many strange Italians on the streets. There was a rumor around town the day the murderer was caught, that he would be lynched.

About a dozen of Carson young men held a meeting last night for the purpose of organizing a gymnasium. It is a good idea, and all young men should join. The money put into an institution of that kind is that much money taken away from the medicine man.

Yesterday "Voltair" Clark got very drunk and rode a buckskin horse around town all the forenoon, beating him over the head and abusing him all he could. In the afternoon he got his horse Tricksey out in a sulky and drove, whipped and abused that horse until the animal got frenzied and tipped the sulky over, broke one of the shafts and skinned Clark's head. It is the duty of the officers of the law to put such men in jail for cruelty to animals or take the animals away from them.

Can Some of our Farmers Explain?

EDITOR APPEAL;—Some time since I planted potatoes when the weather appeared, from my knowledge, to be just right. Again, I planted some potatoes at the new of the moon. The former have done very well, but those planted just at the new of the moon have sent out large and vigorous tops, and are, apparently, growing one-third faster than the others. Can any of your farmer-readers tell why this is so?

Yours, respectfully,
JOHN FARMER.

[Although not much of a practical farmer, the substitute editor of the APPEAL has always understood that the proper time to plant potatoes, or anything else which grows under the ground, is in the "dark of the moon," and anything which grows on top of the ground should be sown in the "light of the moon." Possibly some of our farmers are posted in these matters well enough to write us a few lines telling what they know about it. If they will do so the columns of the paper are at their service.—Sub. Ed. APPEAL.

Empire Notes.

Miss E. Oil, who was so seriously ill sometime past, is now able to be around again. Emma is one of Empire's popular society young ladies, and her many friends are glad she has recovered. Although very thin, she will soon pick up and be the same laughing and jolly young lady as before her sickness.

Sam Longbaugh is busy getting his wood out of the river.

Supt. Williams has gone North, to be away three weeks.

Empire is full of workmen.

If you want to have a good time don't forget the ball tonight at Wiggins' hall. Empire is the place to have a good time; everybody sociable.

The Empire ladies and gentlemen are proposing to go to Dayton on the 14th inst. Dance, of course.

THANKS.—The APPEAL yesterday received a box of fine trout from the veteran landlord of Lake Tahoe, E. Clemens, better known as "Yank." It is gratifying to be thus pleasantly assured that Yank still pulls the speckled beauties from the cool waters. The Cascade House is open, and its noted landlord will serve its guests with the finest meals and beds to be had at the Lake this season.

Cough! and Cough! and Cough!

What in the world is the reason you will cough and keep coughing and still keep trying inferior medicines when BEGG'S CHERRY COUGH SYRUP will positively relieve your cough at once? This is no advertising scheme, but an actual fact, and we guarantee it. W. H. Chedic, Druggist.

WONDERFUL! WONDERFUL! WONDERFUL! Cephaline; a new and wonderful remedy for headache, cures the very worst cases almost instantly. It contains no narcotics and is perfectly harmless. Try it. No cure no pay. Price \$1 per bottle. For sale by G. C. Thaxter. my20, 1m

Advice to Mothers.

Mrs. Winslow's Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays the pain, cures wind colic, and is the best remedy for diarrhoea. Twenty five cents a bottle.

Not a fit, but an expression of delight. "About a week ago," says a Los Angeles, Cal., druggist, "a Chinaman came in with a lame shoulder. I sold him a bottle of Chamberlain's Pain Balm and guaranteed that it would cure him. He came in again last night, and as soon as he got inside the door, began to swing his arms over his head like an Indian club swinger. I thought the blamed fool had a fit, but he finally stopped long enough to say: 'Medicine velly fine, velly fine; aily same make me feel plenty good.'" Chamberlain's Pain Balm is without an equal for sprains, rheumatism, aches, pains or lame back. For sale by G. C. Thaxter.
