

THE SCHOOL BOARD

The proposition to issue bonds to the sum of \$40,000 to build a new school house for the city of Carson, is causing a great deal of discussion.

The editor of the APPEAL has just returned from San Francisco and at the present writing is obliged to confess himself as very slightly posted on the proposition.

The columns of this paper are open to all those who desire to express themselves upon the subject.

Before the vote is taken there will be no harm in having a very thorough discussion on the proposition.

Mr. James Runciman in the Fortnightly Review has done the literary world valuable service in showing by parallel passages, and by mathematical exactness of proof that Haggard, the sensational writer, is a plagiarist.

THE SILVER BILL

The Coinage Committee Reports

WASHINGTON, March 24.—By a majority vote the House Committee on Coinage, Weights and Measures today authorized Chairman Conger to report the Windom silver bill to the House, with a number of amendments.

Provided, that when the market price of silver, as determined in accordance with Section 5 of this Act, is one dollar for 371.25 grains pure silver, it shall be lawful for the owner of any silver bullion, the deposit of which for notes is herein provided for, to deposit the same at any coinage mint in the United States, to be coined into standard silver dollars for his benefit, as provided in the Act of January 18, 1887.

The next amendment strikes out Section 6, which authorizes the Secretary to suspend temporarily the receipt of silver bullion at any time when satisfied that through combinations or speculative manipulations of the market the price of silver is arbitrary, nominal or fictitious.

The next is the one proposed by the Secretary adding a new section, which provides for stamping with the word "foreign" of resultant bars of all foreign silver bullion or coins to be remelted or refined.

The next amendment was to Section 14. It provides that nothing in the Act shall be construed to effect the legal tender quality of the standard silver dollar.

A minority report on the bill will also be submitted.

Bill Nye was Sed

ASTORIA, March 24.—Bill Nye the humorist, arrived on the State of California from San Francisco today. The steamer had a very rough trip. When asked if this was his first trip up by steamer he replied in the affirmative and added: "We never came up this way before, and neither did our victuals."
