COMING TO CARSON! DOCTORS MILLER & SMITH

FROM THE... Medical and Surgical Infirmary

PHILADELPHIA AND DENVER.

Have opened a branch office in Virginia City and have arranged to make regular professional visits to Carson and may be found at the Arlington House on Sunday and Monday, May 18th and 19th, fully prepared to treat all Chronic, Special and Surgical Affections of both sexes, including:

CATARRH, THROAT AND LUNG AFFECTIONS.

Also Affections of the eye, Deafness, Disease of the Joints, Crippled and deformed; Chronic Female Diseases, Rheumatism, Rupure, Urinary, Blood and Nervous Diseases of both Sexes.

CATARRH. THIS DANGEROUS MALADY, THE forerunner of Deafness and Consumption, is so prevalent in this section of Nevada that we feel constrained to give the subject more than a passing notice.

Catarrh is one of the most frequent causes of deafness, scarcely any one afflicted with this disease for any length of time retains a normal acuteness of hearing power. With some, the hearing suffers at first only at times, the ears become stuffed during each accession of cold, or stopped up when blowing the nose; but by degrees these shells of deafness occur oftener and last longer until at length the hearing becomes permanently impaired.

By scientific research it has been discovered that the terrible disease is caused by a GERM or MICROBE, and our Germicidal Treatment will positively cure the worst cases.

A FREE TRIAL will be given to any who will call at our office.

MALIC DISEASES. We treat all private, chronic and nervous diseases of men, and cure secret blood and skin diseases, sores and swellings, nervous debility, impotence and other weaknesses of manhood.

We correct the secret errors of youth and their terrible effects, loss of vitality, palpitation of the heart, loss of memory, despondency and other troubles of mind and body.

We are regular graduates of over 25 years' experience in metropolitan institutions for the sole treatment of chronic and special diseases.

Reference can be given to any number of cases cured at Virginia City.

CONSULTATION FREE. May 8th
