Medical and Surgical Infirmary

Have opened a branch office in Virginia City and have arranged to make regular professional visits to Carson and may be found at the Arlington House on Sunday and Monday, May 18th and 19th, fully prepared to treat all Chronic, Special and Surgical Affections of both sexes, including:

CATARH, THROAT AND LUNG AFFECTIONS.

Also Affections of the eye, Deafness, Disease of the Joints, Grippled and deformed of Chronic Female diseases, Rheumatism, Rupure, Urinary, Blood and Nervous Diseases of both Sexes.

CATARH.

THIS DANGEROUS MALADY, THE forerunner of Deafness and Consumption, is so prevalent in this section of Nevada that we feel constrained to give the subject more than a passing notice.

Catarh is one of the most frequent causes of deafness. Scarcely any one afflicted with this disease for any length of time retains a normal acuteness of hearing power. With some, the hearing suffers at first only at times, the ears become obstructed during each accession of cold, or stopped up when blowing the nose; but by degrees these spells of deafness occur oftener and last longer, until at length the hearing becomes permanently impaired. In others it is a chronic, crowding indistinct wit out the appearance of any preliminary symptoms, and the deafness increases steadily until all useful hearing is lost. Noises in the head similar to the escape of steam, the roaring of the ocean, the ringing of bells, the stinging of the tea-kettle, and, in fact, all conceivable sounds at times are heard, which add materially to the existing distress. The disease spreads from organ to organ, in adding the throat, larynx, trachea and bronchial tubes, until encroaching further and further, it reaches the finer ramifications of the bronchi, when a slight impetus is needed to send it to the lung tissue.

Experience has proven that in a majority of cases, nasal catarrh becomes the starting point of consumptive development, the disease being transmitted to the lungs both by a nervous connection and a continuity of surface, and so frequently has this course been noticed that nasal catarrh is now regarded as a premonition and one of the earliest manifestations of consumption.

By scientific research it has been discovered that the horrible disease is caused by a GERM or MICROBE, and our Germicidal Treatment will positively cure the worst cases. A FREE TRIAL will be given to any who will call at our office.

MALD DISEASES.

We treat all private, chronic and nervous diseases of men, and cure secret blood and skin diseases, warts and swellings, nervous debility, impotence and other weakness of manhood.

We correct the secret errors of youth and their terrible effects, loss of vitality, palpitation of the heart, loss of memory, despondency and other troubles of mind and body. Prevent consumption, heart disease, a tendency of the brain and spine, insanity and other ailments caused by the errors, excesses and disease of boys and men.

We restore lost vigor and manly power, remove deformities and restore the organs to health. We also cure diseases caused by mercury and other poisonous drugs used in the improper treatment of private diseases. To such as have failed to be benefited by drugs, we would say that our NEW GALVANO-OXYGEN TREATMENT will certainly restore you to vigorous manhood, or your money refunded. We are regular graduates of over 25 years' experience in metropolitan institutions in the treatment of chronic and special diseases. Reference can be given to any number of cases cured at Virginia City.
