

Every Ormsby county Republican should see that he is at the polls this morning, not only voting for the ticket, but working for it. It is needless to disguise the fact that the party is confronted with a closer fight this year than ever before.

It simply requires activity and good work to win, but there must be no relaxation of the work from the opening to the closing of the polls.

Let every man see that his friend and neighbor is on hand early, to vote the regular Republican ticket.

The Democrats have given up the fight on the State ticket except for Governor, and everything in sight will be traded to pull voters in.

Let Republicans watch the proposition closely and make a special fight for R. K. Colcord when ever this is attempted.

The county ticket of Ormsby will be carried to a man by majorities ranging from 150 upwards. There is not a man on the ticket that good Republicans cannot conscientiously vote for and the honest administration the party has had in the past is a sufficient guarantee for its faithfulness in the future.

The Democrats will center their fight on the Sheriff and Senator and try to trade them in.

Republicans will do well to be on the alert for this work and see that Rickey and Botsford, have the party majority.

R. K. COLCORD.

No gubernatorial nominee ever made a more dignified, gentlemanly campaign than R. K. Colcord. He has traveled all over the State, and every slander invented by the Democrats to cut down his majority has recoiled against the inventors.

He has been clean, conservative and respectable throughout his fight, and never had a single word to say against his opponent.

He has been a model candidate and will make a model Governor. The Constitutional Convention.

It is generally admitted that a Constitutional Convention would be an excellent thing for this State. Only in this way can the burden of taxation be lightened and much needed changes in our organic law affected.

The Democratic tickets are all printed for the Constitutional Convention, and the Republican tickets all against it.

It would have been much fairer for both parties to have printed both "Yes" and "No" on the tickets, and given the voters a chance to decide after a little thinking.

When the ballot is printed one way hundreds of voters accept the proposition without giving it a thought.

The joint debate in Virginia last night between Bartine and Cassidy resulted in another clean knock-out for Bartine. He did Cassidy up, picked the meat off his bones and threw the bones out of window. Cassidy made a bully's attack upon Bartine, but it turned out to be nothing but feathers and fuss. He was met at every turn by clean cut reasoning in a manner at once so dignified and polished that it put the Hon. Geo. at great disadvantage. It will be a cold day when Cassidy challenges Bartine to discuss the political issues of the day with him again.—Gazette.

The continual arrest of prominent Mormons for practicing polygamy is the best evidence that before the Saints can be credited with any change of heart consequent upon President Woodruff's proclamation they must bring forth fruits meet for repentance.

Colcord is the man for Governor. He is a man of ability and dignity to the office. Vote for Colcord.

Platform and Resolutions

The Republican party of Ormsby County, in convention assembled, renews its pledges of faith in and allegiance to the doctrines and principles of the Republican party, which in the future as in the past, will continue to advocate to the people a broad and most enlightened freedom, consistent with safety to the State, and the perpetuity of our form of government.

Resolved, That this Convention pledges its nominees to rigid economy in the administration of the affairs of Ormsby County and the State of Nevada in the interest of all the people alike, so as to reduce the rate of taxation to the sum consistent with good government.

Resolved, That we heartily appreciate the efforts of ex-Governor John P. Jones, William H. Stewart and Congressman H. F. Burton, in behalf of the re-organization of silver, and in abolishing other legislation of interest to our people.

Resolved, That the nominees of this Convention be pledged to support Hon. John P. Jones for United States Senator to succeed himself.

Resolved, That we heartily endorse the administration of the late Governor, or C. C. Stevenson and the late Lieutenant Governor, or H. C. Davis, and extend our sincere sympathy to their bereaved widows and relations.

We most heartily endorse the platform adopted by the Republican State Convention at Virginia City, as a manly and conservative declaration of principles suited to the necessities and demands of the people of this State.
