THE NATION MOURNS.

After a lingering illness Mrs. Benjamin Harrison wife of the President of the United States, departed this life on Monday evening.

The sympathy of the civilized world, without regard to sect, or nationality is extended to the President in his bereavement.

DECEIVING ITS READERS.

The "Republican" has copied the kindergarten methods of the "Sun" and staked Harrison's chances in Colorado on the bugaboo qualities of the Jere Simpson bill, for which the Kansas Congressman is not in any sense responsible, since he introduced it by request, in accordance with a custom in Congress when a bill is offered to a member and he does not agree with its provisions.

The point the Wall street press would impose on their readers is that since Jere Simpson is a member of the People's party, which is championed by General Weaver, the latter is responsible for what the former does; and since the bill in question has a crazy provision that calls for the abandonment of gold and silver coin, therefore General Weaver is opposed to gold and silver, and his fight for free coinage for the past seventeen years, with his present heroic efforts for silver upon a free coinage platform, go for nothing. The weak spot in this official fake, which is an insult to the public intelligence, is that the bill indicated does not owe its paternity to Jere Simpson at all and does not meet with his approval. The fact is that it was introduced by request and the significance of that fact are well understood by the "Republican," but are withheld from its readers by that treacherous and venal organ of Eastern capital.—"Rocky Mountain News."

The above is respectfully submitted to all fair minded men as a sufficient denial of the "Carson News" stale item misrepresenting the People's party.

Be Fair, Gentlemen.

Although Charlie Lagrave (one of the founders of the silver party) is the Democratic Senator from Humboldt who introduced and passed the Australian ballot law, which our silver party Assemblyman nominees are pledged to sustain, yet the Republican party press reiterates the senseless charge that we are opposed to this law. The results of the next election will prove how much indebted we are to the weapon which brought us victory, when first used throughout the State. The Republicans who under protest voted for this Democratic bill, may find it to be like that other Australian weapon, the boomerang—serviceable only to those who appreciate its real merits.

The Tribune denies that Bartine was smoking a cigar when he voted for the Force bill and Stewart was fighting for silver.

Seventeen years ago today Virginia City was a waste of ashes.
