THE NEXT CONGRESS.

A Washington special to the New York Post says the third party will hold the balance of power in the next Senate. A political statistician who has been examining the field with great care and absolute impartiality reaches the conclusion, after granting the Republicans every seat that can possibly go to them in the next Senate, that the Republicans and Democrats will be practically tied, and the Populists will hold the balance of power.

Of course it is humiliating to the Post, which is an uncompromising goldbug paper, to have to admit that the new party will hold the balance of power in the Senate, but it will cause general rejoicing throughout the country as it insures the new party recognition in the Senate and its members positions on important committees.

It is very probable, too, though our goldbug is expected to admit it, that the Populists will hold the balance of power in the next house of representatives. There is general dissatisfaction throughout the country and it will make itself manifest at the polls in the ensuing election. Republicans and Democrats have been tried at Washington within a few years and both found wanting. The masses of the people are in open rebellion against the Wall street combine, and look to a new party for the relief which the old parties will not give them.

Parties desiring matzos will please leave their orders at A. Jacob's tailor shop. Miss Sophia Jacobs who has been studying music under the instruction of Prof. F. Zech of San Francisco, is now prepared to give lessons to a limited number of pupils. For particulars inquire at residence.

Frederick Must Hang.

OTTAWA, Ill., March 21.—The Supreme Court has denied the super-seedeas in the case of Prendergast, the assassin of Mayor Harrison of Chicago. Both Prendergast and Higgins are under sentence to be hanged on Friday next.

The Paper Tea will be held at the residence of Judge M. A. Murphy on Saturday, March 31st, from 3 to 10 p. m. The evening entertainment will be very attractive. Music and readings by Miss Howe, illustrated with tableaux vivants. Everyone will receive a cordial welcome.

Charles N. Crittenton, sometimes called the "Millionaire Evangelist" on account of his great wealth, will commence a series of meetings in Odd Fellow's Hall Tuesday evening March 22nd.

He has held meetings in many parts of Europe and Asia, and during the last few years has devoted much time to the Pacific Coast, many thousands having been converted through his influence.

Preparatory services are being held in the Methodist and Presbyterian Churches. A large chorus choir will be organized for the occasion, and a cordial invitation is extended to the people of Carson, Empire, Genoa and other places to assist in these interesting services.

ADVICE TO MOTHERS.—LAWYER'S SYRUP should always be used for children's coughing. It soothes the child, cures the croup, allays the pain, cures wind colic and is the best remedy for diarrhoea. 5 cents a bottle.

It is a powerful remedy and for rheumatism is the king of the world. Aches knocked out in short order. No horseman should be without a bottle.
