SURROUNDED BY MYSTERY!

A Great Mistake.

A recent discovery is that headache, dizziness, dulness, confusion of the mind, etc., are due to derangement of the nerve centers which supply the brain with nerve force; that indigestion, dyspepsia, neuralgia, wind in stomach, etc., arise from the derangement of the nerve centers supplying these organs with nerve fluid or force. This is likewise true of many diseases of the heart and lungs. The nerve system is like a telegraph system, and will be seen by the accompanying cut. The little white lines are the nerves which convey the nerve force from the nerve centers to every part of the body, just as the electric current is conveyed along the telegraph wires to every station, large or small. Ordinary physicians fail to regard this fact; instead of treating the nerve centers for the cause of the disorders arising therefrom they treat the parts affected.

Franklin Miles, M. D., L. L. B., the highly celebrated specialist and student of nervous diseases, and author of many noted treatises on the latter subject, long since realized the truth of the first statement, and his Restorative Nerve is prepared on that principle. Its success in curing all diseases arising from derangement of the nervous system is wonderful, as the thousands of unsolicited testimonials in possession of the company manufacturing the remedy amply prove.

Dr. Miles' Restorative Nerve is a reliable remedy for all nervous diseases, such as headache, nervous debility, prostration, sleeplessness, etc., since hysteria, sexual debility, St. Vitus dance, epilepsy, etc. It is sold by all druggists on a positive guarantee, or sent direct by the Dr. Miles Medical Co., Elkhart, Ind., on receipt of price, \$1 per bottle, six bottles for \$5, express prepaid.

Restorative Nerve positively contains no opiates or dangerous drugs.
