

THE INAUGURAL BALL.

The Committee on the Inaugural Legislative Ball arranged to have the ball at the Carson Opera House on the 25th of the present month.

It was resolved that each committee should consist of one State officer, one Senator and one Assemblyman.

The following committees were appointed:

Arrangements: Howell, McCone, General Galusha and McNaughten.

Reception: Gov. Jones, Lieutenant Gov. Saddle, Senator Gignoux and Speaker Allen.

Music: LaGrave, Maute and Constant.

Hall: Cutting, Martin and McDonald.

Refreshments: Richards, McCarthy and Noel.

Finance: Westerfield, Wilson and Coryell.

The price of tickets was fixed at \$5.00; the invitations to be general and any surplus money to go to the Orphans' Home Library.

WHAT IT WILL COST.

The people who are fighting the Keeley Cure bill, urge that it will bankrupt the State. They have evidently not read the provisions of the bill.

If one man is cured it will cost each of the ten thousand voters of the State one cent a piece.

If fifty are treated in a year it will cost each voter 50 cents a piece. This is all there is in the bugaboo about the way the State will be bankrupted.

It is a bill that every intelligent man endorses who gives the matter proper and intelligent consideration.

Economic Side of State Aid.

Nine convicts out of ten in the Colorado State Prison are there through drunkenness. This is official. The particular crime may be called murder, larceny or arson, but whiskey is the root of it all.

The above, taken from the Rocky Mountain News, "speaks" a whole library of "volumes" on the economic side of State aid for men afflicted with alcohol disease and who would stop drinking and become sources of income to the State but for this disease.

He must be purblind who cannot see that while the cost of the two trials above noted is enough to save fifty men by giving them the treatment, the two men tried will, after serving out sentences, return to the old life and again be brought to trial for some whiskey-caused offense.

The starving of Nebraska die cursing Cleveland, who is the cause of all the poverty and half the misery which drives them, either by starvation or suicide, to the grave.

Mr. Charles H. Redding, Commissioner for the Cotton States and International Exposition, was interviewed in the City of Mexico by the Associated Press correspondent on his return from Guatemala.

Coffin's attempt to reach into the State Treasury for \$250 was baffled yesterday by the Committee on Claims. At noon the Committee reported, Mr. Coffin introduced another bill to pay him \$250 and it was referred to the Judiciary Committee.

The old Esmeralda News material, which has been stored in Hawthorne for several years, has been sold to a man named Patterson in Mason Valley. It is reported that he will start a paper in Mason Valley this month.

The Supreme Court of California has granted Dr. Eugene F. West a new trial. He was convicted of murder in the second degree for having killed Addie R. Gilmore and was sentenced to twenty-five years in the penitentiary.

The Senate Judiciary Committee of the Sacramento Legislature, has decided the woman's suffrage bill that passed the Assembly unconstitutional.
