Father Gartland on the Fight.

Father Gartland, the priest of St. Theresa's Church in this city gives the following to a Weekly reporter regarding the coming event of March 17th:

"The members of our State legislature were sent to represent the majority of the inhabitants of our commonwealth, and if the bill permitting prize fights suited the majority of our law makers, then the minority has nothing to do but submit, and since the Governor, who has the interest of the whole State at heart, thinks it proper and signed it, it is law, and as such we should all uphold it and do all in our power to see that we get as much benefit out of it as possible. There is nothing brutal in glove contests as as they are carried on at the present time as compared with foot ball and a great many other games that are permitted, and if the fight will bring the moneyed class of people here and benefit the town financially as well as otherwise, without doing any harm, which it will not, then let it take place in Carson by all means."

Rev. Nash of the Presbyterian Church and Rev. Wilson of the Methodist Church are strongly opposed to the match coming off here.

Coffee and cake and a special service at the Salvation Army barracks this evening.

The V. & T. R. R. will put on an extra force of employees after March 17th.

Bent's Liniment.
Which I have used in Carson for over twenty-five years, has saved many an ache and pain to those who know it. It is really intended for horses, but works with the same magical results on the human. It is a powerful remedy, and Rheumatism is the king of the world. Aches knocked out in short order. No horseman should be without a bottle. Bent's Liniment is for Rheumatism, Stiff joints.
