**NOTED ATTRACTIONS**

**ALCAZAR BEAUTIES**  
"Maids, Mirth and Melody" will hold sway at the opera house tonight when the famous "Alcazar Beauties" company will be the attraction under the personal direction of T. W. Dinkins, and the patrons of this popular play house are assured of witnessing an excellent performance as the "Alcazar Beauties" are conceded to be one of the best companies of its kind on the road this season. The performance opens with a screaming one-act farce form t he pen of Louis Mortimore, entitled "The Romance of a Suit Case," and this is said to be very funny. This is followed by an unexcelled olio comprised of the following capable and recognized artists: The Seyons, Margaret Newton, the Misses Saward and Sears, James B. Carson, Mathews and Riley, the Three Marvelous Keeley Brothers, and everybody's favorite Charles B. Ward, known the world over as the original Bowery Boy. The performance is concluded with a laughable burletta entitled "A Smoked Herring," written by John Saunders, in which pretty girls, catchy music, original comedy, handsome costumes and beautiful scenic effects are seen. Altogether it is a good show.

**ALBERTA GALLATIN.**  
It is custom of actresses who are known as "stars" to receive many laudatory notes from persons who have seen them in one role or another, but few there who have had more or better delightful missives than Alberta Gallatin, who is appearing in the title role of "Cousin Kate," this season under the management of Kane, Shipman & Colvin. Among the one's she thinks the most is one written by Mrs. Henry George, wife of the famous statesman, after having witnessed Miss Gallatin's performance as "Rosalind" in "As You Like It," which says that "never since the days of Adelaide Neilson have we seen Shakespeare's lovely character better portrayed."  
In "Cousin Kate" Alberta Gallatin has found a worthy vehicle for her unlimited talent and ability. It is without doubt the prettiest and cleverest society comedy ever put on, and when it opened the great Hudson Theatre in New York was accorded an almost overwhelming gratifying reception, running for a season there and also for one in London. Though pure comedy, of the kind only conceived by dramatists once in many years yet it affords Miss Gallatin ample opportunity for a display for her ability as an emotional actress, in which line of work, especially by her work in Ibsen's "Ghosts," she has made herself famous.

**"YON YONSON."**  
In discussing the longevity of comedies upon the American stage, due attention must be paid to the apparently imperishable "Yon Yonson." Some managers are wont to boast of a series of long runs in New York City without taking cognizance of the impression their entertainment leaves throughout the country. The popularity of "Yon Yonson," however, was not confirmed to the metropolis, but the Swedish dialect comedy has proven a valuable fifteen years triumph as it has been played from Sandy Hook to the Sacramento Valley, year in and year out, without losing a single feature of its popularity. It comes here to the Opera House on February 1st, for one night. Entirely new scenic equipment and with the best "Yon" who has ever been seen in this country. He is Earl K. Mitchell.  
Manager P. J. Kennedy saw Mr. Mitchell's work and immediately engaged him for the title part of "Yon Yonson" for this season. The unprecedented success he has already scored proves him to be the greatest "Yon" ever with the production.

**Meeting of the County Commissioners**  
The regular meeting of the Board of County Commissioners will be held on February 5th. All claims against the county should be filed before that date.

**Nearly Electrocuted**  
Tom Blake, well known in this city, received 2500 volts of electricity in turning on one of the switches in the Virginia City sub-station yesterday but escaped with but a few burns.

**More Attractions Billed**  
The present theatrical season will be the best ever presented in this city is a certainty and there are still several more good attractions billed among them being Watson's Oriental also on the 7th of February. The Americans on the 14th and Mingers Bohemians on the 21st. All three are spoken of very highly by the press all over the country.
