ALLEN'S LUNG BALSAM,
FOR THE CURE OF
Consumption, Bronchitis, AND ALL DISEASES THAT LEAD TO IT
Such as Coughs, Neglected Colds, Pain in the Chest, and all diseases of the Lungs.
Clergymen should use the Balsam for their Throats.
THIS Balsam is introduced to the suffering public after its merits for positive cures of such diseases have been fully tested. The formula from which it is prepared is referred to by the leading medical journals as being equal to any prescription that can be made up, for such diseases, by the medical faculty. The Balsam is, consequently, recommended by physicians who have become acquainted with its great success.
As an Expectorant it has no Equal
We copy the following interesting letter from Dr. Harris to the Middlebury, Vt., Register, Nov. 25, '95: "Ma. Editor:—It is only a short space in your valuable paper to inform the public what Allen's Lung Balsam is sure to do. Two years ago I was attacked with a severe cold; it settled in my throat, which so affected the organs of speech that I could not speak aloud for nearly six weeks. I got through the winter coughing night almost incessantly, with cold night sweats, with increased irritation, which extended into the bronchial tubes and which kept me coughing all summer. I was at St. Albans, a professional coming into Allen's Lung Balsam into New England. I procured a bottle and took it according to directions, and found immediate relief. I have now taken two bottles, which has entirely cured my affliction. I was in a state of constipation, which the Balsam has almost effectually regulated. No family should be without this valuable medicine, which the Western papers that the physicians of Cincinnati (where the medicine is manufactured) are introducing it to their practice, and I have no doubt it will soon become a classical remedial agent for the cure of all diseases of the throat, bronchial tubes, and the lungs. NATHAN HARRIS, M. D., Dentist, Middlebury, Vt., Nov. 15, 1895.
The proprietors of this valuable Balsam take pleasure in calling to the attention of all medicine dealers, desiring that they procure a supply of it, and recommend it to their afflicted patrons, and friends. It will stand the test for months, as has the celebrated
Perry Davis' Pain Killer,
which has been introduced to all parts of the inhabited world, and is everywhere appreciated and sought after. The Balsam is for sale by most of the leading Druggists, and can always be had from them, in any quantity desired by the country dealers.

FEVER AND AGUE AND CHILLS
THE
Best Remedy to Cure
IS
DAVIS' PAIN KILLER.
Directions for its Use.
TAKE 2 spoonfuls of the Pain Killer in a pint of hot water, well sweetened with molasses, as the attack is coming on, bathing freely the chest, back and bowels, with the medicine at the same time. Repeat the dose in twenty minutes, if the first dose does not stop the chill. Should it produce vomiting, (and it probably will,) if the stomach is very full, take a little Pain Killer, in cold water, sweetened as above, after each spasm. Persistence in the above treatment has cured many severe and obstinate cases of this disease.

IN VINTON COUNTY,
A YOUTH'S HISTORY

THE GREAT CIVIL WAR
IN THE
United States,
From 1861 to 1865.
Having been appointed Agent for the Youth's History for Vinton County, Ohio, I am now prepared to receive subscriptions from those desiring this excellent and popular work. Any person desiring to canvass any township in Vinton county, will please send for terms at once and secure territory before it is too late.
Agents will be given very favorable terms.
An active Agent can make from \$4 to \$6 per day.
The German edition of the Youth's History, which has been called for, is also now ready.
The work is designed to furnish the youth of the country a candid and impartial history of the Great War through which we have just passed.
From a Democratic standpoint.
The minds of the youth of our country are being poisoned and miseducated by the false and partial histories of the Abolitionists, and it is of great importance for the welfare of our country that the real Disunionists, as they are now proving themselves to be, shall be properly portrayed. The great importance of a sound juvenile literature has long been felt and acknowledged, and this is the first attempt to furnish it, the Publishers of the work—Messrs. Van Erie, Horton & Co., New York—respectfully solicit the encouragement of the public, and the assistance of the Democratic press. It is just such a book as ought to form a part of the small library in every family in Vinton county; or it should be placed in the hands of every child, for the purpose of giving them a correct idea of the late war and its causes.
It is neatly printed and bound, illustrated with 18 engravings, and contains 394 pages, divided into 48 chapters. It contains the likenesses of Generals Lee, Stonewall Jackson, Grant, McClellan, Sherman, Johnston, Jefferson Davis, Abraham Lincoln, A. H. Stephens, J. Wilkes Booth, &c.
Price \$1.50.

Studies to acquire the Art of Singing.
These exercises were composed to be used simultaneously with the "The Art of Singing," or with any other method for the cultivation of the voice, and will take place of Cozzani's Solleggios; being more melodious and better adapted for teaching. Some of these exercises are especially beautiful as well as useful, a singing of duets at table, which course the interest as well as the improvement of the student. The various styles developed in these exercises render them invaluable in an educational point of view, as they tend to enlarge the capacity of expression and ornamentation. Upon the minute accuracy with which these are accomplished depends the actual sterling advancement of the pupil; any evasion or slurring, which by which great art is utterly wasted, while, on the other hand, a close and patient investigation, and open to the student the means and reason of their brilliant and profound effects.—WATSON'S ART JOURNAL.
