DEMOCRATIC AND LIBERAL REPUBLICAN

MEETINGS!! Meetings of the Democracy and Liberal Republicans will be addressed at the following times and places: ZALESKI, Monday Evening, September 23. Speaker, Hon. Daniel J. Callen. WILKESVILLE, Tuesday Afternoon, September 24.—Speakers, Hon. Daniel J. Callen and Hon. S. A. Nash. ALLENSVILLE, Wednesday Afternoon, September 25.—Speakers, Nash and Mayo. McARTHUR, Saturday Evening, September 21.—Speaker, Hon. D. J. Callen. The Advisory Committees in the several townships will make the necessary arrangements for holding these meetings. By order of County Central Committee.

Be Vigilant! The Democracy and Liberal Republicans are struggling to free themselves from a mighty party despotism. The Grantites have all the money they need to carry on the campaign. In Vinton county they draw hundreds of dollars from Burns, and then offer to trade him for votes for KALER for Sheriff. If Bunby hasn't the money, the Monopolists, the Banks and the Rings furnish plenty of it. Then the scamps have the run of the public treasury, and do not hesitate to help themselves. Let honest people be vigilant!

—ROBERT LINCOLN, son of ABRAHAM LINCOLN, supports HORACE GREELEY.

Trading Votes. THAT SAME OLD GAME!

So "Child-like and Bland!"

GRANT's small squad of Long Branch Radicals in Vinton County are sadly demoralized—are getting desperate! They want the Sheriff's office so bad they are "spilin'" for it. They are now trying to win it by that same old game, which is, TRADING VOTES! In every township they go to a Democrat, looking "so child-like and bland," and say: "If you will vote for 'our man, KALER, for Sheriff, we will vote for any man you will name on your ticket. Just name 'the man. No matter if it may be NASH, COOK, MAYO, RICHMOND, 'GREENE, or MARTIN. We want 'you to vote for KALER."

Democrats, keep watch of these tricksters who ask you to trade votes. Have nothing to do with them. Pay no attention to their proposals. Send the names of those who make the propositions, to the Central Committee or to this office—the names of those who are running around begging pitifully the honest masses to take no notice of their frauds, their bribery, their packed County Convention, and their cheering during the ballot for KALER for Sheriff when they discovered that he had beaten Knox and Wilkesville, just for this time, but to overlook all, and swallow everything they have done for the sake of p-a-r-t-y!

SHERIFF.

The Sheriff of this or any county should be a man in every way qualified to perform the arduous and responsible duties of his office. He should thoroughly understand the nature of the business in which he is to engage—be a man who can guard the public interest and economize in every department and be relied upon in matters affecting prompt and proper execution of the law. Is GEORGE KALER, the candidate on the Long Branch Radical Ticket, that man? By all means, no! He is thoroughly devoid of executive ability, and while his intentions may be as honorable as those of GEORGE FRY, his ability would positively prevent him from carrying out the will of the people. It is important that tax-payers and all others should vote against him, and cast their votes for GEORGE W. COOK, who is just the man for that very important place. The little McArthur Ring secured the nomination of KALER by packing the Convention, notwithstanding the prior claims of other competent gentlemen, (Mr. LEVI ROBERTS, of Knox Township, in particular,) not on account of his ability at all, but because he happened to be the son of a very clever man who had been in an office of some kind for 10 these many years. It was whispered around that his father was a fast racer, and it would be a good idea to try the son at this time. So they are trying him! He has quit clerking in the Zaleski Company's Store and gone electioneering—assisting in trading off all the other candidates on the Radical Long Branch Ticket to elect himself!

The Elections in Vermont and Maine.

LARGE DEMOCRATIC GAINS. The Grantites seem to be very judicious over the result of the elections in Vermont and Maine. We can not see what they have got to rejoice over in those States. Vermont and Maine are among the strongest Radical States in the Union. In the elections held a few days ago in those States the usual Radical majorities have been reduced over 6,000 in each State. If the Grantites find any consolation in these facts, we rejoice with them.

Horace Greeley to Visit Cincinnati. Hon. HORACE GREELEY has accepted an invitation of the City Council of Cincinnati and the Exposition Commissioners to visit that city on that day. He will arrive at that city on Friday of this week. The friends of Reform in this section of country should visit the city on that day. Tickets on the Marietta & Cincinnati R. R. for half-fare.

MASS MEETING!

HAMDEN, O., FRIDAY AFTERNOON! SEPT. 20, 1872.

COL. WM. M. GROSVENOR! OF MISSOURI. Senator M. W. RANSON, OF NORTH CAROLINA, AND HON. DANIEL J. CALLEN, OF OHIO.

Will be present and deliver Able and Eloquent Speeches!

Everybody should attend and hear the issues of the campaign fairly and candidly discussed.

MASS MEETING!

McARTHUR, OHIO, SATURDAY EVENING! SEPT. 21, 1872.

HON. D. J. CALLEN, The eloquent young Irish Orator, of Mercer County, will be present and deliver an able and soul-stirring speech.

Come on foot, Come in Wagons, Come in Carriages!

Come on Horseback! Come in Small Delegations! And Come with Bands of Music and with Banners Flying!

Come from the Hills! Come from the Plains! Come from the Valleys! Come from Everywhere!

"No Irish Need Apply."

Some Republican friends of Messrs. John O'Keefe and B. Gorham asked permission to introduce their names at the Republican Convention, and Mr. Gorham finally consented, stating that he would accept the nomination if tendered unanimously, but not otherwise. Mr. O'Keefe declined having his name mentioned. It is reported that Mr. O'Keefe had been in the city of Cincinnati, Ohio, and had been seen by some of our friends. We would remark to General Hurst, the manager in charge of the Republican party in this county, to send a railroad Sanda, his lieutenant, that this is a very clumsy way to capture the foreign vote—Chicago.

It isn't necessary for us to say to say to friend BURNS of the Post that the Irish are treated in that manner throughout the country by the Radicals. "No Irish need apply" for any office without receiving an insult from some Know Nothing Radical, like HENRY WILSON, Radical candidate on the Grant ticket for Vice President. In Vinton county, it is plainly seen that the Radicals will not vote for GEO. W. COOK of Wilkesville township for Clerk of the Court, because they are afraid to vote for a man who is just the man for that very important place. The little McArthur Ring secured the nomination of KALER by packing the Convention, notwithstanding the prior claims of other competent gentlemen, (Mr. LEVI ROBERTS, of Knox Township, in particular,) not on account of his ability at all, but because he happened to be the son of a very clever man who had been in an office of some kind for 10 these many years. It was whispered around that his father was a fast racer, and it would be a good idea to try the son at this time. So they are trying him! He has quit clerking in the Zaleski Company's Store and gone electioneering—assisting in trading off all the other candidates on the Radical Long Branch Ticket to elect himself!

Mr. NELSON was a resident of Jackson, Ohio, for many years, removing from that place in July, 1863, to Illinois, where he resided until his death. The following dispatch to the St. Louis Republican, dated Jerseyville, Ill., Sept. 13, explains the cause of his death:

Last Wednesday, about noon, JAMES NELSON and CHARLES O'NEAL, had a personal difficulty in this city. O'NEAL knocked NELSON down and afterwards kicked him, when NELSON was mortally injured. He was conveyed yesterday morning to Dr. Duffel's residence, where he died. O'NEAL is still at large, but remains here.
